2010

WELCOME TO THE NSU TENNIS CENTER!

Located in Grande Oaks, the NSU Tennis Center is Nova Southeastern University's newest athletic facility. Construction finished on the center in January 2010, making the spring season the first time the Sharks will be competing on the courts. The NSU Tennis Center measures out to 38,160 square feet inside the fence area. Each of the six courts is 36-feet-by-78-feet and consists of six inch lyme rock and one inch of asphalt. The blue and green surfaces for each court was done with a four-coat all acrylic color system by Nova Sports, Inc.
