WELCOME TO THE ARENA

AT THE DON TAFT UNIVERSITY CENTER!

The Don Taft University Center, was completed in July 2006. The revolutionary 300,000 square-foot, multi-use facility serves as a central hub for the NSU student community. The main arena, which seats 4,500, is the home for NSU's intercollegiate athletic program, and will host all of NSU's volleyball and men's and women's basketball home games. With one main game court, the arena also has two practice/game-ready courts on the upper level. The arena also has the state-of-the-art capabilities to host concerts, lectures, special events and more for NSU and the surrounding community.
