About
NSU

Media Information

OVERVIEW

The Sports Information Department provides a variety of services to the Department of Intercollegiate Athletics and the news media. Sports Information duties include keeping accurate statistical data of each athletic event and providing publications for each team such as media guides, game programs, schedule posters, schedule cards and press releases. The department has won numerous awards for its media guides in recent years.

In addition, the Sports Information Department organizes game-day operations and provides information to the local and national news media and to student-athletes' hometown newspapers. A member of the NSU sports information staff will be present at all home games and will travel with NSU teams for selected road contests.

ATHLETICS WEB SITE

The Sports Information Department maintains, creates and manages all editorial, statistical and biographical content for the official NSU Athletics Web site. The NSU Athletics Web site can be accessed on the Internet at <http://nsuathletics.nova.edu>. The NSU Athletics Web site also provides cutting-edge multimedia features such as live audio broadcasts of select NSU athletic events and functions as well as live statistical information during select home games. A complete audio broadcast schedule, as well as archived broadcasts of past events, can be viewed on the NSU Athletics Web site through the following link: <http://nsuathletics.nova.edu/statistics/liveaudio.cfm>.

SHARK ALERT

The Sports Information Department also publishes **SHARK ALERT**,

a free, weekly NSU Department of Athletics email newsletter that can be subscribed to on the official NSU Athletics Web site. **SHARK ALERT** provides NSU fans with interesting, informative and timely weekly headlines; player/coach features; game recaps; game previews; information on upcoming special events and promotions; and many other newsworthy items.

ESCORES

Fans also can receive up-to-date scores and information directly to their cell phones via text message, by email or both by signing up for eScores. EScores is a free one-of-a-kind fan messaging service, and fans can sign up by clicking the eScores link on the NSU Athletics Web site.

CREDENTIALS

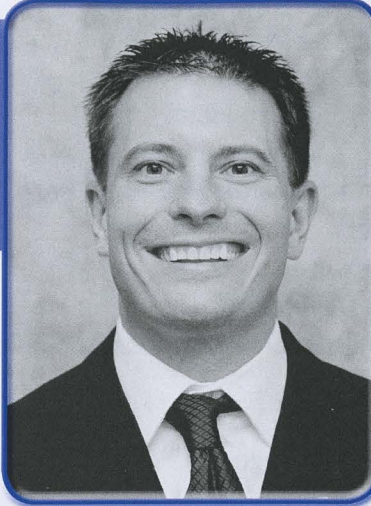

Members of the working press, electronic media and other news agencies can request credentials to cover NSU athletic events by calling the NSU Sports Information Department at least 24 hours prior to game time. Accredited photographers and Electronic News Gathering (ENG) crews may shoot from designated areas at all events.

STATISTICS and MEDIA SERVICES

Media guides, programs, fact sheets and cumulative statistics will be furnished to the working media prior to game time. Complete statistical information will be available to the media at the conclusion of all NSU home athletic events. Telephones and a fax machine are available for use in the athletics offices and in the University Center Press Room. Please contact a member of the sports information staff to request use of this service.

INTERVIEWS

All one-on-one interviews with Nova Southeastern University players and coaches should be scheduled through the NSU Sports Information Department. Please provide at least 24 hours advance notice to allow interview arrangements to be made. Interviews at the conclusion of all home games will be held after a brief cooling-off period. Any requests for visiting team interviews should be made through the visiting team's sports information representative. If one is not present, the NSU sports information staff will assist with visiting team interview needs.

Bryan Hagopian Head Coach ~ First Season

Bryan Hagopian was named Nova Southeastern University's men's and women's cross country and track and field head coach on July 9, 2008.

Hagopian joined the Sharks after serving for one year as an assistant track and field coach at Louisiana-Lafayette.

From 2004-2006, Hagopian was the head men's and women's cross country and track and field coach for the College of Mount Saint Joseph in Cincinnati, Ohio. He founded the Lions' inaugural men's and women's track and field teams. Hagopian guided the Lions' cross country team to All-Region honors.

He was the assistant men's and women's cross country and track and field coach for Upper Iowa in Fayette, Iowa from 2002-2003, where the Peacocks cross-country teams earned All-Conference and All-Region accolades.

