### MEDIA INFORMATION

#### OVERVIEW

The Sports Information Department provides a variety of services to the Department of Intercollegiate Athletics and the news media. Sports information duties include keeping accurate statistical data of each athletic event and providing publications for each team such as media guides, game programs, schedule posters, schedule cards and press releases. The department has won numerous awards for its media guides in recent years.

In addition, the Sports Information Department organizes game-day operations and provides information to the local and national news media and to the student-athletes' hometowns. A member of the NSU sports information staff will be present at home games and will travel with NSU teams for road contests.

#### ATHLETICS WEB SITE

The Sports Information Department maintains, creates and manages all editorial, statistical and biographical content for the official NSU Athletics Web site. The NSU Athletics Web site can be accessed on the Internet at <http://nsuathletics.nova.edu>. The NSU Athletics Web site also provides cutting-edge multimedia features such as live audio broadcasts of select NSU athletic events and functions as well as live statistical information during select home games. A complete audio broadcast schedule, as well as archived broadcasts of past events, can be viewed on the NSU Athletics Web site through the following link: <http://nsuathletics.nova.edu/statistics/liveaudio.cfm>.

#### SHARK ALERT

The Sports Information Department also publishes *SHARK ALERT*, a free, weekly NSU Department of Athletics email newsletter that can be subscribed to on the official NSU Athletics Web site. *SHARK ALERT* provides NSU fans with interesting, informative and timely weekly headlines; player/coach features; game recaps; game previews; information on upcoming special events and promotions; and many other newsworthy items. *SHARK ALERT* also selects a "Player of the Week" to honor student-athletes whose performances have been pivotal to the success of their respective teams.

#### ESCORES

Fans also can receive up-to-date scores and information directly to their cell phones via text message, by email or both by signing up for eScores. eScores is a free one-of-a-kind fan messaging service, and fans can sign up by clicking the eScores link on the NSU Athletics Web site.

#### CREDENTIALS

Members of the working press, electronic media and other news agencies can request credentials to cover NSU athletic events by calling the NSU Sports Information Department at least 24 hours prior to game time. Accredited photographers and Electronic News Gathering (ENG) crews may shoot from designated areas at all events.

#### STATISTICS/MEDIA SERVICES

Media guides, programs, fact sheets and cumulative statistics will be furnished to the working media prior to game time. Complete statistical information will be available to the media at the conclusion of all NSU home athletic events. Telephones and a fax machine are available for use in the athletics offices. Please contact a member of the sports information staff to request use of this service.

#### INTERVIEWS

All one-on-one interviews with Nova Southeastern University players and coaches should be scheduled through the NSU Sports Information Department. Please provide at least 24 hours advance notice to allow interview arrangements to be made. Interviews at the conclusion of all home games will be held after a brief cooling-off period. Any requests for visiting team interviews should be made through the visiting team's sports information representative. If one is not present, the NSU sports information staff will assist with visiting team interview needs.

**COACHES**

Steve Wilcosky became interim head coach of the NSU women's volleyball program in March 2006.

Wilcosky joined the Sharks' coaching staff following one season as an assistant coach with Division I High Point University. While with the Panthers, Wilcosky helped the squad to a 17-18 overall record, 5-9 in the Big South Conference under head coach Chad Esposito.

Prior to his time with the High Point volleyball program, Wilcosky had a successful five-year stint as an assistant coach at Greensboro College.

While at Greensboro, the team captured a pair of USA South Conference Titles in 2000 and 2004. He also helped develop two conference Players of the Year, three Freshmen of the Year, 20 All-Conference performers and an Honorable Mention All-American. Wilcosky also helped the squad to an impressive 127-53 overall record during his four-year stay.

In addition to his work at the collegiate level, Wilcosky also served as the associate head coach with the North Carolina High Performance squad. The High Performance team is a pipeline for the USA Volleyball program at

# VOLLEYBALL MEDIA GUIDE

the regional level and features many of the top prep volleyball players in North Carolina.

Other coaching stops on Wilcosky's resume include nine years as the head coach for junior teams of the Piedmont Volleyball Club in the Junior Olympic Volleyball program. He also spent last season as the associate head coach of the Piedmont 16's who finished 27th at the National Tournament.

A 2000 graduate of Guilford College with a bachelor's degree in sports medicine, Wilcosky was a four-year letterwinner in football at his alma mater. He served as team captain for Guilford in 1999 and helped guide the squad to a conference championship in 1997. Wilcosky began his volleyball playing career as a two-time All-County performer at Miami (Fla.) Palmetto High School.

## Michelle PIANTADOSI

Assistant Coach ♦ First Season

Michelle Piantadosi was named the NSU volleyball assistant coach in June following a highly successful four-year playing career at the University of Tennessee, where she was a two-year captain.

During her time with the Vols, Piantadosi was a four-year starter and earned Honorable Mention All-American Honors after her senior season, while also being selected to the USA volleyball A2 team.

Following her career at Tennessee, Piantadosi extended her playing career by playing professionally in Salzburg, Austria. During her collegiate and professional careers, she held various coaching positions heading up a high school and two beginner level teams in Salzburg, as well as working three years at Tennessee Summer Volleyball Camps and two years at East Tennessee State University.

Piantadosi holds a bachelor of science degree in psychology from the University of Tennessee.

## **2006 SEASON OUTLOOK**

The 2006 edition of the Nova Southeastern University volleyball team will be more experienced and have great passion and drive according to first year head coach Steve Wilcosky.

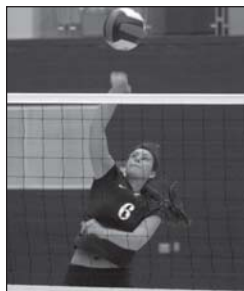

The Sharks were 6-19 overall in 2005 and 2-12 in Sunshine State Conference play. Wilcosky sees experience, passion and drive as a successful combination for the Sharks as five of the six starters from last season's squad return in 2006.

"I expect the leadership to carry over to this season. We will be defensively sound and a better ball control team this year. Our experience will place our players in situations to be successful. The team must realize their potential and have great team chemistry. As long as the consistency is there, we will win matches with our desire, passion and drive this season." Wilcosky said that there will be competition for every playing spot this season.

### **WHO'S BACK**

With senior Jenny Fitch sitting out the 2006 season with a medical red-shirt, senior captain Megan Johansen will have to shoulder the setting load.

"Johansen brings maturity and composure to the team, Wilcosky said. She will put people in the right place giving them the opportunity to be successful."

The Sharks are very experienced at outside hitter with both starters returning from 2005. Senior captain Karla Ortiz projects as the go-to player. "She will be counted on to carry the load," Wilcosky said. Ortiz played in 81 games last season and averaged 2.56 kills and 2.98 digs per game.

