\* *America, the Beautiful* ..... Bates/Ward

*O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountains' majesty  
Above the fruited plain!  
America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!*

*O beautiful for patriot dream  
That sees beyond the years,  
Thine alabaster cities gleam,  
Undimmed by human tears!  
America! America!  
God mend thine every flaw,  
Confirm thy soul in self control  
Thy liberty in law!*

## **G. Wil Trower**

G. Wil Trower, President and CEO of the North Broward Hospital District, is a 1980 graduate of NSU with a Master's Degree in Business Administration from the School of Business and Entrepreneurship. The North Broward Hospital District is the fourth largest public hospital system in the nation, with 1,500 physicians on staff, 5,700 employees, four medical centers and 30 satellite facilities falling under Trower's leadership.

Beginning his career as a respiratory therapist at Broward General in 1968, Wil Trower has risen through the ranks to be named administrator in 1988, and then in 1995, was named President/CEO. Since that time, he has worked to fulfill the District's mission of providing health care services to Broward County residents through an integrated system which emphasizes community-based health programs. His vision for the future encompasses all segments of the community and includes plans for expanding services for primary care, mental health, trauma and care for the chronically ill.

A recipient of the Leadership Broward Alumni Recognition Award, Trower's professional accolades include serving as a delegate to the American Hospital Association and a member of the Annenberg Challenge Committee.

# ACADEMIC REGALIA

The caps, gowns and hoods of the academic procession date back to the Middle Ages, when they were common dress for scholars. Monks and students wore them to keep warm in the damp and drafty twelfth-century castles and halls of learning.

The Bachelor's gown has a pleated front and long, pointed sleeves. The Master's gown, which may be worn open, is distinguished by its long, square sleeves, closed at the end and slit near the elbow to permit the forearms to come through. The Doctor's gown, which also may be worn open, is trimmed with velvet panels down the front, with three velvet bars on its bell-shaped sleeves. The hood is the key to the costume. With a tassel of the same material as the gown, it is lined in silk with a color or colors of the institution conferring the degree. The length of the hood indicates the degree: four feet for the Doctor, three-and-a-half feet for the Master, and three feet for the Bachelor. The hood is sometimes omitted on the Bachelor's gown. The width of the velvet border also indicates a degree. The widest border belongs to the Doctor's gown.

The color of the hood's border indicates the field of learning to which the degree pertains. The Doctor's hood may bear a single chevron on the lining. Two narrow chevrons indicate a Bachelor, while the Master may have a single chevron or have the hood divided equally in two colors.

The various fields of learning are indicated by color as follows: arts, letters, humanities -- white; commerce and accountancy -- drab; economics -- copper; education or pedagogy -- light blue; engineering -- orange; fine arts, including architecture -- brown; law -- purple; library science -- lemon; medicine -- green; philosophy -- dark blue; science -- golden yellow.

---

*NOTE: The appearance of a name in this program should not be interpreted as evidence of graduation. The student's permanent record, on file in the Office of the University Registrar, remains the official testimony of the possession of a Nova Southeastern degree.*