Hagopian began his collegiate head coaching career at Mount Senario (NAIA) in Ladysmith, Wis. He founded the first-ever cross country team for the Fighting Saints and coached three track and field national qualifiers from 1999-2001.

Hagopian earned a Bachelor of Arts Degree in Physical Education and Coaching from Hastings (Neb.) and a Master of Science Degree in Athletic Administration from Minnesota State-Mankato.

Chaunté Baldwin Assistant Coach ~ Second Season

Chaunté Baldwin is in her second year as the assistant coach of the Nova Southeastern University track and field program. She will work primarily with the sprinters and hurdlers as well as assist with recruiting.

During the 2008 season, multiple school records were set under Baldwin's tutelage. Michael Wilson became the fastest Shark in the 100, 200 and 400 meters. Additionally, Wilson ran an NCAA provisional qualifying time in the 200 meters.

Baldwin joined NSU's track and field staff with a wealth of knowledge and experience. Baldwin was a two-time national qualifier and an 11-time All-Conference honoree at Texas Christian. In 2002, Baldwin, who was one of the highest recruited sprinters nationally, raced her way onto the USA Track and Field Women's Top-50 list for the 100 meters and earned All-America honors on Texas Christian's 4x100-meter relay team.

Baldwin, who is also the Coordinator of Compliance for the NSU Athletic Department, received her Bachelor of Science from Texas Christian in 2002. She earned her Masters of Education Administration from North Texas in 2007.

About the Sunshine State Conference

Currently one the most competitive and respected conferences in NCAA Division II, the Sunshine State Conference (SSC) was founded in 1975. SSC schools captured two national championships in 2007-08 and have earned a total of 69 national championships overall.

The Sunshine State Conference has developed from a basketball organization into the NCAA Division II "Conference of National Champions." Since its inception, the conference has grown steadily in sports played, membership and national prominence.

Sunshine State Conference teams have won NCAA Division II national championships in baseball, men's basketball, men's and women's golf, men's and women's soccer, softball, men's and women's tennis and volleyball and receive national recognition in women's basketball, women's rowing and men's and women's cross country.

The SSC sponsors championships in 14 sports for men and women: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's tennis, women's rowing and volleyball.

Nova Southeastern University was officially granted membership status in the Sunshine State Conference in August 2002. Other SSC members—all in Florida— are Barry University (Miami Shores), Eckerd College (St. Petersburg), Florida Tech (Melbourne), Florida Southern College (Lakeland), Lynn University (Boca Raton), Rollins College (Winter Park), Saint Leo University (Saint Leo) and the University of Tampa (Tampa).

Numerous All-Americans, Academic All-Americans and future professional athletes have attended conference institutions. The SSC is respected for its academic foresight, setting standards that were later adopted by the NCAA.

NCAA Division II/NSU Mission Statement

Quick Facts and
Media Information

The NCAA

The National Collegiate Athletic Association (NCAA) is the organization through which the nation's colleges and universities speak and act on athletic matters at the national level. It is a voluntary association of approximately 1,200 institutions, conferences, organizations and individuals devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member colleges consider any athletics problem that crosses regional or conference lines and has become national in character.

The association strives to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body. The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

The NCAA has grown dramatically in the past 50 years, with more than 600 new members since 1950.

2009
Season

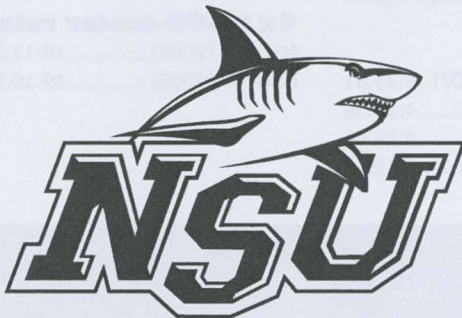

NCAA DIVISION II

Division II institutions have to sponsor at least four sports for men and four for women, with two team sports for each gender and each playing season represented by each gender. There are contest and participant minimums for each sport, as well as scheduling criteria—football and men's and women's basketball teams must play at least 50 percent of their games against Division II or I-A or I-AA opponents.

For sports other than football and basketball, there are no scheduling requirements. There are no attendance requirements or arena game requirements for basketball. There are maximum financial aid awards for each sport that a Division II school must not exceed. Division II teams usually feature a number of local or in-state student-athletes. Many Division II student-athletes pay for school through a combination of scholarship money, grants, student loans and employment earnings. Division II athletics programs are financed in the institution's budget like academic departments on campus. Traditional rivalries with regional institutions dominate schedules of many Division II athletics programs.