Sophomore Christina Chubb is a consistent player with a lot of firepower and intensity. Last season Chubb played in 85 games and averaged 2.35 kills and 1.20 digs per game.

In the middle sophomores Emily Carle and Melinda Gorman are projected for starting positions. Carle is great at running the slide and can score at will. In 72 games last season she averaged 1.46 kills and 1.10 digs. Gorman is an athletic player who can hit from anywhere and is a great passer. She averaged 2.07 kills and 1.19 digs in 74 games last season.

Sophomore Andrea Irazazabal will also see playing time on the right side this season. As an intense and aggressive player she will become a valuable blocker for the Sharks in 2006. In

# VOLLEYBALL MEDIA GUIDE

2005 Irarrazabal saw action in 74 games and averaged 1.89 kills and 0.40 blocks per game.

Senior Itza Miranda and sophomore Megan Nash will compete for playing time as the defensive specialist. Miranda will be a leader on the defensive side of the net who also brings a jump serve to the table on the offensive side. In 53 games last season she averaged 2.23 digs and 0.25 aces per game. Nash will provide depth on defense and will also be called on to serve in clutch situations. She averaged 1.19 digs in 36 games in action last year.

## WHO'S NEW

With five of the six starters returning, the newcomers will have to challenge the veterans for playing time. Despite being freshmen, four incoming players could have a large impact this season for the Sharks.

Freshman right-side hitter Alison Kalish has the passion and competitive nature to elevate the right side. "She has the ability to compete immediately for the right-side position and could see time as a defensive specialist," said Wilcosky.

Newcomer Jenerra McGruder has an athletic background which will enable her to compete for an outside position. "She will bring instant ball control to our club," said Wilcosky.

Kaitlyn McNeal will provide depth in the middle and right-side positions for the Sharks. According to Wilcosky, "McNeal has the potential to become a star for Nova Southeastern University."

NSU kicks off the 2006 season by hosting the First Annual Sharks Classic on August 25th and 26th. The tournament will feature 17 matches over the two days between nine NCAA Division II volleyball squads. Joining the Sharks are five top-10 NCAA DII teams as Minnesota State, Barry University, The University of Incarnate Word, Concordia College, Truman State, Fort Hays State, Florida Gulf Coast University and the University of Central Oklahoma round out the field.

## 2005 SEASON RECAP

The 2005 season was a rebuilding year for NSU, as the squad had a first year head coach and had four freshmen come in and play critical roles on the team. The team struggled through growing pains to finish with a 6-19 overall record, including 2-13 in Sunshine State Conference play.

NSU started by dropping their first two matches and then responded by splitting the next six matches on their schedule. A transition period followed with 10 consecutive losses, which included four losses to top 25 ranked teams in the nation.

The Sharks got back on the winning track with another win over Northwood University and then their first conference victory over Lynn University in five games. Four consecutive losses followed before the Sharks showed a glimpse of the future with a season ending conference victory over Florida Tech in five games.

Junior Karla Ortiz led NSU offensively with 207 kills followed closely behind by freshman Christina Chubb with 200. Ortiz averaged 2.56 kills per game while Chubb averaged 2.35.

Ortiz also led NSU with 129 digs. Junior Megan Johansen was second with 126 digs and 149 assists on the year. Junior Jenny Fitch led the team with 364 assists.

## SUNSHINE STATE CONFERENCE “CONFERENCE OF NATIONAL CHAMPIONS”

Mike Marcil  
Commissioner  
Sunshine State Conference

Currently one of the most competitive and respected conferences in NCAA Division II, the Sunshine State Conference (SSC) was founded in 1975. SSC schools captured two national championships in 2005–06 and have earned a total of 63 national championships overall.

The Sunshine State Conference has developed from a basketball organization into the NCAA Division II “Conference of National Champions.” Since its inception, the conference has grown steadily in sports played, membership and national prominence.

Sunshine State Conference teams have won NCAA Division II national championships in baseball, men’s basketball, men’s and women’s golf, men’s and women’s soccer, softball, men’s and women’s tennis and volleyball and receive national recognition in women’s basketball, women’s rowing and men’s and women’s cross country.

The SSC sponsors championships in 14 sports for men and women: baseball, men’s and women’s basketball, men’s and women’s cross country, men’s and women’s golf, men’s and women’s soccer, softball, men’s and women’s tennis, women’s rowing and volleyball.

SSC Commissioner Mike Marcil (L) with NSU Director of Athletics Michael Mominney (R).

Nova Southeastern University was officially granted membership status in the Sunshine State Conference in August 2002. Other SSC members—all in Florida—are Barry University (Miami Shores), Eckerd College (St. Petersburg), Florida Tech (Melbourne), Florida Southern College (Lakeland), Lynn University (Boca Raton), Rollins College (Winter Park), Saint Leo University (Saint Leo) and the University of Tampa (Tampa).

Numerous All-Americans, Academic All-Americans and future professional athletes have attended conference institutions. The SSC is respected for its academic foresight, setting standards that were later adopted by the NCAA.

## **NATIONAL COLLEGIATE ATHLETIC ASSOCIATION**

The National Collegiate Athletic Association (NCAA) is the organization through which the nation's colleges and universities speak and act on athletic matters at the national level. It is a voluntary association of approximately 1,200 institutions, conferences, organizations and individuals devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member colleges consider any athletics problem that crosses regional or conference lines and has become national in character. The association strives to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body. The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

The NCAA has grown dramatically in the past 50 years, with more than 600 new members since 1950.

### **NCAA DIVISION II**

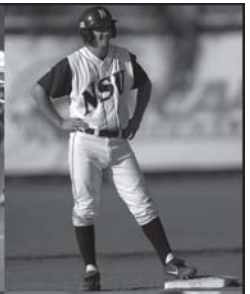

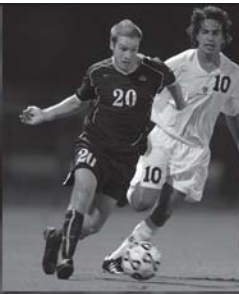

Division II institutions have to sponsor at least four sports for men and four for women, with two team sports for each gender and each playing season represented by each gender. There are contest and participant minimums for each sport, as well as scheduling criteria—football and men's and women's basketball teams must play at least 50 percent of their games against Division II or I-A or I-AA opponents.

For sports other than football and basketball, there are no scheduling requirements. There are no attendance requirements or arena game requirements for basketball. There are maximum financial aid awards for each sport that a Division II school must not exceed. Division II teams usually feature a number of local or in-state student-athletes. Many Division II student-athletes pay for school through a combination of scholarship money, grants, student loans and employment earnings. Division II athletics programs are financed in the institution's budget like academic departments on campus. Traditional rivalries with regional institutions dominate schedules of many Division II athletics programs.

