## About the Oceanographic Center

The Oceanographic Center carries out innovative research, both basic and applied, in the marine sciences and related disciplines. The center is a resource for the community, providing information and education on oceanographic and environmental issues, and is a leader in marine and oceanographic research. It houses the National Coral Reef Institute and the Guy Harvey Research Institute.

## Distance Education at NSU

- ranked as one of the top 20 cyber universities by *Forbes Magazine*
- 30+ years of experience in offering distance education
- first university in the country to offer graduate programs online and to use the Internet in distance learning
- member of the Electronic Campus of the Southern Regional Educational Board ([www.electroniccampus.org](http://www.electroniccampus.org)), ensuring that our distance courses and programs meet the Principles of Good Practice

Nova Southeastern University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097, Telephone number: 404-679-4501) to award associate's, bachelor's, master's, educational specialist, and doctoral degrees. ■ Nova Southeastern University admits students of any race, color, sexual orientation, and national or ethnic origin.