2007-08
Review

NSU Mission Statement

Nova Southeastern University recognizes, values and supports intercollegiate athletics as an integral part of the educational mission of the university. Central to the program's mandate and in accord with the stated goals of the university, the NSU Department of Athletics commits itself to fostering leadership, lifelong learning and service to the community among its student-athletes.

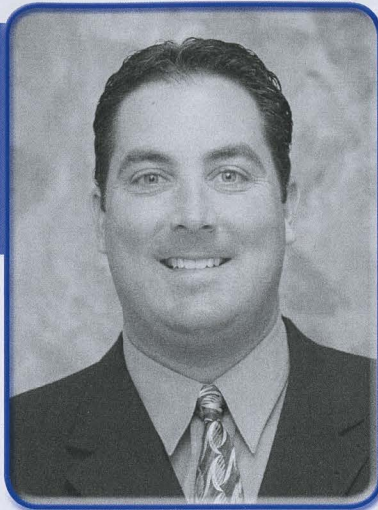

Records
and History

The department is dedicated to sponsoring a competitive program of intercollegiate athletics for men and women. Valuing deeply the physical, social and emotional welfare of those who participate, the department

and the university express this commitment through membership in the NCAA and the Sunshine State Conference, both of which exemplify the principles of amateur athletics. These include diversity, sportsmanship, fair play and equitable opportunity for all. Athletic department staff members will manifest these values in clearly discernible conduct.

The intercollegiate athletics program at Nova Southeastern University is committed to the recruitment, preparation and welfare of highly qualified and gifted men and women.

About
NSU

Michael Mominey Athletic Director

Michael Mominey was named Director of Intercollegiate Athletics at Nova Southeastern University on Jan. 2, 2002. He has led the NSU Department of Athletics into a historic and defining era, as NSU began its first year of competition in NCAA Division II in 2002 and in the Sunshine State Conference in 2004. In addition to leading the athletic program in their transition into the NCAA, Mominey has added five intercollegiate programs during his tenure (women's rowing, women's tennis, men's cross country and men's and women's outdoor track) as the student-athlete population has increased from 160 in 2002 to over 265 projected this academic year. The departmental grade point average for all NSU student-athletes has been above 3.0 for the last six consecutive years, including a cumulative

student-athlete GPA of 3.10 for the 2007-08 school-year.

The 2007-08 year was a banner season for NSU Athletics, both on and off the fields of play. The Sharks captured the SSC Mayor's Cup Trophy on the women's side by winning championships in women's basketball, women's golf and women's rowing. NSU produced five SSC Players of the Year, two Freshmen of the Year and three Coach of the Year honorees along with one NCAA National Player of the Year. In addition, nine NSU student-athletes were chosen as NCAA All-Americans while five were named Academic All-Americans. NSU also had 41 inaugural recipients of the DII Athletic Directors Association Academic Achievement Awards and five recipients of the 2008 Arthur Ashe Jr. Sports Scholars award for their individual sports. The Sharks men's and women's cross country, women's soccer and women's tennis squads were each named Academic All-American Teams. Three NSU teams finished their seasons ranked in the Top-10 nationally.

Mominey was highly instrumental in the design, development, planning and programming phases for the University Center, which opened its doors in August 2006. The over 300,000 square-foot facility serves as a home for the intercollegiate athletic program, student recreation and wellness programs and performing arts program. The venue serves as the home to the men's and women's basketball and women's volleyball programs. Also included in the building are a sports medicine and rehab center, a weight room/fitness room, team specific locker rooms, a student-athlete lounge, student union, cafeteria and a performing arts theater with rehearsal rooms. "We have been very fortunate to have had the success with our program at such early stages of our membership in the NCAA and the Sunshine State Conference. We have great support from our administration, which has allowed us to progress so quickly, always maintaining the ideals of developing the student-athlete" said Mominey. "I look forward to continuing to challenge our student-athletes, coaches and staff to be the best they can be, in hopes of building the traditions that serve as the foundation of a well respected and nationally recognized athletic program."

