MEDIA INFORMATION

OVERVIEW

The Sports Information Department provides a variety of services to the Department of Intercollegiate Athletics and the news media. Sports Information duties include keeping accurate statistical data of each athletic event and providing publications for each team such as media guides, game programs, schedule posters, schedule cards and press releases. The department has won numerous awards for its media guides in recent years.

In addition, the Sports Information Department organizes game-day operations and provides information to the local and national news media and to student-athletes' hometown newspapers. A member of the NSU sports information staff will be present at all home games and will travel with NSU teams for road contests.

ATHLETICS WEB SITE

The Sports Information Department maintains, creates and manages all editorial, statistical and biographical content for the official NSU Athletics Web site. The NSU Athletics Web site can be accessed on the Internet at <http://nsuathletics.nova.edu>. The NSU Athletics Web site also provides cutting-edge multimedia features such as live audio broadcasts of select NSU athletic events as well as live statistical information during select home games. A complete audio broadcast schedule, as well as archived broadcasts of past events, can be viewed on the NSU Athletics Web site through the following link: <http://nsuathletics.nova.edu/statistics/liveaudio.cfm>.

SHARK ALERT

The Sports Information Department also publishes **SHARK ALERT**, a free, weekly NSU Department of Athletics email newsletter that can be subscribed to on the official NSU Athletics Web site. **SHARK ALERT** provides NSU fans with interesting, informative and timely weekly headlines; player/coach features; game recaps; game previews; information on upcoming special events and promotions; and many other newsworthy items.

ESCORES

Fans also can receive up-to-date scores and information directly to their cell phones via text message, by email or both by signing up for eScores. eScores is a free one-of-a-kind fan messaging service, and fans can sign up by clicking the eScores link on the NSU Athletics Web site.

CREDENTIALS

Members of the working press, electronic media and other news agencies can request credentials to cover NSU athletic events by calling the NSU Sports Information Department at least 24 hours prior to game time. Accredited photographers and Electronic News Gathering (ENG) crews may shoot from designated areas at all events.

STATISTICS/MEDIA SERVICES

Media guides, programs, fact sheets and cumulative statistics will be furnished to the working media prior to game time. Complete statistical information will be available to the media at the conclusion of all NSU home athletic events. Telephones and a fax machine are available for use in the athletics offices and in the University Center Press Room. Please contact a member of the sports information staff to request use of this service.

INTERVIEWS

All one-on-one interviews with Nova Southeastern University student-athletes and coaches should be scheduled through the NSU Sports Information Department. Please provide at least 24 hours advance notice to allow interview arrangements to be made. Interviews at the conclusion of all home games will be held after a brief cooling-off period. Any requests for visiting team interviews should be made through the visiting team's sports information representative. If one is not present, the NSU sports information staff will assist with visiting team interview needs.

PRESIDENT & ADMINISTRATION

RAY FERRERO, JR., J.D.
PRESIDENT, NOVA SOUTHEASTERN UNIVERSITY

Mr. Ferrero has served as President/CEO of Nova Southeastern University since January 1, 1998. Prior thereto, he served as a member of the Board of Trustees from 1984 to 1988, as Chairman of the Board of Trustees from 1988 to 1995, and as Vice-Chairman from 1995 to 1997. He has also served as Chairman of the Finance Committee from 1995 to 1997.

Prior to joining the University as President, he was a practicing trial attorney from 1960 through 1997. He received a B.B.A. degree from St. John's University, and a J.D. degree from the University of Florida. He was President of The Florida Bar from 1987-1988, and the American Bar Association Florida State Delegate from 1989-1998. He is also a member of the Broward County Bar Association and Broward County Trial Lawyers Association.

In 1995, he was appointed by Governor of the State of Florida to serve as Chairman of the Committee of Inquiry – 15th Judicial Circuit Nominating Commission, to investigate alleged improprieties in the judicial nominating process, and is currently serving as a member of the Board of Governors of the Tower Club, National Conference for Community and Justice, Broward Workshop and Broward Alliance, and on the Board of Directors of the United Way. Mr. Ferrero has also lectured extensively through the United States to legal, business and civic groups.

