of

ADVANCED TECHNOLOGY

Campus: South Florida Education Center in Broward County, Fla.

Opening: September, 1967

Present Offices: 232 E. Las Olas Blvd., Fort Lauderdale, Fla.

Physical Science Center: 424 to 442 E. Las Olas Blvd.

Phone 525-6771

SPECIAL BULLETIN! Jan. 1 will be "NOVA UNIVERSITY DAY" at the Hollywood Kennel Club -- the first of a series of Nova Days to be held at the county's race tracks and the jai-alai fronton this winter for the benefit of the University.

From these days we will obtain enough funds to establish several professorships attractive enough to bring to us some of the leading scientists of this country.

So. . . .

COME TO THE HOLLYWOOD DOG TRACK
ON THE EVENING OF NEW YEAR'S DAY
FOR 'NOVA DAY'!

Eight lectures by two of our professors will be delivered during the month of January, open free to all who are interested. Dr. Charles E. Gauss, assistant to the president for academic affairs (formerly chairman of the Department of Philosophy at George Washington University) will be heard Jan. 5, 12, 19 and 26 at 10:30 a.m. at the Fort Lauderdale Public Library. Dr. Ray Pepinsky, research professor of physics and chemistry, will offer his series on the same dates at 8 p.m. at McNicol Junior High School in Hollywood.

Dr. Gauss' theme will be "Intellectual Patterns in our Western Heritage", and Dr. Pepinsky's will be "Some Settings of Poetry to Music". . .

Other events are scheduled for February and March.

Friends of the University can well feel that the Christmas season already has brought a generous outflowing of gifts: the \$1 million from the anonymous donor for the Physical Science Center, the grant of \$105,000 from the Robert O. Law Foundation for endowment of a Chair of Physics for three years -- and now another major gift on which we cannot yet divulge the details. Joyeaux Noel!

Among the earlier gifts which President Warren Winstead took occasion to

acknowledge at our campus dedication on Dec. 11 were too good to be lost. C. Mather of Hollywood, one of our trustees, and a similarly large land gift by the president of the board, Jim Farquhar. . .

And in the event that you missed the announcement in the press following the dedication -- ground will be broken for the Physical Science Center on April 16.

Grateful thanks to A. D. Griffin, Sr., of Griffin Bros., and to Charles S. Serianni, president of Di-Mar Paving, for their great generosity in providing the landscaping and the road paving, respectively, at the scene of the dedication.

The grassy mall, the reflecting pool and the circular driveway now are permanent installations on the campus. The main entranceway from Nova Drive will be built around them. . .

Much appreciation also to Nova High School and the Junior College of Broward County for the appearances of the Nova band and chorus and the Junior College chorus. The fine performances of these groups and their colorful garb added immeasurably to the pleasure of the occasion.

We were most pleased also, of course, to have our Congressman Paul Rogers and the distinguished president of the National Academy of Sciences, Dr. Frederick Seitz (a Nova University advisory board member) present to speak. . .

Also present at the dedication, unknown to nearly everyone, was our new Professor of Education. His attachment to the University staff can't be officially revealed just yet, but he was here for the dedication and looked over some homes in that vicinity in preparation for moving here next July. . .

We are planning, also, to finalize another addition to the staff very soon after the first of the year.

Both of these men are, of course, acknowledged leaders in their fields. Nova University's policy is and will steadfastly be, "the highest standards of excellence!" . .

BOARD of TRUSTEES

James Farquhar
Chairman of the Board

Warren J. Winstead
President

Myron L. Ashmore
Secretary

W. Howard Allen
Vice Chairman

Robert C. Ellyson
Vice President of the Board

Henry D. Perry
Treasurer

Robert O. Barber
Donald U. Bathrick
W. Tinsley Ellis

George W. English, II
Robert E. Ferris
William D. Horvitz
L. C. Judd

William C. Mather
Dwight L. Rogers, Jr.
Myron I. Segal

ADVISORY BOARD

Dr. James R. Killian, Jr., *Chairman of the Corporation, Massachusetts Institute of Technology*

Dr. Richard G. Folsom, *President, Rensselaer Polytechnic Institute*

Dr. Abram L. Sachar, *President, Brandeis University*

Dr. Frederick Seitz, *President, National Academy of Sciences*

Mr. Robert B. Gilmore, *Vice President for Business Affairs and Treasurer, California Institute of Technology*

Dr. Athelstan Spilhaus, *Dean of the Institute of Technology, University of Minnesota*

Dr. J. Hans D. Jensen, *Director of the Institute of Theoretical Physics, University of Heidelberg
(1963 Nobel Laureate in Physics)*

Dr. Paul F. Brandwein, *Consultant in the Development of Nova High School and Director of the Pinchot Institute*

NATIONAL FOUNDERS COUNCIL

Mr. Pierre Bedard, *Chairman of the Executive Committee, Cartier, Inc.; Advisor, John F. Kennedy Center for the Performing Arts*

General Lucius D. Clay, *Senior Partner, Lehman Bros.*

Mr. Thomas C. Fogerty, *Chairman of the Board, Continental Can Co.*

Mr. Alexander Makinsky, *Vice President, The Coca-Cola Export Corporation*

Admiral David L. McDonald, *Chief of Naval Operations, U.S. Navy*

Dr. W. Homer Turner, *Vice President and Executive Director, United States Steel Foundation, Inc.*