Mominey is a member of the Orange Bowl Committee (elected November 2004), and serves on various committees throughout the community and on campus, as well as on several committees in the Sunshine State Conference. Mominey is also the Division II representative on the NIKE Baseball Advisory Board. With more than 17 years of experience in athletic administration in the professional, collegiate and scholastic ranks, Mominey served as the Director of Athletics and Head Baseball Coach at Chaminade-Madonna College Preparatory in Hollywood, Fla. from 1996-2000. The college prep program was recognized as one of the most successful high school programs in the state of Florida. Mominey began his collegiate administrative experience while pursuing his Masters degree at St. Thomas (Fla.) from 1992-1996. He served in multiple capacities including assistant athletic director, sports information director and director of intramurals and recreation.

Prior to relocating to South Florida, Mominey was the assistant to player development and scouting for the Cleveland Indians Baseball Club from 1990-1992 and worked as an associate scout for the Tribe from 1993-1996. While working in the front office of the major league club and was directly involved in the day to day operations of the scouting and player development departments under former Major League general manager John Hart (Cleveland Indians & Texas Rangers) and current GM Dan O'Dowd (Colorado Rockies).

Mominey is also the head coach of NSU's nationally ranked baseball program, where he originally was employed at NSU on Aug. 1, 2000. Since joining the NCAA six years ago, the Sharks have averaged over 30 wins per season and have consistently been ranked in the top 10 in the South Region and the top 25 nationally.

Mominey graduated from St. Thomas (Fla.) in 1994 with a master's degree in Sports Administration and from Bowling Green in 1990 with a bachelor's degree in Education/Sport Management.

He resides in Davie, Florida with his wife Denise and children Tyler and Alexa.

NSU Athletic Facilities

University Center

Nova Southeastern's newest construction project, the University Center, was completed in July 2006. The revolutionary 300,000 square-foot, multi-use facility serves as a central hub for the NSU student community. The main arena, which seats 4,500, is the home for NSU's intercollegiate athletic program, and will host all of NSU's volleyball and men's and women's basketball home games. With one main game court, the arena also has two practice/game-ready courts on the upper level. The arena also has the state-of-the-art capabilities to host concerts, lectures, special events and more for NSU and the surrounding community.

NSU Soccer Complex

The NSU Soccer Complex consists of one practice fields and one game field. The game field is home for both the men's and women's soccer teams. Both fields come equipped with lights that allow for night practices and games. The game field features state-of-the-art grandstand seating with a capacity of 1,000. The stadium style seating is the newest addition to the complex, which was built prior to the 2000 season. The U.S. Women's National Soccer Team as well as several MLS teams, including the Miami Fusion, have used NSU's complex as their training site. The Orange Bowl Committee has entered into an agreement to use the NSU Soccer Complex as its official training site for one of its participants, which began with the 2003 FedEx Orange Bowl.

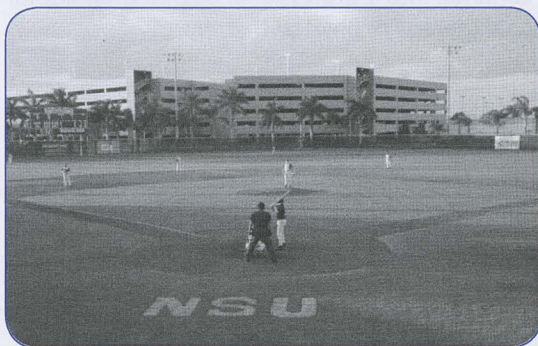

NSU Baseball Complex

The NSU Baseball Complex is considered by many to be one of the finest baseball facilities in South Florida. This fully lit complex features an immaculate playing field with two outdoor batting cages.

Prior to the 2001 season, NSU added grandstand seating that accommodates 500 people and a fully functional press box.

The Baseball Complex is the site of The Frontier Independent Baseball League's annual player combine and tryouts.

AD Griffin Sports Complex

The AD Griffin Sports Complex is home to the NSU Softball team. This complex features two practice fields and one game field. All fields are equipped with lights that allow for night practice and games.

The main game field overlooks NSU's Health Professions Building. Located in the middle of the three fields is the press box area.

The AD Griffin Sports Complex was named in honor of Mr. A.D. Griffin, Sr.