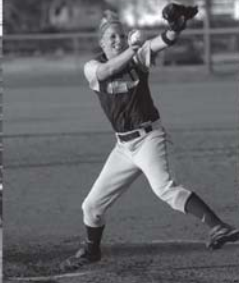

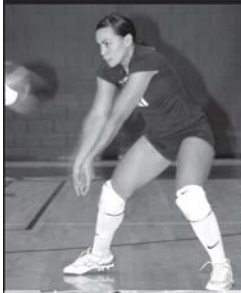

#### **NCAA COMPLIANCE TIP**

Did you know?

A student-athlete shall not receive any extra benefit? This refers to any special arrangement by an institutional employee or representative of the institution's athletics interests to provide the student-athlete or his or her relative or friends with a benefit not expressly authorized by the NCAA legislation.

# NSU DEPARTMENT OF ATHLETICS

## **NSU DEPARTMENT OF ATHLETICS MISSION STATEMENT**

Nova Southeastern University recognizes, values and supports intercollegiate athletics as an integral part of the educational mission of the university. Central to the program's mandate and in accord with the stated goals of the university, the NSU Department of Athletics commits itself to fostering leadership, lifelong learning and service to the community among its student-athletes.

The department is dedicated to sponsoring a competitive program of intercollegiate athletics for men and women. Valuing deeply the physical, social and emotional welfare of those who participate, the department and the university express this commitment through membership in the NCAA and the Sunshine State Conference, both of which exemplify the principles of amateur athletics. These include diversity, sportsmanship, fair play and equitable opportunity for all. Athletic department staff members will manifest these values in clearly discernible conduct.

The intercollegiate athletics program at Nova Southeastern University is committed to the recruitment, preparation and welfare of highly qualified and gifted men and women.

## NSU DEPARTMENT OF ATHLETICS DIRECTOR OF ATHLETICS

### MICHAEL MOMINEY

Michael Mominey was promoted to Director of Intercollegiate Athletics at Nova Southeastern University on July 1, 2003, after serving in the capacity of interim director since January 2, 2002. He has led the NSU Department of Athletics into a historic and defining era, as NSU began their first year of competition in NCAA Division II in 2002 and in the Sunshine State Conference in 2004. In addition to leading the athletic program in their transition into the NCAA, Mominey has added five intercollegiate programs during his tenure (women's rowing, women's tennis, men's cross country and men's and women's outdoor track) as the student-athlete population has increased from 160 in 2002 to over 240 projected this academic year. The departmental grade point average for all student-athletes since January of 2002 has consistently been above 3.00 for eight consecutive semesters, with the 2006 winter semester GPA reaching an all-time high of 3.20.

Mominey has been instrumental in the design, development, planning and programming phases for the University Center, which opened its doors in August 2006. The over 300,000 square-foot facility serves as a home for the intercollegiate athletic program, student recreation and wellness programs and performing arts program. The venue serves as the home to the men's and women's basketball and women's volleyball programs. Also included in the building are a sports medicine and rehab center, a weight room/fitness room, team specific locker rooms, a student-athlete lounge, student union, cafeteria and a performing arts theater with rehearsal rooms.

"We have been very fortunate to have had the success with our program at such early stages of our membership in the NCAA and the Sunshine State Conference. We have great support from our administration, which has allowed us to progress so quickly, always maintaining the ideals of developing the student-athlete," said Mominey. "I look forward to continuing to challenge our student-athletes, coaches and staff to be the best they can be, in hopes of building the traditions that serve as the foundation of a well respected and nationally recognized athletic program. This year will continue to be an exciting and history-making era for NSU and our athletic program."

Mominey is also a member of the Orange Bowl Committee (elected November 2004), and serves on various committees throughout the community and on campus, as well as on the Sunshine State Conference marketing and officials committees. Mominey is also the Division II representative on the NIKE Baseball Advisory Board.

With more than 12 years of experience in athletic administration in the professional, collegiate and scholastic ranks, Mominey served as the athletic director at Chaminade-Madonna College Preparatory in Hollywood, Florida from 1996–2000. He also served as the assistant director of athletics at St. Thomas University from 1992–1996.

Prior to relocating to South Florida, Mominey was the assistant to player development and scouting for the Cleveland Indians Baseball Club from 1990–1992 and worked as an associate scout for the Tribe from 1993–1996. While working in the front office of the major league club and was directly involved in the day to day operations of the scouting and player development departments under current Major League general managers John Hart (Texas Rangers) and Dan O'Dowd (Colorado Rockies).

Mominey is also the head coach of NSU's nationally ranked baseball program, where he originally was employed at NSU on August 1, 2000. In 2006, the NSU baseball team posted a program-best 33-19 NCAA mark, including a third-place finish in the Sunshine State Conference with a 14-10 record in league play.

Since joining the NCAA five years ago, the Sharks have averaged over 30 wins per season and have consistently been ranked in the top 25 nationally and as one of the best teams in the South Region.

Mominey graduated from St. Thomas University in 1994 with a master's degree in Sports Administration and from Bowling Green University (Ohio) in 1990 with a bachelor's degree in Education/Sport Management.

He resides in Davie, Florida with his wife Denise and children Tyler and Alexa.

Director of Athletics, Michael Mominey (C) presents Chris Reynolds (L) and Missy Guadagnino (R) with the 2005–06 NSU Female and Male Athlete of the Year awards.

## **NSU DEPARTMENT OF ATHLETICS FACULTY ATHLETIC REPRESENTATIVE**

**MARK CAVANAUGH, PH.D.**

Mark Cavanaugh is an associate professor in the Division of Social and Behavioral Sciences at NSU and has served as faculty athletic representative since 1989. He holds a bachelor's degree in literature from Iona College in New Rochelle, New York, as well as master's and doctoral degrees in Sociology and Social Psychology from the University of Notre Dame.

During NSU's membership in the NAIA, Cavanaugh served as eligibility chairperson for the Florida Sun Conference for 10 years, overseeing the academic eligibility of athletes from all member schools. Along with former Director of Athletics Corey Johnson, Cavanaugh initiated the process that resulted in NSU's affiliation with the NCAA.

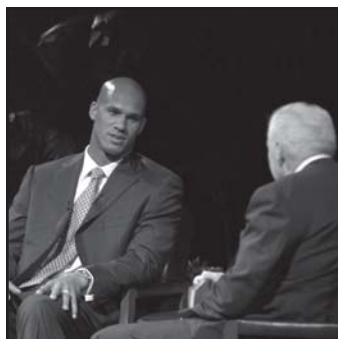

He is a past president of the Faculty Athletic Representatives' Association of the NAIA, where he also served as secretary. A former member of the National Association of Academic Advisers for Athletics (N4A), Cavanaugh chaired that organization's Committee on Student-Athlete Concerns for four years, beginning in 1993.