GEORGE L. HANBURY II, PH.D.
EXECUTIVE VICE PRESIDENT FOR ADMINISTRATION

On September 1, 1998, George L. Hanbury II became the executive vice president for administration of Nova Southeastern University. Prior to his appointment as executive vice president, he had a career in municipal administration totaling more than 30 years and was the chief executive officer (city manager) to Fort Lauderdale, Fla., Portsmouth, Va., and Virginia Beach, Va. In addition, he was an assistant city manager in the cities of Norfolk and Virginia Beach.

Hanbury received his Ph.D. in public administration from Florida Atlantic University. He also holds a master's degree in public administration from Old Dominion University and a bachelor of science degree in business administration with a major in public administration from Virginia Polytechnic Institute and State University (Virginia Tech).

He has been certified through the Senior Executive Institute at the University of Virginia and was inducted into Pi Alpha Alpha, the national honor society for the field of public affairs and public administration.

FRANK DEPIANO, PH.D.
VICE PRESIDENT FOR ACADEMIC AFFAIRS

Frank DePiano received his Ph.D. from the University of South Carolina in 1980. During his 25-plus years of academic experience, DePiano has participated in a number of national leadership roles including serving on the American Psychological Association's Board of Educational Affairs' Executive Committee, president of the Society of Psychological Hypnosis and chair of numerous accreditation site visits and national education task forces. Scholarly contributions include the publication of a book, book chapters and articles in referred journals. He has served as the editor-in-chief of three referred journals and as an editorial review board member for several journals. Currently, he serves as a book review editor for Haworth Press.

While at Nova Southeastern University, DePiano has served as the initial dean of the Center for Psychological Studies, the chair of the University Council of Deans, an associate dean in the recently formed College of Dental Medicine and the initial chair of the Criminal Justice Institute. He also participated in the launching of the day division undergraduate program. In working with the undergraduate program, DePiano assisted in the development of NSU Athletics and served as one of the inaugural coaches.

DePiano is now involved in developing the Academic Review at Nova Southeastern University, a rigorous degree review procedure that is intended to assist academic programs in attaining preeminence within their academic fields.

NSU OVERVIEW & HISTORY

1960's

- Originally named Nova University of Advanced Technology, the university was chartered by the state of Florida in 1964 as a graduate institution in the physical and social sciences.
- The land occupied by the university was previously a naval training airfield during World War II named Forman Field. After World War II, the federal government had promised the Forman family, from whom the land was purchased, that the land would only be used for educational purposes. This led the land to be used for the creation of the South Florida Education Center of which Nova Southeastern University is now a part.
- First class of 17 graduate students enrolled on Monday, September 25, 1967 on the main campus in Davie, Fla. They had been selected from 250 applicants from all over the country. They were all doctoral students and had been given free tuition, as well as stipends of up to \$5,000 for living expenses. On top of that, it took 68 staff members, 17 faculty members and an annual budget of \$1.7 million to run the university that year.

1970's

- On June 23, 1970, the board of trustees voted to enter into a federation with the New York Institute of Technology. Alexander Schure, president of NYIT, became chancellor of Nova University. Abraham S. Fischler became president. The university charter was amended and "of Advanced Technology" was dropped from its corporate name.
- In 1971, Nova University was accredited by the Southern Association of Colleges and Schools (SACS).
- In 1972, the university introduced its first off-campus course of study, in education.
- The school was renamed Nova University in 1974.
- On campus, undergraduate evening programs began for adults, while the law school was opened in 1974.
- In 1976, the university received a \$16 million gift from the estate of Leo Goodwin Sr., and began extensive campus and program expansion. Shortly after this, NSU dissolved its relationship with NYIT and began to create a board of trustees filled by South Florida community leaders, putting the stewardship of Nova back in the hands of its own local board.

1980's

- The Nova University that emerged in 1985 was committed to incorporating new educational technologies, made possible by computers and telecommunications, into the teaching and learning process and into its delivery of education.
- In 1989, celebrating its 25th year, Nova University was enrolling more than 8,000 students and had nearly 25,000 graduates, with revenues of nearly \$70 million.
- Over the next five years, three new buildings were constructed and a campus-wide beautification campaign added landscaping that greatly changed the look of the campus.

