This Original Art is brought to you for free and open access by the College of Osteopathic Medicine at NSUWorks. It has been accepted for inclusion in *be Still* by an authorized editor of NSUWorks. For more information, please contact nsuworks@nova.edu.

BLISS

- ▶ On a mission trip last year to Ecuador while I was waiting for the next surgery to begin I was able to capture this moment. The surgeon I was working with had leaned in to reassure the patient that he would be OK. You can truly see the love she has for her patient and the trust the boy has in her as his surgeon. This piece shows the true female form as a physician in her natural environment.

ARTIST STATEMENT: NERGESS TAHERI

Nergess Taheri is a third-year medical student.
