Music
by: Megan Rouse

Acoustic guitars strumming in my ear,
Beats from the bass are soon what I hear
Cadences and cadenzas ending each phrase
Dynamics and de capos make reading music a maze

Encores are always fun to play
From playing the same notes night to day

Great music can be found in many places
Harmony achieved requires special graces

Instruments can vary from small to tall
Jazz, blues, and rock use them all

Key signatures and
Lyrics and
Meter may be important to know
Note the skills that have yet to show

Overtones open your mind
Play all the music you can find

Quitting shouldn't be a notion
Robust musicians have devotion

Scale options, pick your instrument and to it be true

Tambourine

Ukulele

Violin too

Wind chimes or even a

Xylophone for you

You must persist

Zestfully play and don't desist