1990's

- In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University (NSU), adding the Colleges of Osteopathic Medicine, Pharmacy, Optometry and Allied Health to the university. The university continued its expansion of building projects and added new academic, clinical and community service programs.
- By 1999, at the 35th anniversary, the university was enjoying an era of sustained growth, facilitated by a healthy infusion of endowment funds and a nearly 1,000-student increase in enrollment between fall 1998 and fall 1999.
- NSU's enrollment had increased approximately 42 percent; full-time members of the faculty, staff and administration expanded to almost 2,600; and minority representation among faculty and staff members and students continued to expand.

2000's

- The William and Norma Horvitz Administration Building is a 62,000-square-foot structure that houses the office of the president and numerous other administration departments for the university was constructed.
- The Alvin Sherman Library, Research, and Information Technology Center was completed in 2001 and is the largest public library facility in the state of Florida.
- The Carl DeSantis Building houses the H. Wayne Huizenga School of Business and Entrepreneurship and opened its doors in 2004. This \$33-million building is a 261,000-square-foot, five-story facility, which is also home to the Graduate School of Computer and Information Sciences.
- The state-of-the-art, 366,000-square-foot University Center, which opened on August 24, 2006, features three NCAA competition courts in the main arena, as well as two intramural courts, group fitness and instruction rooms, cardio and weight training areas, squash courts, a rock climbing wall, and The Flight Deck.
- In addition, five residence halls on the main campus serve undergraduate, graduate, health professions, and law students, with a capacity for housing up to 720 students in approximately 207,000 square feet of living space. The Commons, a new, 522-bed residence hall, is set to open for the Fall 2007 semester.

Key Facts

- Nova Southeastern University's field-based programs are located in 32 other Florida cities, 21 other U.S. states and several international sites.
- NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced approximately 90,000 alumni.
- NSU is the largest independent institution of higher education in the Southeast and the seventh largest independent university nationally, with a fall 2004 enrollment of more than 25,000. It is the largest of the 67 independent institutions in Florida, with an operating budget of approximately \$355 million. To date, the institution has produced more than 79,000 alumni. Courses of study lead to associate's, bachelor's, master's, specialist and doctoral degrees. The university's programs are administered through academic centers that offer courses at the Fort Lauderdale campus, as well as at locations throughout Florida; across the nation; and at selected international sites in the Bahamas, Canada, the Dominican Republic, Greece, Jamaica, Mexico, Puerto Rico, the United Kingdom and Venezuela.

Steve WILCOSKY

Head Coach

Third Season

WILCOSKY

Steve Wilcosky led the volleyball team to unprecedented heights in his second year at the helm for Nova Southeastern University. In 2007, Wilcosky guided the Sharks to a 15-win improvement over the previous year, a second-place finish in the ultra-competitive Sunshine State Conference, and the program's first berth and win in the NCAA Division II South Region Tournament. The Sharks also set multiple program records in 2007, including most wins in a season since joining the NCAA Division II, fewest losses, best win/loss percentage, longest winning streak, longest sets winning streak, most consecutive sweeps, highest ranked team ever beaten, and received votes in the national poll for the first time in program history. The team also set statistical program records for most kills, assists, hitting percentage, aces, digs, and blocks in 2007.

For his accomplishments in 2007, Wilcosky was honored as the Sunshine State Conference Coach-of-the-Year.

In 2006, under the direction of Wilcosky, the Sharks notched 11 victories which eclipsed the win total of the previous two seasons combined. During the season, NSU also fashioned an impressive four-match sweep on the road in the C.W. Post Tournament in early September.

OVERALL CAREER RECORD:

36-30

Wilcosky joined the Sharks' coaching staff following one season with Division I High Point University.

Prior to his time with the High Point volleyball program, Wilcosky had a successful five-year stint as an assistant coach at Greensboro College. While at Greensboro, the team captured a pair of USA South Conference Titles in 2000 and 2004. He also helped develop two conference Players-of-the-Year, three Freshman of the Year, 20 All-Conference performers and an Honorable Mention All-American.

In addition to his work at the collegiate level, Wilcosky has worked with several club teams. He coached the 2008 Team Florida High Performance youth team that took third at the High Performance Championships in Tuscon, Ariz. Wilcosky served as the head coach of Team Florida Select Red, which finished 7th out of 35 teams in the High Performance Championships in 2007. He also acted as a USA Volleyball Developmental Coach in the off-season. He also serves as head coach of the 16-Elite Boomer's volleyball club, which is a local club program in Broward County.

