#### NEW TEAM NEW COACH by Matthew Hartsfield

Nova University now has a new basketball team. Along with this new team we have a new coach. Coach 'Sonny' Hansley is his name. This friendly outgoing man and I had a talk about himself and the team.

Coach Hansley played basketball and baseball at American International University in Springfield Mass. In his junior and senior years his team went to the NCAA finals in Division II.

Mr. Hansley started his coaching career at Chicopee High School in Massachusetts. While there he coached baseball, basketball, and football. After being there for 12 years Coach Hansley told me, with a smile, that he was happy with the opportunity to coach on a college level. Coach Hansley will be coaching with assistant coach Dennis Lillich.

Coach Hansley started coaching last year with the University High School basketball team. In that first year he lead the team to second in the district. Now he is working full time on the University basketball team (Mr. Hansley also teaches math at the high school). In the beginning it was "frustating" said Hansley. There was very little time to get the team organized and ready for the first practice session on October 15.

(Announcements cont. from pg.1)

6. There will be a softball game on Thursday September 16, starting at 2:30. If you want to play please come to the University School softball diamond (where the new students registered).
7. Please check the bulletin boards every day for announcements that are important to you. There is now a bulletin board across the hall from 201 that is especially for student to student messages, and faculty to student messages. Please check this board several times a day.
8. Do you want a Nova University T-Shirt? Now you can get your very own at reduced prices! Two styles of shirts will be on sale in the student lounge starting Wednesday, September 15 from 12:00-1:00. Now is the time to get your shirts.
9. There will be a sign up sheet in the lounge for anyone interested in going on a 3rd annual cruise to the Bahamas. Please sign up if you are interested. There will be more information later.
10. The Parapsychology Club had its first meeting on September 9 which was a success. If you want to get involved in this interesting club see Mrs. Marshall-Nadel in room 205.

#### NEW TEAM NEW COACH

(cont. from pg. 1)

Coach Hansley, however, said that "I am an optimistic man." He told me that he can not make predictions yet about this season, but he expressed that the team was "fundamentally sound." Coach Hansley's major concern is playing teams like Rollins and Biscayne.

The first game of the season will be played against Florida International University (FIU) on November 20 at FIU. Coach Hansley said that the team still does not have enough players. Some of the players have played on college teams elsewhere and others are walk-ons. The coach has invited everyone to the practices to watch and possibly try-out. He especially wants the students to know that the team needs their support at every game. With this support and continuing growth of the school Coach Hansley is looking forward to an excellent program.

Talking with this new coach gave me a sense of confidence about "our" team. I hope all of the students are able to go to every game to see the team and meet our new coaches. Coach Hansley is in room 105 Parker if you would like to talk to him. He would be very glad to see you.