Miami Dolphins Training Facility

The Miami Dolphins Training Facility is located on the Nova Southeastern University main campus. Bow string trusses and a profile reminiscent of classic athletic facilities define this state of the art training facility of the Miami Dolphins football team, which includes one of the largest weight rooms in the NFL, training rooms, locker rooms, a therapy swimming pool, a cold plunge pool and whirlpools, numerous administrative offices, and a practice field. It also has a bleacher building, which can accommodate 2,000 spectators. The 56,000 square foot facility is frequently used as a prototype for other professional football teams.

About NSU

NSU Athletic Training

Farquhar College of Arts and Sciences Division of Math, Science and Technology

Quick Facts and
Media Information

What is an ATC?

The Certified Athletic Trainer (ATC) is a highly educated and skilled professional who specializes in health care for those engaged in physical activity. Athletic trainers are vital to the prevention, treatment and rehabilitation of athletic injuries. The athletic trainer works closely with physicians, coaches and other medical and allied health personnel to help provide the highest quality of health care to athletes in clinics, high schools, colleges, universities and professional sports teams.

The Academic Program

Nova Southeastern University's Farquhar College of Arts and Sciences offers a compelling undergraduate curriculum in athletic training. The dedicated faculty and staff members become excellent role models for athletic training students, while providing athletic training service to an NCAA Division II athletics program. The athletic training major, established in 2003, is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), effective March 2007. Athletic training students will graduate with a bachelor of science degree in athletic training and will be eligible to sit for the Board of Certification (BOC) examination. This dynamic athletic training curriculum balances class instruction and clinical experience. NSU incorporates the intimacy of a small college education with the resources of the largest private university in the Southeast. In this dynamic, state-of-the-art program, qualified students earning a bachelor of science degree in athletic training may continue into a professional degree program for physician assistants, occupational therapy or physical therapy.

2009
Season

Clinical Experience

Athletic training students will work closely with certified athletic trainers to gain clinical experience with Nova Southeastern University athletics, sports clinics, high schools and professional sports venues in South Florida. These hands-on clinical opportunities apply and refine skills learned in the classroom. Other

2007-08
Review

medical professionals, such as physicians, physician assistants and physical therapists from Nova Southeastern University's Health Professions Division are also involved in this academic clinical experience.

Admission

To enter the athletic training program, you must first be admitted to NSU in good standing and register for Introduction to Athletic Training (ATTR 1100) during the fall semester. This course will guide you through the matriculation process and appropriate deadlines. Also, check out our website at <http://undergrad.nova.edu/MST/athletic/index.cfm> for more information.

About NSU

Academic Support & Compliance

Academic Support and Services

Quick Facts and
Media Information

Under the direction of the Coordinator of Athletic Academic Services, student-athletes' academic progress is closely monitored in an effort to keep in compliance with NCAA Division II requirements and NSU academic standards.

Services offered to student-athletes include: academic advising, study hall, Collegiate Success Program, academic monitoring, tutorial referrals, specialty services and book scholarship award.

CHAMPS/Life Skills Program

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student development initiatives of its member institutions and to enhance the quality of the student-athlete experience within the university setting.

The NSU CHAMPS/Life Skills Program strives to:

- Support efforts of every student-athlete toward intellectual development and graduation.
- Use athletics as preparation for success in life.
- Meet the changing needs of student-athletes.
- Promote respect for diversity among student-athletes.
- Assist student-athletes in building positive self-esteem.
- Encourage the development of leadership skills.

For additional information about the CHAMPS/Life Skills Program, contact James Knapp at (954) 262-8262

Student-Athlete Advisory Committee

In accordance with NCAA policy, the NSU Department of Intercollegiate Athletics has a Student-Athlete Advisory Committee. The Nova Southeastern University Student-Athlete Advisory Committee (SAAC) is made up of one member from each athletic team and one alternate. The purpose of this committee is to streamline and promote communication between the student-athlete and the athletic department administration, to encourage more student-athlete involvement within the campus community and to design and implement programs which will encourage academic achievement, health promotion, social responsibility, and general awareness.

Nationally, Division II SAAC programs work with the Make-A-Wish Foundation and have raised over \$100,000 each year since 2005. At NSU, SAAC employs a number of activities to help with this initiative, including a 3-on-3 basketball tournament, a "kiss-a-pig" contest and a dance contest.

