THE NSU SOCCER COMPLEX

The recently relocated NSU Soccer Complex consists of one practice and one game field. The game field is home for both the men's and women's soccer teams. Both fields come equipped with lights that allow for night practices and games. The game field features grandstand seating with a capacity of 1,000. In addition, a state-of-the-art drainage system was installed along with new turf, creating one of the best playing surfaces in the state of Florida. The Orange Bowl Committee has entered into an agreement to use the NSU Soccer Complex as its official training site for one of its participants, which began with the 2003 FedEx Orange Bowl.
