If you decide to run for one of the above offices you must officially declare your candidacy with the Day Division administration. This declaration should be in the form of a brief statement containing your name, phone number, and the office for which you intend to run (typed). Please hand this statement (in a sealed envelope) to the Day Division office on or before Tuesday October 5.

The administration will review your declaration based on the following qualifications: You must 1) have a minimum of a 2.00 grade point average at the time of election, 2) not be on probation, 3) not be an officer of any college club during your time in office, and 4) be a full-time student.

You will be notified by October 7 of your qualification or rejection as a candidate. If you are rejected you are eligible to an immediate appeal based upon grievance procedures. Any candidate will be disqualified who makes false statements about qualifications for office.

On October 8th at 2:00, in the student lounge, there will be a meeting of all qualified candidates. The purpose of this meeting is to discuss campaigning procedures in detail. This meeting will also be for answering any questions you may have in regards to running for office. Your active campaigning time will be from October 11 through October 20. The elections will be held on October 21 and 22.

Nova College Day Division is depending on you, the Student Body, to get involved. You must protect and insure your rights as a student. The only way to do this is to become active in Student Government and Student Activities. Last year's Student Government laid a proper foundation on which to grow. In order for this Student Body to grow and be more vital, you must assume responsibility and commitment. Academically, Politically, and Socially you need to get involved!!