Wilcosky previously has served as a head coach with the North Carolina High Performance squad. The High Performance team is a pipeline for the USA Volleyball program at the regional level and features many of the top prep volleyball players in North Carolina.

Other coaching stops on Wilcosky's resume include nine years as the head coach for junior teams of the Piedmont Volleyball Club in the Junior Olympic Volleyball program. He also spent that season as the associate head coach of the Piedmont 16's who finished 27th at the National Tournament.

A 2000 graduate of Guilford College with a bachelor's degree in sports medicine, Wilcosky was a four-year letterwinner in football at his alma mater. He served as team captain for Guilford in 1999 and helped lead the squad to a conference championship in 1997. Wilcosky began his volleyball playing career as a two-time All-County performer at Miami (Fla.) Palmetto High School.

Michelle PIANTADOSI
Assistant Coach
Third Season

PIANTADOSI

Michelle Piantadosi is entering her third year as an assistant coach for the Nova Southeastern University volleyball program. Piantadosi is responsible for recruiting and developing the outside and middle hitters.

Piantadosi helped the Sharks reach unprecedented heights in her second year at NSU. In 2007, the Sharks had a 15-win improvement over the previous year, a second place finish in the ultra-competitive Sunshine State Conference, and the program's first berth and win in the NCAA Division II South Region Tournament.

In her first season in 2006, the Sharks notched 11 victories, which eclipsed the win total of the previous two seasons combined. During the season, NSU also fashioned an impressive four-match sweep on the road in the C.W. Post Tournament in early September.

Piantadosi came to NSU following a highly successful four year career at the University of Tennessee where she was a two-year captain. During her time with the Vols, Piantadosi was a four-year starter and earned Honorable Mention All-American Honors after her senior season, while also being selected to the USA volleyball A2 team.

Following her career at Tennessee, Piantadosi extended her playing career by playing professionally in Salzburg, Austria and San Juan, Puerto Rico.

During her collegiate and professional careers, she held various coaching positions such as heading up a high school and two beginner level teams in Salzburg as well as working three years at Tennessee Summer Volleyball Camps and two years at East Tennessee State University.

Additionally, Piantadosi has coached the U-18 Elite Boomers volleyball club, a local club program in Broward County.

She holds a bachelor of science degree in psychology from the University of Tennessee.

When head coach Steve Wilcosky took over the helm of the Nova Southeastern University volleyball program prior to the 2006 campaign, he inherited a team that had yet to claim a postseason match or advance to the NCAA tournament. The beginning of his rebuilding effort focused on changing the mentality of his players and bringing in the right mix of student-athletes who could help the Sharks ascend to unattained levels of success.

A 16-match turnaround, NCAA South Regional appearance and a second-place finish in the Sunshine State Conference are evidence of Wilcosky's vision in "Charting a Winning Course" for Nova Southeastern Volleyball.

Now the reigning Sunshine State Conference Coach-of-the-Year, Wilcosky and his assistant coach Michelle Piantadosi have their sights set on guiding their team toward another step in the program's development; further advancement in the NCAA tournament. Bolstered by the return of 10 letterwinners, including five starters and a libero, Nova Southeastern appears to have the talent in place to continue its upward progression. Adding a cache of three talented newcomers should point the Sharks toward achieving their second NCAA trip in a row this fall.

Last season, NSU climbed from all the way from eighth in the Sunshine State Conference pre-season poll to a tie for second place in the final standings. Records continued to fall by the wayside, as the team set new records for most wins, best won-loss percentage, most consecutive wins, longest home winning streak, longest games winning streak, and most consecutive sweeps. The team also set statistical records for most kills, most attacks, hitting percentage, assists, aces, digs and total blocks. With two All-Conference and All-South Region performers returning, optimism is running high in Shark Country.

Setters

Senior setter Valia Petrova, an Honorable Mention All-SSC performer, returns for her senior season. Coming off a season in which she shattered program records in assists, assists per game, and service aces, the setting position should be one of the Sharks strengths in 2008.

Outside Hitters

With all of the outside hitters returning from a year ago, the position looks to be another one of the Sharks strengths this season. Senior Melinda Gorman will anchor the outside position. Gorman, a Second-Team All-SSC member in 2007, set new program records with 166 total and 132 block assists while leading the team with 446 kills and a .282 attack percentage. Jenerra McGruder and Paola Ruiz will challenge for playing time while Anabely Escarpita will look to break into the lineup.