For more information on SAAC, contact Chaunté Baldwin at (954) 262-8266.

NCAA Compliance

Compliance with NCAA rules is of utmost importance to Nova Southeastern University and its athletics department. Nova Southeastern University is responsible for the actions of its coaches, student-athletes, faculty and staff, alumni, donors, boosters and friends. As such, please take a few moments to familiarize yourself with these important items concerning NCAA rules and always remember to ASK BEFORE YOU ACT.

The two main functions of the Athletic Compliance Office are to educate and monitor. The compliance staff meets with and disseminates information to coaches and student-athletes in providing materials on the applications of the complexities of the NCAA and the Sunshine State Conference rules and regulations. We also aim to be supply information to the NSU fans, parents, and friends. Unfortunately, we are not always able to provide as much information to the community as we would like. For this reason, if you have a question regarding a rule interpretation, are concerned about an action that you have observed that may be detrimental to our department, or on how you can be of service to our athletes and department, we invite you to contact us. We will be more than happy to be of assistance to you.

For more information, contact Ann Walker at (954) 262-8280 or visit the NCAA Web site at <http://www.ncaa.org>

- ✦ Free weights
- ✦ Multi Stations
- ✦ Benches and racks
- ✦ Four Human Sport Multi-Directional Movement apparatus

NSU Athletics Hall of Fame

Nova Southeastern University's athletic department established the NSU Athletics Hall of Fame, located in the University Center, as part of recognizing the 25th anniversary of the University's first athletic program. On May 2, 2007, NSU welcomed its first class of inductees, which included athletes from three sports, NSU's former president and NSU's former athletic director and baseball head coach.

The NSU Athletics Hall of Fame Committee is represented by: Michael Mominey (NSU Director of Athletics), Keith Smith (Assistant Athletics Director of Communications and External Ops.), Dr. Mark Cavanaugh (Associate Professor of Social and Behavioral Sciences and Faculty Athletic Representative), John Gartin (Head Coach, Women's Rowing), Kim Carbo (Manager of Marketing & Special Events), Ray Flores (AT&T-Area Director, Regulatory & External Affairs), Lynne Cawley (Director of Alumni Affairs, Osteopathic Medicine), Dr. Gay Holliday (Associate Dean of Student Affairs), Joe Pineda (Assistant Dean of External Affairs, H. Wayne Huizenga School of Business & Entrepreneurship), Tony Segreto (NBC 6 News Anchor), Joanne Ferchland-Parella (Vice President of Institutional Advancement), Shannon Sawyer (Former NSU softball player and Class of 2007 Hall of Fame inductee).

Hall of Fame Members

2007

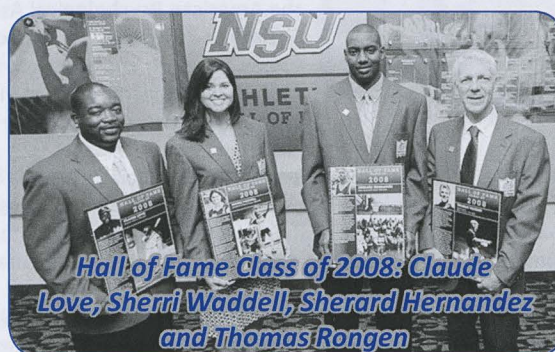

- Teofilo Cubillas Jr. (Men's Soccer)
- David Riley (Men's Basketball)
- Shannon Sawyer (Softball)
- Abraham S. Fischler (NSU President)
- Charles Hansley (Athletic Director and Baseball Head Coach)

2008

- Sherard Hernandez (Men's Basketball)
- Claude Love (Baseball)
- Sherri Waddell (Softball, Volleyball)
- Thomas Rongen (Men's Soccer Head Coach)

Hall of Fame Class of 2007: David Riley, Charles Hansley, Abraham Fischler, Shannon Sawyer and Teofilo Cubillas Jr.