He has published and spoken widely on the personal development of collegiate student-athletes. His research areas include the study of consciousness, as well as human performance factors, especially as they relate to highly skilled activities such as athletics and music.

A musician himself, Cavanaugh is an arranger, conductor, pianist and composer, regularly writing for collegiate bands, choral groups and professional symphony orchestras. He has recently conducted and recorded with the Bohuslav Martinu Philharmonic Orchestra in the Czech Republic and is the composer and lyricist of the NSU school songs, which include the NSU Fight Song and University Anthem.

On campus, Cavanaugh is the host of the popular "Life 101" series, which brings noteworthy people to NSU for the purpose of sharing their insights and experiences with the university community. A popular master of ceremonies, he also hosts the annual Student Life Achievement Awards, at which the university recognizes campus-wide excellence and service.

Cavanaugh lives in Plantation, Florida.

NOVA SOUTHEASTERN UNIVERSITY

## NSU DEPARTMENT OF ATHLETICS ATHLETICS HISTORY

- 1980 To boost the limited undergraduate enrollment at its Davie Campus, the NSU president, Abe Fischler, and the Board of Trustees looked to try something new: build a sports program. Nova University had a graduate school enrollment of about 7,000 students, with nontraditional, field-based programs scattered in 22 states, offering limited graduate and undergraduate degree programs on campus.
- 1981 Charles "Sonny" Hansley is named director of athletics of the first-ever athletic department at Nova University.
- Fall 1982 Nova University finds a nickname. Mike Turpek, formerly the director of athletics at the University School, comes up with "Knights" and wins an ocean cruise. The contest to come up with the school's nickname was open to the general public. Eight people in the area submitted the name "Knights," but Turpek was chosen the winner after his name was pulled out of a hat.
- 1982-83 The first year of competition in the athletic department begins with men's basketball. Under head coach Sonny Hansley, basketball begins as an independent program, not affiliated with any conference.
- Fall 1984 Nova University becomes a member of the National Little College Athletic Association (NLCAA).
- 1984-85 Nova University adds men's soccer, women's volleyball and men's and women's cross country.
- Fall 1985 Nova University joins the National Association of Intercollegiate Athletics (NAIA). Undergraduate enrollment at this time is 222.
- Nov. 6, 1986 Nova University's men's soccer team beats Berry (Georgia) 1-0, capturing the 1986 District 25 Championship.
- Fall 1986 Dag Cohen (Fr., Borgholm, Sweden), a midfielder for Nova University's men's soccer team, is named an All-American by the National Soccer Coaches Association. Cohen is the first Nova athlete, in any sport, to be so honored.
- Fall 1987 Nova University adds baseball, women's tennis and men's golf as the undergraduate population increases to 1,000 students.
- May 7, 1988 Nova University's baseball team advances to the championship of the NAIA District 25 State Tournament, after defeating Flagler College 17-15 in the semifinals.
- Fall 1988 Nova University's volleyball team captures its third consecutive District 25 Volleyball Championship and finishes the year with an 18-6 record. Senior Margie Avila was named District 25 MVP. Also, Nova University hosts the NAIA 30th Annual National Soccer Championships. Men's soccer head coach Hal Henderson is inducted into the NAIA Hall of Fame for his meritorious service to the association.
- 1989 Mark Cavanaugh, Ph.D., is appointed as the faculty athletic representative for Nova Athletics.
- 1990-91 Nova University joins with seven other NAIA schools (Flagler College, Webber College, St. Thomas University, Embry-Riddle Aeronautical University, Palm Beach Atlantic College, Warner Southern College and Florida Memorial College) to form the FIAC (Florida Intercollegiate Athletic Conference). Nova has an undergraduate population of more than 3,200 students. Men's soccer wins its first-ever FIAC championship, earning a berth in the District 25 Tournament for the sixth straight year.
- 1992 FIAC is changed to the Florida Sun Conference (FSC). Nova University is now a member of District 7 and has a new president, Stephen Feldman, Ph.D.
- 1993 Nova adds softball as its fourth intercollegiate women's sport.
- 1994 Nova University and Southeastern University of the Health Sciences merge to form Nova Southeastern University. NSU has a new president, Ovid Lewis, Ph.D.
- 1995 The NSU Athletic Department begins exploring possible NCAA membership, behind newly-appointed director of athletics, Corey Johnson.
- 1998 Ray Ferrero, Jr., is named president of Nova Southeastern University.
- Jan. 2002 Michael Mominney is named interim director of athletics for NSU.