Middle Blockers

Senior Emily Carle will shoulder the load in the middle for NSU. Carle is coming off a season in which she tallied 324 kills and 99 total blocks. 6-3 freshman Molly Sigerich has the potential to start right away as a middle blocker and could also add depth to the right side. Gorman will also see playing time as needed in the middle.

Right Side/Opposites

Senior Christina Chubb will move from outside hitter to the right side this season. Chubb was third on the team with 331 kills and was second on the team with 45 aces a year ago. Andrea Irrarazabal (Pembroke Pines, Fla.) returns for her final season in a NSU uniform in 2008. Irrarazabal, who had a stretch with three consecutive games with double-figure kill totals late in the 2007 season, provides great flexibility on the court with her balanced attack. Alison Kalish could also see playing time as an opposite in addition to defensive specialist duties.

Liberos

Sophomore Kathleen Yony has earned the starting libero role after proving herself as a freshman a year ago. Yony, who posted a team high 2.99 digs per set in 2007, has earned the title of defensive specialist and will be relied on for service receive and important digs. Kalish, who served as a defensive specialist in 2007, could also see playing time as a libero.

The Schedule

The Sharks begin their season by hosting the Third Annual Sharks Classic on Aug. 29 and 30, a tournament featuring 18 matches over two days between eight Division II volleyball teams. NSU will open the season against Alderson-Broadus College on Friday, Aug. 29 at 3pm in the University Center Arena. NSU will also play 2007 NCAA Tournament elite eight participant Dowling College (39-8), #12 nationally ranked Southwest Minnesota State (26-8), and University of Puerto Rico-Rio Piedras.

In the next two weeks, the Sharks will hit the road to participate in tournaments, starting with the Lewis University Tournament in Romeoville, Ill. on Sept. 5 and 6. In Romeoville, NSU will square off against host Lewis University (32-4), University of Indianapolis (33-4), University of Wisconsin-Parkside (14-13) and Northern Michigan University (20-12).

The Sharks will then travel to Searcy, Ark. to compete in the Harding University Tournament on Sept. 12 and 13. In Searcy, NSU will face off against Ouachita Baptist University (14-23), Harding University (25-9), University of Arkansas-Monticello (11-21), and Henderson State University (22-10).

After returning from Arkansas, the Sharks begin their 2008 Sunshine State Conference schedule, hosting NCAA Division II South Regional Champion University of Tampa on Friday, Sept. 26 at 7pm. The conference portion of the schedule is highlighted by ten matches against

five NCAA Tournament participants, including Tampa (31-1), Florida Southern College (26-9), Eckerd College (23-11), Saint Leo University (24-14), and Lynn University (22-12).

SEASON REVIEW

Under 2007 Sunshine State Conference Coach-of-the-Year Steve Wilcosky, the Nova Southeastern University volleyball team reached unprecedented heights. The Sharks (26-10, 11-5 SSC) had a 15 game improvement over the previous year, finished in second place in the ultra-competitive SSC, and received the program's first berth and win in the NCAA Division II South Region Tournament.

The Sharks also set multiple program records in 2007, including most wins in a season since joining the NCAA Division II, fewest losses, best won/loss percentage, longest winning streak, longest games winning streak, most consecutive sweeps, highest ranked team ever beaten, and received votes in the national poll for the first time in program history.

The team also set statistical program records for most kills, assists, hitting percentage, aces, digs, and blocks in 2007.

The Sharks were led by junior setter Valia Petrova, as she set new program records with 1474 assists and 10.84 assists per game. Petrova added 159 kills, a team high 392 digs and 66 blocks. Junior middle blocker Melinda Gorman established a program record with 124 block assists while posting a team-high 422 kills and .288 attack percentage. For their efforts, Gorman was named Second-Team All-SSC while Petrova was honored as All-SSC Honorable Mention. Gorman and Petrova were also named as AVCA Honorable Mention All-South Region performers. In addition, Aley Tallman earned NCAA South Region All-Tournament honors.

2007 was the final campaign for seniors Jenny Fitch and Jessica Donisi.

Fitch played in 30 matches, tallying 87 assists, 18 aces, and 166 digs.

"Jenny has been a pleasure to have on the team. She has helped the team greatly by having the ability to come in clutch situations to win crucial games at crucial times this year," Wilcosky said.

