## Chase the Clouds Away

Ryan Frabizio

Calm and steady breeze  
Coming from the cars and trucks as they pass  
They come and leave me hidden in the clouds  
Clouds of dust and gas  
Coughing as I walk along the road

Sweet musical tones  
Coming from the phones that ring everywhere  
That people talk and talk into all day  
Clouds of endless noise  
Piercing my ears in the library

They are gone, but not for long  
I can find relief but not any cure  
I have to learn to live among the clouds of society  
Heads between the clouds of headphone sets  
Ignorant to other people's thoughts  
Everyone complains for their own good