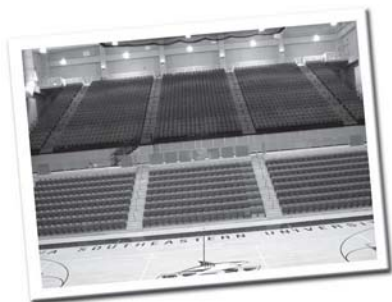

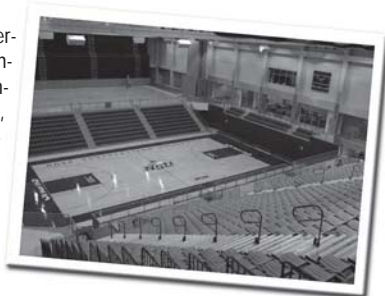

# VOLLEYBALL MEDIA GUIDE

- Aug. 2002 NSU is granted full membership in the NCAA Division II. NSU also begins provisional membership in the Sunshine State Conference (to last three seasons), joining eight other institutions (Barry University, Eckerd College, Florida Institute of Technology, Florida Southern College, Lynn University, Rollins College, Saint Leo University and the University of Tampa).
- May 2003 NSU baseball pitcher Kyle Ruwe becomes the athletic program's first NCAA All-American, as he is named to the ABCA/Rawlings All-American Second Team.
- July 2003 Michael Mominey is promoted to director of athletics at NSU and adds women's rowing, while reinstating men's cross country and women's tennis.
- April 21, 2004 Groundbreaking takes place for the state-of-the-art 366,000-square-foot University Center. Its 5,000-seat arena will be the home venue for the NSU men's and women's basketball teams and the women's volleyball team.
- May 2004 NSU's Jennifer Rembe of the women's rowing team becomes NSU's first female NCAA All-American, as the Collegiate Rowing Coaches Association names the 6 seat to the First Team.
- The NSU women's rowing team qualifies for the NCAA Division II Rowing Nationals in its first year of competition. The varsity 8+ boat defeats Barry University to capture the Petite Final and finish fourth in the final national rankings.
- Aug. 2004 NSU is approved for advancement in its third and final year of provisional membership by the SSC. NSU athletic teams are now eligible to compete for SSC championships and awards.
- Nov. 2004 NSU men's soccer player Adam Ludden becomes the first NSU athlete to be named as an SSC Player of the Year.
- Dec. 13, 2004 NSU men's soccer player Matthew Parry is named NCAA Second Team All-American by the National Soccer Coaches Association of America.
- Mar. 2005 NSU women's basketball head coach Marilyn Rule becomes the first NSU head coach to be named SSC Coach of the Year.
- April 2005 The NSU men's golf team captures the first SSC Championship in program history, with a 16-stroke victory at the SSC Men's Golf Championship.
- May 2005 The NSU women's rowing team becomes the first SSC school to finish as high as third in the nation, while competing in the 2005 NCAA Division II Nationals in Sacramento, Calif. NSU posted a second place finish by its varsity 8+ boat and a fourth place finish by its varsity 4+ boat to finish just one point behind defending national champion Mercyhurst.
- Women's rower Katrena Bonilla is named NCAA First Team All-American by the CRCA.
- NSU men's golfer Martin Styf is named SSC Freshman of the Year.
- June 2005 Pitcher Derek Antelo became the first NSU baseball player to be selected in the top-10 rounds of the Major League Baseball Draft. Antelo is chosen by the Pittsburgh Pirates in the 10th round of the June 2005 MLB Draft. After posting a perfect 11-0 season on the hill, Antelo was named the SSC Pitcher of the Year, South Region Pitcher of the Year and an NCAA First Team All-American by the ABCA.
- Nov. 2, 2005 NSU Athletics unveils Sharks as new nickname/mascot after a year-long search.
- Jan. 25, 2006 NSU women's basketball player Missy Guadagnino sets NCAA Free-Throw Records in 66-58 win at Florida Southern College. The senior point guard was 22-for-22 from the charity stripe. The 22 consecutive free throws broke a 20-year-old mark that was previously set by Valdosta State's Candace Fincher who netted 21 consecutive free throws on the exact same date, January 25, in 1986. The perfect 22-for-22 feat established the best free-throw percentage per attempts in a single game. The previous single-game free throw percentage mark was set by Karen Arnold of Millersville University, who was 19-for-19 on December 11, 1988.
- June 8, 2006 Pitcher Antony Bello was drafted by the Houston Astros in the 21st round. Also named to NCBW All-American Third Team.
- Aug. 25, 2006 NSU volleyball team christens the University Center with first-ever NSU Sharks Classic Volleyball Tournament. The event hosted nine DII teams and 17 matches on three courts during the two-day tournament.

## NSU DEPARTMENT OF ATHLETICS UNIVERSITY CENTER ARENA "THE SHARK TANK"

Nova Southeastern's newest construction project, the University Center, was completed in July of 2006. The revolutionary 300,000 square-foot, multi-use facility serves as a central hub for the NSU student community. The main arena, which seats 5,500, is the home for NSU's intercollegiate athletic program, and will host all of NSU's volleyball and men's and women's basketball home games. With one main game court, the arena also has two practice/game-ready courts on the upper level. The arena also has the state-of-the-art capabilities to host concerts, lectures, special events and more for NSU and the surrounding community.

The main arena features 5,500 seats, each with a seat back. The main court provides for over 1,200 permanent chair-back seats, while the upper level has over 4,000 seats. The upper level houses the world's largest automated telescopic seating system, which adds over 2,000 chair-back seats on either side when extended.

The main arena also features 66 cushioned club seats overlooking the court, just outside of the donor/booster room. Shark Club members and guest enjoy the comforts of a catered suite and a unique baseline view of the court.

## NSU DEPARTMENT OF ATHLETICS ATHLETICS FACILITIES

### NSU SOCCER COMPLEX

The NSU Soccer Complex consists of one practice field and one game field. The game field is home for both the men's and women's soccer teams. Both fields come equipped with lights that allow for night practices and games. The game field features state-of-the-art grandstand seating with capacity for 1,000 spectators. The stadium-style seating is the newest addition to the complex, which was built prior to the 2000 season. The U.S. Women's National Soccer Team and several MLS teams, including the Miami Fusion, have all used the NSU soccer complex as their training site. The Orange Bowl Committee has entered into an agreement to use the NSU Soccer Complex as the official training site for one of its participants, beginning with the 2003 FedEx Orange Bowl. Recently, the 2004 National Champion University of Southern California used NSU's Soccer Complex to prepare for the BCS National Championship game.

### NSU BASEBALL COMPLEX

The NSU Baseball Complex is considered by many to be one of the finest baseball facilities in South Florida. This fully-lit complex features an immaculate playing field with two outdoor batting cages. Prior to the 2001 season, NSU added a fully functional press box and grandstand seating that accommodates 500 people. The NSU Baseball Complex is the site of The Frontier Independent Baseball League's annual player combine and Major League Baseball pre-draft tryouts.

### A.D. GRIFFIN SPORTS COMPLEX

The A.D. Griffin Sports Complex is home to the NSU softball team. This complex features two practice fields and one game field. All fields are equipped with lights that allow for night practices and games. The main game field overlooks NSU's Health Professions Division Building. In 2003, NSU added grandstand seating to fit up to 250 spectators. Located in the middle of the three fields is the press box area. The A.D. Griffin Sports Complex was named in honor of A.D. Griffin, Sr.