Donisi played in one match, registering two service receptions and one dig.

"She exemplifies what a completely giving person is, does whatever the program needs, and has a great outlook on life that has spread throughout the team. She has brought maturity and a great work ethic everyday to contribute to the record breaking success of the NSU volleyball team this season," commented Wilcosky.

SUNSHINE STATE CONFERENCE INFORMATION

Mike Marcil
Commissioner
Sunshine State Conference

Currently one the most competitive and respected conferences in NCAA Division II, the Sunshine State Conference (SSC) was founded in 1975. SSC schools captured five national championships in 2006-07 and have earned a total of 67 national championships overall.

The Sunshine State Conference has developed from a basketball organization into the NCAA Division II "Conference of National Champions." Since its inception, the conference has grown steadily in sports played, membership and national prominence.

Sunshine State Conference teams have won NCAA Division II national championships in baseball, men's basketball, men's and women's golf, men's and women's soccer, softball, men's and women's tennis and volleyball and receive national recognition in women's basketball, women's rowing and men's and women's cross country.

The SSC sponsors championships in 14 sports for men and women: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's tennis, women's rowing and volleyball.

Nova Southeastern University was officially granted membership status in the Sunshine State Conference in August 2002. Other SSC members—all in Florida—are Barry University (Miami Shores), Eckerd College (St. Petersburg), Florida Tech (Melbourne), Florida Southern College (Lakeland), Lynn University (Boca Raton), Rollins College (Winter Park), Saint Leo University (Saint Leo) and the University of Tampa (Tampa).

Numerous All-Americans, Academic All-Americans and future professional athletes have attended conference institu-

tions. The SSC is respected for its academic foresight, setting standards that were later adopted by the NCAA.

NCAA DIVISION II INFORMATION

The National Collegiate Athletic Association (NCAA) is the organization through which the nation's colleges and universities speak and act on athletic matters at the national level. It is a voluntary association of approximately 1,200 institutions, conferences, organizations and individuals devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member colleges consider any athletics problem that crosses regional or conference lines and has become national in character. The association strives to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body. The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

The NCAA has grown dramatically in the past 50 years, with more than 600 new members since 1950.

NCAA DIVISION II

Division II institutions have to sponsor at least four sports for men and four for women, with two team sports for each gender and each playing season represented by each gender. There are contest and participant minimums for each sport, as well as scheduling criteria—football and men's and women's basketball teams must play at least 50 percent of their games against Division II or I-A or I-AA opponents.

For sports other than football and basketball, there are no scheduling requirements. There are no attendance requirements or arena game requirements for basketball. There are maximum financial aid awards for each sport that a Division II school must not exceed. Division II teams usually feature a number of local or in-state student-athletes. Many Division II student-athletes pay for school through a combination of scholarship money, grants, student loans and employment earnings. Division II athletics programs are financed in the institution's budget like academic departments on campus. Traditional rivalries with regional institutions dominate schedules of many Division II athletics programs.

Division II

NSU DEPARTMENT OF ATHLETICS

Michael Mominey
Director of Athletics/
Head Baseball Coach

Michael Mominey was named Director of Intercollegiate Athletics at Nova Southeastern University on January 2, 2002. He has led the NSU Department of Athletics into a historic and defining era, as NSU began their first year of competition in NCAA Division II in 2002 and in the Sunshine State Conference in 2004. In addition to leading the athletic program in their transition into the NCAA, Mominey has added five intercollegiate programs during his tenure (women's rowing, women's tennis, men's cross country and men's and women's outdoor track) as the student-athlete population has increased from 160 in 2002 to over 265 projected this academic year. The departmental grade point average for all NSU student-athletes has been above 3.00 for the last six consecutive years, including a cumulative student-athlete GPA of 3.10 for the 2007-08 school-year.

Last year (20-07-08), was a banner season for NSU Athletics, both on and off the fields of play. The Sharks captured the Sunshine State Conference Mayor's Cup Trophy on the women's side by winning championships in women's basketball, women's golf and women's rowing. NSU produced five SSC Players of the Year, two Freshmen of the Year, and three Coach of the Year honorees along with one NCAA National Player of the Year. In addition, nine NSU student-athletes were chosen as NCAA All-Americans while five were named Academic All-Americans. NSU also had 41 inaugural recipients of the DII Athletic Directors Association Academic Achievement Awards and five recipients of the 2008 Arthur Ashe Jr. Sports Scholars award for their individual sports. The Sharks men's and women's Cross Country, women's soccer and women's tennis squads were each named Academic All-American Teams. Three NSU teams finished their seasons ranked in the Top-10 nationally.

