The Lifelong Learning Institute redefines retirement by meeting the lifelong learning needs of South Florida’s active retirement community.

Through lifelong learning, we exercise our hearts, our minds, and our souls.
Lifelong Learning Institute

On Nova Southeastern University's main campus in Fort Lauderdale, our membership attends an extensive program of lectures, workshops, discussion groups, and field trips. Members learn from renowned faculty members, interact with exciting peer leaders, and meet prominent visiting experts in such fields as humanities, sciences, health, and government.

If you are retired, semi-retired, pre-retired, or would like to retire, you’ll find kindred spirits at the LLI. Come visit, try, engage, reach, and explore.