Hall of Fame Class of 2008: Claude Love, Sherri Waddell, Sherard Hernandez and Thomas Rongen

Records and History

About NSU

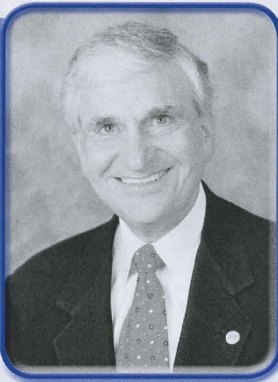

Ray Ferrero, Jr., J.D. NSU President Chief Executive Officer

Mr. Ferrero has served as President/CEO of Nova Southeastern University since January 1, 1998. Prior thereto, he served as a member of the Board of Trustees from 1984 to 1988, as Chairman of the Board of Trustees from 1988 to 1995, and as Vice-Chairman from 1995 to 1997. He has also served as Chairman of the Finance Committee from 1995 to 1997.

Prior to joining the University as President, he was a practicing trial attorney from 1960 through 1997. He received a B.B.A. degree from St. John's University, and a J.D. degree from the University of Florida. He was President of The Florida Bar from 1987-1988, and the American Bar Association Florida State Delegate from 1989-1998. He is also a member of the Broward County Bar Association and Broward County Trial Lawyers Association.

In 1995, he was appointed by Governor of the State of Florida to serve as Chairman of the Committee of Inquiry – 15th Judicial Circuit Nominating Commission, to investigate alleged improprieties in the judicial nominating process, and is currently serving as a member of the Board of Governors of the Tower Club, National Conference for Community and Justice, Broward Workshop and Broward Alliance, and on the Board of Directors of the United Way. Mr. Ferrero has also lectured extensively through the United States to legal, business and civic groups.

George L. Hanbury, Ph.D. Executive Vice President Chief Operating Officer

On September 1, 1998, George L. Hanbury II became the executive vice president for administration of Nova Southeastern University. Prior to his appointment as executive vice president, he had a career in municipal administration totaling more than 30 years and was the chief executive officer (city manager) to Fort Lauderdale, Fla., Portsmouth, Va., and Virginia Beach, Va. In addition, he was an assistant city manager in the cities of Norfolk and Virginia Beach.

Hanbury received his Ph.D. in public administration from Florida Atlantic University. He also holds a master's degree in public administration from Old Dominion University and a bachelor of science degree in business administration with a major in public administration from Virginia Polytechnic Institute and State University (Virginia Tech).

He has been certified through the Senior Executive Institute at the University of Virginia and was inducted into Pi Alpha Alpha, the national honor society for the field of public affairs and public administration.

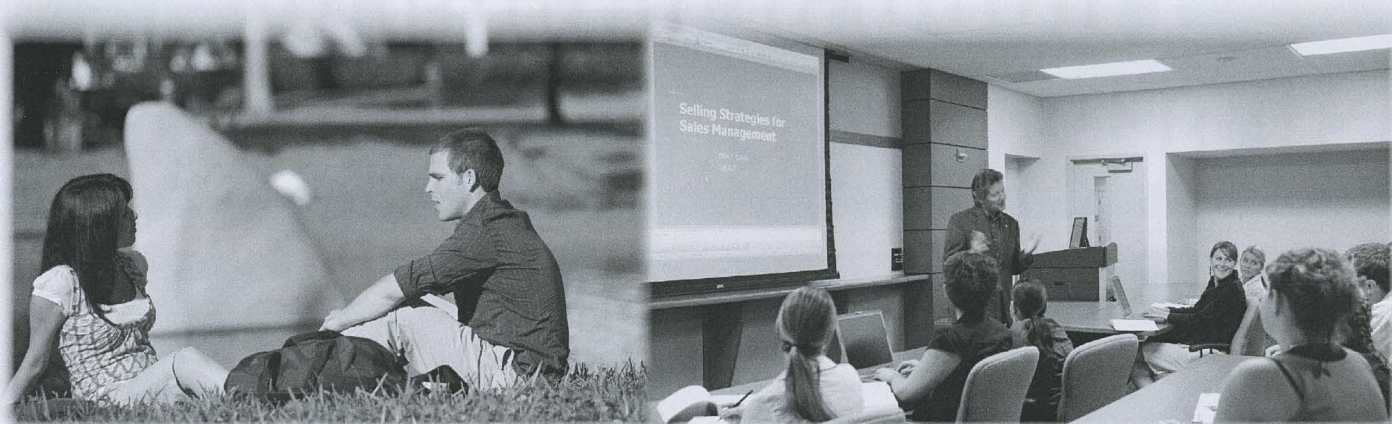

Frank DePiano, Ph.D. Provost Vice President for Academic Affairs

Frank DePiano received his Ph.D. from the University of South Carolina in 1980. During his 25-plus years of academic experience, DePiano has participated in a number of national leadership roles including serving on the American Psychological Association's Board of Educational Affairs' Executive Committee, president of the Society of Psychological Hypnosis and chair of numerous accreditation site visits and national education task forces. Scholarly contributions include the publication of a book, book chapters and articles in referred journals. He has served as the editor-in-chief of three referred journals and as an editorial review board member for several journals. Currently, he serves as a book review editor for Haworth Press.