Mominey was highly instrumental in the design, development, planning and programming phases for the University Center, which opened its doors in August 2006. The over 300,000 square-foot facility serves as a home for the intercollegiate athletic program, student recreation and wellness programs and performing arts program. The venue serves as the home to the men's and women's basketball and women's volleyball programs. Also included in the building are a sports medicine and rehab center, a weight room/fitness room, team specific locker rooms, a student-athlete lounge, student union, cafeteria and a performing arts theater with rehearsal rooms. "We have been very fortunate to have had the success with our program at such early stages of our membership in the NCAA and the Sunshine State Conference. We have great support from our administration, which has allowed us to progress so quickly, always maintaining the ideals of developing the student-athlete" said Mominey. "I look forward to continuing to challenge our student-athletes, coaches and staff to be the best they can be, in hopes of building the traditions that serve as the foundation of a well respected and nationally recognized athletic program."

Mominey is a member of the Orange Bowl Committee (elected November 2004), and serves on various committees throughout the community and on campus, as well as on several committees in the Sunshine State Conference. Mominey is also the Division II representative on the NIKE Baseball Advisory Board. With more than 17 years of experience in athletic administration in the professional, collegiate and scholastic ranks, Mominey served as the Director of Athletics and Head Baseball Coach at Chaminade-Madonna College Preparatory in Hollywood, Florida from 1996-2000. The college prep program was recognized as one of the most successful high school programs in the state of Florida. Mominey began his collegiate administrative experience while pursuing his Masters degree at St. Thomas University from 1992-1996. He served in multiple capacities including assistant athletic director, sports information director and director of intramurals and recreation.

Prior to relocating to South Florida, Mominey was the assistant to player development and scouting for the Cleveland Indians Baseball Club from 1990-1992 and worked as an associate scout for the Tribe from 1993-1996. While working in the front office of the major league club and was directly involved in the day to day operations of the scouting and player development departments under former Major League general manager John Hart (Cleveland Indians & Texas Rangers) and current GM Dan O'Dowd (Colorado Rockies).

Mominey is also the head coach of NSU's nationally ranked baseball program, where he originally was employed at NSU on August 1, 2000. Since joining the NCAA six years ago, the Sharks have averaged over 30 wins per season and have consistently been ranked in the top 10 in the South Region and the top 25 nationally.

Mominey graduated from St. Thomas University in 1994 with a master's degree in Sports Administration and from Bowling Green University (Ohio) in 1990 with a bachelor's degree in Education/Sport Management.

He resides in Davie, Florida with his wife Denise and children Tyler and Alexa.

Director of Athletics, Michael Mominey (C) along with 2007-08 NSU Female Athlete of the Year Stephanie Sarosi (L) and 2007-08 NSU Male Athlete of the Year Romain Onteniente (R).

Mark Cavanaugh PhD
Faculty Athletic Representative

Mark Cavanaugh is an associate professor in the Division of Social and Behavioral Sciences at NSU and has served as faculty athletic representative since 1989. He holds a bachelor's degree in literature from Iona College in New Rochelle, New York, as well as master's and doctoral degrees in Sociology and Social Psychology from the University of Notre Dame.

During NSU's membership in the NAIA, Cavanaugh served as eligibility chairperson for the Florida Sun Conference for 10 years, overseeing the academic eligibility of athletes from all member schools. Along with former Director of Athletics Corey Johnson, Cavanaugh initiated the process that resulted in NSU's affiliation with the NCAA.

He is a past president of the Faculty Athletic Representatives' Association of the NAIA, where he also served as secretary. A former member of the National Association of Academic Advisers for Athletics (N4A), Cavanaugh chaired that organization's Committee on Student-Athlete Concerns for four years, beginning in 1993.

He has published and spoken widely on the personal development of collegiate student-athletes. His research areas include the study of consciousness, as well as human performance factors, especially as they relate to highly skilled activities such as athletics and music.

