## PHARMACIST'S OATH

At this time,  
I vow to devote my professional life  
to the service of mankind  
through the profession of pharmacy.

I will consider the welfare of humanity  
and relief of human suffering  
my primary concerns.

I will use my knowledge and skills  
to the best of my ability  
in serving the public  
and other health professionals.

I will do my best  
to keep abreast of developments  
and maintain professional competency  
in my profession of pharmacy.

I will maintain the highest standards  
of moral and ethical conduct.

I take these vows voluntarily  
with the full realization  
of the confidence and responsibility  
with which I am entrusted by the public.

## OSTEOPATHIC OATH

I do hereby affirm my loyalty  
to the profession I am about to enter.  
I will be mindful of my responsibility  
to preserve the health and life of my patient,  
to perform faithfully my professional duties.

I will be vigilant in aiding  
in the general welfare of the community.

I will endeavor to work in accord with my colleagues  
in a spirit of progressive co-operation.

I will look with respect and esteem  
upon all those who have taught me my art.  
I will be loyal to my college  
and strive always for its best interests  
and for the interests of the students who will come after me.  
I will be alert to further the application  
of basic biological truths  
and to develop the principles of Osteopathic Medicine.

In the presence of this gathering, I bind myself to my oath.

## COMMENCEMENT SPEAKER

**BERNARD J. FOGEL, M.D.**

Bernard J. Fogel, M.D., is the Vice President for Medical Affairs and Dean of the University of Miami School of Medicine, a position he has held since 1982.

He is a 1961 graduate of the University of Miami School of Medicine and served a two year pediatric residency at Sinai Hospital of Baltimore. He has served as Chairman of the Medical Advisory Committee for the Florida Crippled Children's Commission, and is the recipient of numerous awards, including a Certificate of Achievement from the Walter Reed Army Medical Center; an Army Commendation Award for Outstanding Service from the Walter Reed Army Institute for Research; Distinguished Leaders in Health Care; the Claude Pepper Award, and listings in "Who's Who in America" and "Who's Who in Health Care."

He is a member of the Scientific Advisory Committee of the National Parkinson Foundation and is currently a Professor of Pediatrics at the University of Miami School of Medicine. Previously, he has served as Assistant Chief, Department of Pediatrics, Walter Reed General Hospital; Consultant to the National March of Dimes Foundation; and Director of the Birth Defects Center, University of Miami School of Medicine.
