# A Note from the NSEE Conference Chair

MARTHA “MARTI” SNYDER *Nova Southeastern University*

On behalf of the National Society for Experiential Education’s (NSEE) Board and the 2020 Conference Planning Committee, we are delighted to work with *ELTHE* this year to curate a set of articles representing NSEE’s 49<sup>th</sup> Annual Conference. There were many firsts in 2020 including the COVID-19 pandemic; Kamala Harris, a woman of color becoming vice president-elect; Space-X, a private company sending humans to space; a fully virtual NSEE conference; and our first special conference issue published in *ELTHE*.

Our conference presenters did an incredible job pivoting to an online delivery format and sharing their expertise with the experiential education community. I encourage you to read their work, which is centered around our conference theme: “Hindsight is 20/20: Using Reflection for Assessment, Program Excellence and Student Success.” I also suggest that you consider submitting your own practice and research on experiential education to future issues.

We look forward to seeing many of you later this year at our 50<sup>th</sup> Annual Conference scheduled September 27–29, 2021 at the Renaissance Orlando at SeaWorld (<https://www.nsee.org/annual-conference>). We will celebrate our Golden Anniversary and share knowledge, ideas, practices, and research on experiential education in an ever-changing world.

Sincerely,

Martha (Marti) Snyder, 2020 NSEE Conference Chair

Paul Gaszak, 2020 NSEE Conference Co-Chair