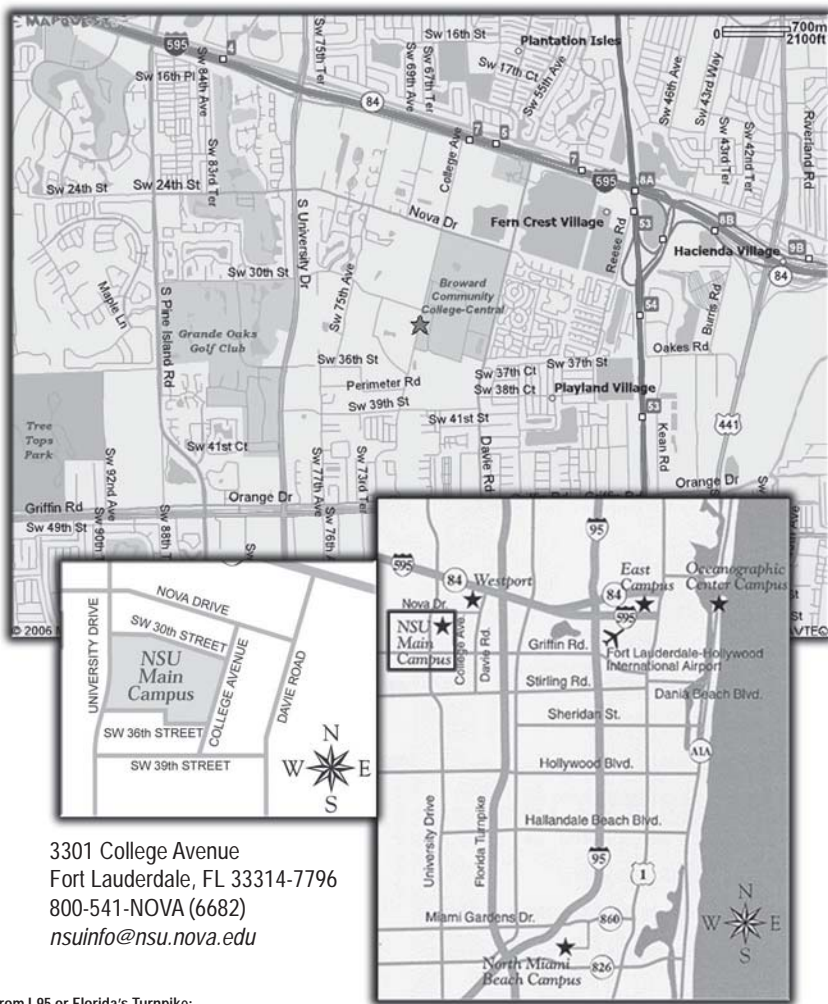

### MIAMI DOLPHINS TRAINING FACILITY

The Miami Dolphins Training Facility is located on the Nova Southeastern University main campus. Bow string trusses and a profile reminiscent of classic athletic facilities define this state-of-the-art training facility for the Miami Dolphins football team. It includes one of the largest weight rooms in the NFL, training rooms, locker rooms, a therapy swimming pool, a cold plunge pool, whirlpools, numerous administrative offices and a practice field. It also has a bleacher building that can accommodate 2,000 spectators. The 56,000-square-foot facility is frequently used as a prototype for other professional football teams.

All visitors parking at NSU's Main Campus need to do one of the following:

- ◆ Display a visitors parking permit (available at the One-Stop-Shop)
- ◆ Utilize the pay-for-parking spaces (parking garage by the library)
- ◆ Use timed spaces (1-2 hrs.) for short-term parking.

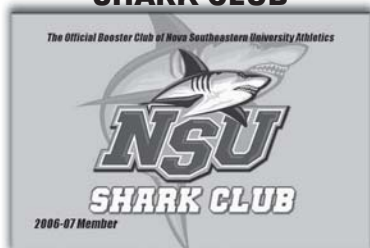

It is important that you park in visitor lots only. Campus maps are available online that show designated visitor parking spaces within each lot.

For maps, permits and directions, you may inquire at the One-Stop-Shop on the 1st floor of the Horvitz Administration Building, which is located off of College Avenue.

If you have an appointment with admissions, or are attending a special event on campus, you may have been issued an event-parking placard. Please follow the directions for displaying your placard, and park in your designated event area to avoid parking problems.

### Tax Information

Nova Southeastern University is a charitable organization and gifts made to it or its booster program is generally tax deductible by the donor in computing taxable net income. The Internal Revenue Service has ruled that the receipt of benefits raises a presumption that the payment is not a gift unless the value of the benefits is deducted from the amount of the gift. The booster program has estimated the fair market value of benefits distributed to its donors. Each donor should consult his/her own tax advisor concerning the deductibility of his/her contribution.

### Support the Sharks

**Attending our games:** Nothing does more for the pride and sense of accomplishment for our student-athletes than cheering fans. Creating a vibrant, supportive atmosphere at sporting events is vital to success in college athletics.

**Cash Gifts:** Money gifts support extras that benefit the University and the student-athletes.

**Gifts-in-kind:** Goods and services to Nova Southeastern in lieu of cash are highly beneficial.

**Matching Gifts:** Increase the value of your gift by enclosing your company's matching gift form.

## NSU DEPARTMENT OF ATHLETICS ATHLETIC TRAINING

### FARQUHAR COLLEGE OF ARTS AND SCIENCES DIVISION OF MATH, SCIENCE AND TECHNOLOGY

#### What is an ATC?

The Certified Athletic Trainer (ATC) is a highly educated and skilled professional who specializes in health care for those engaged in physical activity. Athletic trainers are vital to the prevention, treatment and rehabilitation of athletic injuries. The athletic trainer works closely with physicians, coaches and other medical and allied health personnel to help provide the highest quality of health care to athletes in clinics, high schools, colleges, universities and professional sports teams.

#### The Academic Program

Nova Southeastern University's Farquhar College of Arts and Sciences offers a compelling undergraduate curriculum in athletic training. The dedicated faculty and staff members become excellent role models for athletic training students, while providing athletic training service to an NCAA Division II athletics program. The athletic training curriculum balances class instruction and clinical experience, preparing students to meet all requirements for the Board of Certification examination, contingent on program accreditation. NSU incorporates the intimacy of a small college education with the resources of the largest private university in the Southeast. In this dynamic, state-of-the-art program, qualified students earning a bachelor of science degree in athletic training may continue into a professional degree program for physician assistants, occupational therapy or physical therapy.

#### Clinical Experience

Athletic training students will work closely with certified athletic trainers to gain clinical experience with Nova Southeastern University athletics, sports clinics, high schools and professional sports venues in South Florida. These hands-on clinical opportunities apply and refine skills learned in the classroom. Other medical professionals, such as physicians, physician assistants and physical therapists from Nova Southeastern University's Health Professions Division are also involved in this academic clinical experience.

