The S.G.A. Officers would like to thank everyone who helped in the planning, promotion, and execution of last week's homecoming activities. Without the contributions of these individuals, the success of these events would not have been possible. We would further like to thank all of you who participated in these activities and express our hope that you enjoyed them as much as we did.

The results of last week's Homecoming elections for King, Queen and Court were:

Edward Artau - King
Jim Levey
Robert Lamelas
Mike Levinson

Chris Karachansky - Queen
Manon Bouthillier
Carolee Gulino
Effie Kallas

We are planning Nova's first annual Daytona Beach road trip. Tentative date: the weekend of April 6th and 7th. Purpose: to establish Nova's first fraternity and sorority - More information forthcoming. If you are interested, please sign up on the bulletin board outside the S.G.A. Office.

Nova College will be adding three new sports in the Fall of 1984. The three new sports will be Men's & Women's Cross Country, Women's Volleyball and Men's Soccer. Any student, who will be returning to Nova College in the Fall, is asked to sign up on the sheets outside Room 249.

E D I T O R I A L

To The Editor,

We are too easily led--influenced by our media to the point where without them we would be lost, instead of free. The epitome of this feed-forward of ideas and values by the media, are the recent news broadcasts that drill into us the new "pro-military" attitude we're all supposed to have. In his recent address, Ronnie shoveled some about the new military patriotism sweeping the country. Perhaps we would all be more patriotic if Ronnie himself were willing to duke-it-out with Andropov, or whomever. Rather he sends our precious youth out into the meat-grinder with little American flags on their uniforms (Our favorite, Ayatolla Khomeini, sends his youth out with little plastic "keys to heaven".). Does Regan really give an infinitesimal coitus about our 240 Marines in the body bags? Should our youth then be willing to stick-it-out for Him, our local I.R.S. man, the bank president who drives the 450 SL, or the Congressman who gets caught with his hand in the page's pants?

Both the government and the media are shaping our mood so that when the time comes we will line-up like good little sheep for the slaughter. The amorality of countrymen has gone uncorrected in preparation for these occasions. It's easier to manipulate sheep than Mavericks for whatever game they decide to use us in.

(continued on pg. 3)

For some of us soon, it will be our turn up to bat. Should we fall into the same mold as our current leaders? Or should we use that power to bring down the walls!

Students read a varied selection of short stories by outstanding contemporary writers from different parts of the Spanish-speaking world. The general level of difficulty of each story ranges from beginner to advanced intermediate. Focus in the course is on language acquisition and reading comprehension, rather than on literary analysis.

DADE COUNTY CELEBRATES "WOMEN'S HISTORY WEEK"
MARCH 4-10, 1984

"Women keep America going" is the theme for celebrations of Women's History Week, according to Fran Bohnsack-Lee, representative of the Community Coalition for Women's History Week. A number of organizations and educational institutions will hold events and special exhibits to commemorate the week, March 4-10, 1984. The coalition of women's organizations is coordinating the Dade County Celebration by encouraging participation and reporting events through a community calendar. Bohnsack-Lee would like to see a similar venture in Broward County.

BACKGROUND

Women's History Week is always celebrated during the week which contains Marth 8th, International Women's Day. The week long observance in the United States originated in 1978 in Santa Rosa, California, conducted by the Santa Rosa Commission on the Status of Women. The idea was so compelling that in a very brief period of time, the week received attention from historical societies, State Departments of Education, national organizations and periodicals for educators and the general public. A national lobby effort ensued, and in 1981, the annual observance of Women's History Week was proclaimed by the United States Senate.

According to Dr. Gerda Lerner, President of the Association of American Historians, in her inspirational book, The Majority Finds Its Past: Placing Women in History: "Women...have shaped history through community-building. While men conquered territory and built institutions which managed and distributed power, women transmitted culture to the young and built the social network and infra-structures that provide continuity in the community..."

Any students who might be interested in developing a project for Women's History Week should see Ms. Bohnsack-Lee in Room 236 as soon as possible. This week provides an excellent opportunity to heighten public awareness of the importance of Women's History Week as well as Nova's committment to egalitarian ideals. Please contact Fran Bohnsack-Lee at 475-7479 (office) or 1-665-3710 (home)
