And I Long To Swim

Author Bio

Words are my drug - I read everything and all the time, so naturally, I love to write. There is no greater thrill than arriving at the end of a perfect sentence and sitting back to read what I've created, only to be surprised when the words start to blink and breathe and exist without dependence on me.

And I Long To Swim

Faren Rajkumar

A shallow stream is deepening
The water moves, now fast
What once was faster than fleeting
is moving slow, as though to last
A new forever place,
with an end unseen
The river becomes a lake
and the lake is deep as the sea