#### Admission

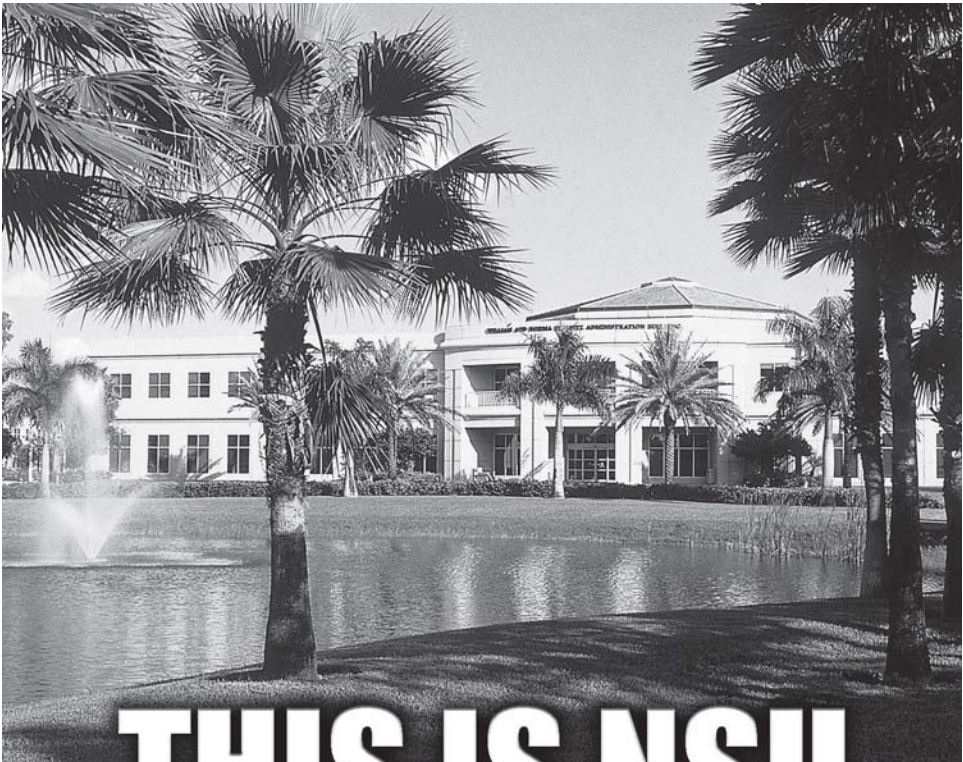

To enter the athletic training program, you must first be admitted to Nova Southeastern University in good standing and register for Introduction to Athletic Training (ATTR 1100) during the fall semester. This course will guide you through the application process and appropriate deadlines.

## **NOVA SOUTHEASTERN UNIVERSITY LETTER FROM THE PRESIDENT**

**RAY FERRERO, JR., J.D.**  
PRESIDENT, NOVA SOUTHEASTERN UNIVERSITY

The 2005–06 school year marked several milestones for Nova Southeastern University. The Department of Athletics had another extremely successful year on the fields, courts and water, while competing in its fourth year as a member of the NCAA. The NSU women's rowing team took part in the NCAA Division II Rowing Championships for the third time in program history, finishing third in the nation overall.

In fall 2006, the new 366,000-square-foot University Center opened its doors. This multiuse facility is at the center of NSU's 300-acre main campus and will serve as the home to our sports teams. The 5,500-seat convocation center/sports arena at the University Center is the second largest of its kind in Broward County and will allow us to host special events, concerts and lectures, as well as local, national and international conferences. It will redefine the university's relationship with its students, administration, faculty and staff members and the entire surround-

ing community.

The facility also serves as the new home to the university's student development and activities offices, career services, the student information center, card office, The Flight Deck Lounge, radio station and volunteer center. Its design incorporates a state-of-the-art health and fitness club, racquetball and squash courts, a gymnasium and a rock-climbing wall.

Our talented student-athletes balance NSU's rigorous academic demands with the vigorous environment of athletic training and competition. They embody the values of leadership, lifelong learning and service to the community. The University Center will provide the student-athletes with the training facilities and space to continue to enhance these values.

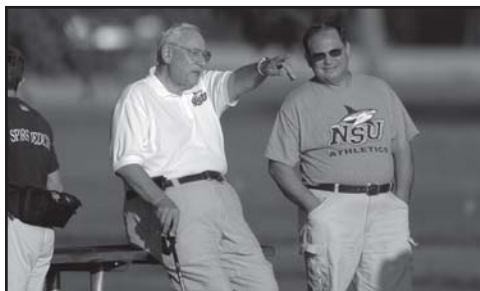

Since I began my tenure as president of Nova Southeastern University nine years ago, I have remained steadfast in my goal to continue to develop and refine quality education programs and prepare students for leadership positions and emerging challenges in the 21st century. Today, as the seventh largest independent, not-for-profit university in the United States, we are fulfilling that mission.

The student-athletes of Nova Southeastern University have shown great success in the classroom, as well. The women's golf team posted the highest GPA of all NSU teams for the 2005–06 school year with a 3.6, while women's cross country, women's basketball and men's golf finished with a combined 3.3 for the year. More than 80 student-athletes were named to the honor court, while 12 student-athletes were nominated for Academic All-American consideration. In addition, the overall grade point average for NSU student-athletes has been 3.0 or higher for the past six years.

Everyone associated with this university can take pride in the excellence we have achieved thus far, and look forward to an exciting future full of milestones. We will continue to seek and implement ways to better ourselves every day. And we will aim to surpass even our own high standards of excellence in academics, research, technology, athletics and community service.

Thank you for your ongoing support of Nova Southeastern University.

Sincerely,  
Ray Ferrero, Jr.

## **NOVA SOUTHEASTERN UNIVERSITY** **ADMINISTRATION**

**GEORGE L. HANBURY II, PH.D.**  
**EXECUTIVE VICE PRESIDENT FOR ADMINISTRATION**

On September 1, 1998, George L. Hanbury II became the executive vice president for administration of Nova Southeastern University. Prior to his appointment as executive vice president, he had a career in municipal administration totaling more than 30 years and was the chief executive officer (city manager) to Fort Lauderdale, Fla., Portsmouth, Va., and Virginia Beach, Va. In addition, he was an assistant city manager in the cities of Norfolk and Virginia Beach.

Hanbury received his Ph.D. in public administration from Florida Atlantic University. He also holds a master's degree in public administration from Old Dominion University and a bachelor of science degree in business administration with a major in public administration from Virginia Polytechnic Institute and State University (Virginia Tech).

He has been certified through the Senior Executive Institute at the University of Virginia and was inducted into Pi Alpha Alpha, the national honor society for the field of public affairs and public administration.

Dr. George Hanbury, surveys the action in the University Center at the first-ever NSU Sharks Classic Volleyball Tournament.

**FRANK DEPIANO, PH.D.**  
**VICE PRESIDENT FOR ACADEMIC AFFAIRS**

Frank DePiano received his Ph.D. from the University of South Carolina in 1980. During his 25-plus years of academic experience, DePiano has participated in a number of national leadership roles including serving on the American Psychological Association's Board of Educational Affairs' Executive Committee, president of the Society of Psychological Hypnosis and chair of numerous accreditation site visits and national education task forces. Scholarly contributions include the publication of a book, book chapters and articles in referred journals. He has served as the editor-in-chief of three referred journals and as an editorial review board member for several journals. Currently, he serves as a book review editor for Haworth Press.

While at Nova Southeastern University, DePiano has served as the initial dean of the Center for Psychological Studies, the chair of the University Council of Deans, an associate dean in the recently formed College of Dental Medicine and the initial chair of the Criminal Justice Institute. He also participated in the launching of the day division undergraduate program. In working with the undergraduate program, DePiano assisted in the development of NSU Athletics and served as one of the inaugural coaches.

