Julie Saint-Fleur

I want to get lost in you
without losing myself.

I want to like what you like
and still like what I like.

I want to do what you do
and still do what I do.

I want to touch your soul
without losing feel of mine.

I want to run away with you
and still be safe at home.

I want to be one with you
and still be complete alone.

I want to forget time is moving
without losing track of time.

I want to help you grow
and still flourish myself.

I want to mean something to you
and still mean something to myself.

I want to bring out the light in you
without losing the light in me.

I need to know you want it too.