While at Nova Southeastern University, DePiano has served as the initial dean of the Center for Psychological Studies, the chair of the University Council of Deans, an associate dean in the recently formed College of Dental Medicine and the initial chair of the Criminal Justice Institute. He also participated in the launching of the day division undergraduate program. In working with the undergraduate program, DePiano assisted in the development of NSU Athletics and served as one of the inaugural coaches.

DePiano is now involved in developing the Academic Review at Nova Southeastern University, a rigorous degree review procedure that is intended to assist academic programs in attaining preeminence within their academic fields.

Located on a beautiful 300-acre campus in Fort Lauderdale, NSU has more than 26,000 students and is the largest independent institution of higher education in Florida. Nova Southeastern University is the largest independent institution of higher education in the Southeast, and it is the 6th largest independent institution nationally. NSU awards associate's, bachelor's, master's, educational specialist, doctoral, and first-professional degrees in a wide range of fields. The university is comprised of undergraduate, graduate and professional schools of osteopathic medicine, pharmacy, optometry, allied health and nursing, medical sciences, dental medicine, law, marine biology and oceanography, business and entrepreneurship, computer and information sciences, humanities, conflict resolution, family therapy, interdisciplinary studies, education, psychology and counseling, and family programs.

Did you know...

NOVA  NSU's field-based programs are located in 32 other Florida cities, 21 other U.S. states and several international sites.

NOVA  NSU is known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the school has produced approximately 90,000 alumni.

NOVA  With 16 different colleges and schools, NSU offers 106 degrees, 28 dual admission programs and 10 graduate certificates. Additionally, joint degrees are offered.

NOVA  The Alvin Sherman Library, Research, and Information Technology Center, located on NSU's main campus, is the largest library building in the state of Florida. In addition to serving the NSU community, the Alvin Sherman Library, Research, and Information Technology Center is also a public library and is open to the residents of Broward County.

Directions to NSU

From I-95 or Florida's Turnpike:

Exit at I-595, proceed west to University Drive exit. Turn left (south) onto University Drive. Proceed approximately 1 ½ miles to SW 30 Street (Abe Fischler Blvd.), turn left (east). NSU's main campus will be on the right side.

From University Drive:

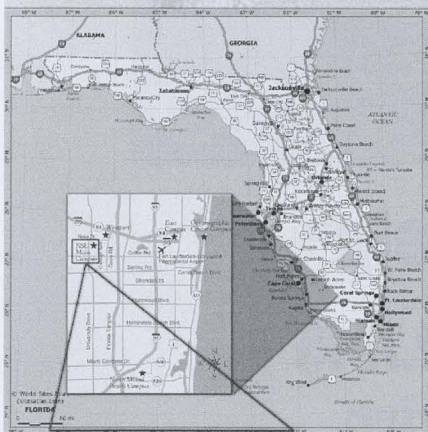

From North of I-595, take University Drive south 1 ½ miles past I-595 to SW 30 Street (Abe Fischler Blvd). Turn left (east). NSU's main campus will be on the right side.

From South of Griffin Road:

Take University Drive north approximately 2 miles past Griffin Road to SW 30 Street (Abe Fischler Blvd.). Turn right (east). NSU's main campus will be on the right side.

From I-75:

From Miami heading north or west coast/Naples heading east Merge onto I-595 eastbound (towards Fort Lauderdale). Exit at University Drive exit, turn right (south). Proceed approximately 1 ½ miles on University Drive to SW 30 Street (Abe Fischler Blvd.), turn left (east). NSU's main campus will be on the right side.

- 1 NSU Soccer Complex
- 2 NSU Baseball Complex
- 3 A.D. Griffin Sports Complex