DePiano is now involved in developing the Academic Review at Nova Southeastern University, a rigorous degree review procedure that is intended to assist academic programs in attaining preeminence within their academic fields.

## NOVA SOUTHEASTERN UNIVERSITY OVERVIEW

### 1960–1970

When the first class of 17 graduate students enrolled in Nova University of Advanced Technology on Monday, September 25, 1967, the campus in Davie, Florida, still looked more like the abandoned naval airfield it had once been than like the campus of what aspired to be “the MIT of the South.” Only the Rosenthal Building had been completed. The shell of the Parker Building was under construction. The rest of the campus was barren, acre after acre of weeds and sand relieved here and there by some of the original tarmac.

With only one permanent building ready for occupancy on the 300-acre campus, after the formalities of registration and orientation, faculty members and students went to Rolling Hills Country Club for lunch. They then met in groups, based upon their areas of specialization. Science education students went back to Rosenthal; physics and chemistry students went to the university's temporary laboratories in the 400 block of East Las Olas Boulevard; and oceanography students went to the houseboat laboratories at Southeast 15th Street.

In 1969, Nova University's 300-acre campus in Davie, Florida, looked more like the abandoned naval airfield it had once been.

Chartered by the state of Florida on December 4, 1964, Nova University boasted assets, contributions, and pledges of \$10 million by opening day in 1967. A total of \$125,000 had been raised and paid to the federal government as an installment on what became the university's 300-acre campus. James Farquhar, the university's first chairman of the board, donated 100 acres adjacent to the campus—a gift valued in excess of \$500,000. Mr. and Mrs. W.C. Mather and the Bailey Foundation donated a 100-acre parcel of land in Hollywood valued at \$400,000. Ten acres at Port Everglades for the oceanographic laboratory were deeded to the university by the Broward County Commission.

The university represented a great hope for higher education in South Florida: an institution that would keep the best and the brightest at home and attract the most promising faculty members and students from around the country to a great seat of learning in a rapidly developing region of the United States. By stressing the importance of science and technology, it would provide the kind of leadership that was needed to help bring the United States into a competitive position in the conquest of space, the new frontier of the 1960s. Nova University would be in a position to provide fresh approaches to the process of teaching, learning and doing research. Nova could also serve as a catalyst in developing and implementing educational models that could be applied first to its neighboring schools, then nationwide.

University officials knew that from the opening day, all eyes would be focused on the faculty, the students and the campus. More time, energy and money had probably been invested in the first 17 students than had been spent on any other students in the United States. They had been selected from 250 applicants from all over the country. They were all doctoral students and had been given free tuition, as well as stipends of up to \$5,000 for living expenses. On top of that, it took 68 staff members, 17 faculty members and an annual budget of \$1.7 million to run the university that year.

## 1970–1985

In 1970, Nova University was given candidate status and was later accredited (1971) by the Southern Association of Colleges and Schools (SACS). Students continued to enroll and faculty members taught and engaged in research.

The economic model upon which the university was established committed it to an ongoing need for outside funding, research grants and private donations. On June 23, 1970, the board of trustees voted to enter into a federation with the New York Institute of Technology. Alexander Schure, president of NYIT, became chancellor of Nova University. Abraham S. Fischler became president. The university charter was amended and “of Advanced Technology” was dropped from its corporate name.

During the 15 years of the federation, the whole concept of Nova’s student body, programs and campus changed. In addition to the students on the Davie campus, the university found student markets where it could, looking for ways to bring the campus to the student.

The university developed new programs and expanded beyond the limits of its campus and South Florida. Across the country, hundreds of adult, working professionals in school systems, government agencies and businesses were now able to earn advanced degrees without quitting their jobs and becoming full-time students. Few colleges and universities offered evening and weekend programs that fit their schedules. Nova had clearly found a market niche.

On campus, undergraduate evening programs began for adults, while the law school was opened in 1974. A host of master’s degree programs in business, psychology and education continued to be developed.

In 1976, the university received a \$16 million gift from the estate of Leo Goodwin Sr., and began extensive campus and program expansion. Shortly after this, NSU dissolved its relationship with NYIT and began to create a board of trustees filled by South Florida community leaders, putting the stewardship of Nova back in the hands of its own local board.

## 1985 to Present

The Nova University that emerged in 1985 was committed to incorporating new educational technologies, made possible by computers and telecommunications, into the teaching and learning process and into its delivery of education. A network of students online at their computers redefined what a classroom is. Communicating across time zones, linked to a professor who can be on campus or anywhere, students across the United States and even at international locations turn one-dimensional computer screens into fields for academic discussion.

In 1989, celebrating its 25th year, Nova University was enrolling more than 8,000 students and had nearly 25,000 graduates, with revenues of nearly \$70 million. Over the next five years, three new buildings were constructed and a campus-wide beautification campaign added landscaping that greatly changed the look of the campus.

In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University (NSU), adding the Colleges of Osteopathic Medicine, Pharmacy, Optometry and Allied Health to the university. The university continued its expansion of building projects and

added new academic, clinical and community service programs.

By 1999, at the 35th anniversary, the university was enjoying an era of sustained growth, facilitated by a healthy infusion of endowment funds and a nearly 1,000-student increase in enrollment between fall 1998 and fall 1999. NSU's enrollment had increased approximately 42 percent; full-time members of the faculty, staff and administration expanded to almost 2,600; and minority representation among faculty and staff members and students continued to expand.

Since 2000, NSU has undergone dramatic growth in facility and building construction. The William and Norma Horvitz Administration Building is a 62,000-square-foot structure that houses the office of the president and numerous other administration departments for the university. The Alvin Sherman Library, Research, and Information Technology Center was completed in 2001 and is the largest public library in the state of Florida. The Carl DeSantis Building houses the H. Wayne Huizenga School of Business and Entrepreneurship and opened its doors in 2004. This \$33-million building is a 261,000-square-foot, five-story facility, which is also home to the Graduate School of Computer and Information Sciences.

NSU is the largest independent institution of higher education in the Southeast and the seventh largest independent university nationally, with a fall 2004 enrollment of more than 25,000. It is the largest of the 67 independent institutions in Florida, with an operating budget of approximately \$355 million. To date, the institution has produced more than 79,000 alumni. Courses of study lead to associate's, bachelor's, master's, specialist and doctoral degrees. The university's programs are administered through academic centers that offer courses at the Fort Lauderdale campus, as well as at locations throughout Florida; across the nation; and at selected international sites in the Bahamas, Canada, the Dominican Republic, Greece, Jamaica, Mexico, Puerto Rico, the United Kingdom and Venezuela.