A musician himself, Cavanaugh is an arranger, conductor, pianist and composer, regularly writing for collegiate bands, choral groups and professional symphony orchestras.

He has recently conducted and recorded with the Bohuslav Martinu Philharmonic Orchestra in the Czech Republic and is the composer and lyricist of the NSU school songs, which include the NSU Fight Song and University Anthem.

On campus, Cavanaugh is the host of the popular "Life 101" series, which brings noteworthy people to NSU for the purpose of sharing their insights and experiences with the university community. A popular master of ceremonies, he also hosts the annual Student Life Achievement Awards, at which the university recognizes campus-wide excellence and service. Cavanaugh lives in Plantation, Florida.

LIFE 101...PERSONALLY SPEAKING

Dwayne "The Rock" Johnson with Professor and Faculty Athletic Representative, Dr. Mark Cavanaugh during the "Life 101" lecture series

The overall goal of "Life 101" is to bring leaders from business, entertainment, politics and athletics to our campus. By meeting these guest speakers, the NSU community is educated and inspired by their life accomplishments and "life lessons" learned along the way. The interactive, 60-minute interview program is hosted by a faculty member and allows students and the University community to ask questions directly to the guest at the end of the program.

Past "Life 101...Personally Speaking," Lecture Series Guests:

- Vince Papale
- Dwayne "The Rock" Johnson
- Jason Taylor
- Vanessa Williams
- H. Wayne Huizenga
- Dan Abrams
- Max Weinberg
- Michael Phelps
- James Earl Jones
- Mo Rocca

MISSION STATEMENT

Nova Southeastern University recognizes, values and supports intercollegiate athletics as an integral part of the educational mission of the university. Central to the program's mandate and in accord with the stated goals of the university, the NSU Department of Athletics commits itself to fostering leadership, lifelong learning and service to the community among its student-athletes.

The department is dedicated to sponsoring a competitive program of intercollegiate athletics for men and women. Valuing deeply the physical, social and emotional welfare of those who participate, the department and the university express this commitment through membership in the NCAA and the Sunshine State Conference, both of which exemplify the principles of amateur athletics. These include diversity, sportsmanship, fair play and equitable opportunity for all. Athletic department staff members will manifest these values in clearly discernible conduct.

The intercollegiate athletics program at Nova Southeastern University is committed to the recruitment, preparation and welfare of highly qualified and gifted men and women.

NSU ATHLETICS HISTORY

1980 -

- To boost the limited undergraduate enrollment at its Davie Campus, Nova president, Abraham S. Fischler, and the Board of Trustees looked to try something new: build a sports program. Nova University had a graduate school enrollment of about 7,000 students, with nontraditional, field-based programs scattered in 22 states, offering limited graduate and undergraduate degree programs on campus.

1982 -

- Charles "Sonny" Hansley is named director of athletics for the first-ever athletic department at Nova University. The first program to field a team was men's basketball, which began competition during the 1982-83 school-year. Hansley served as the head coach for the Nova University men's basketball team, which played as an independent program, not affiliated with a conference.
- Nova University finds an athletics nickname. A contest, which was open to the general public, was held to come up with a nickname for the new athletic program at Nova University. The nickname "Knights" was chosen, after being deemed the most popular submission by contest participants.

1983 -

- The Nova's men's basketball team goes 11-12 in their second season, still competing as an independent program.

1984 -

- Nova University adds men's soccer, women's volleyball and men's and women's cross country, Nova University becomes a member of the National Little College Athletic Association (NLCAA)

1985 -

- Nova University joins the National Association of Intercollegiate Athletics (NAIA). Undergraduate enrollment at this time is 222.
- The Nova University women's volleyball team finishes 9-4, and wins District 25 Championship.

1986 -

- Dag Cohen, a midfielder for Nova University's men's soccer team, is named a First Team All-American by the National Soccer Coaches Association. Cohen is the first Nova athlete, in any sport, to be so honored, as he helped the men's soccer team to a 13-5-0 record and NAIA District 7 Championship.
- The Nova University women's volleyball team repeats as District 25 Champions with a 16-12 season.

1987 -

- Nova University adds baseball, women's tennis and men's golf, offering three women's and five men's athletic teams.
- With a record of 19-7, the Nova University women's volleyball team wins their third straight District 25 Championship.
- Men's soccer player Jonas Westher is named an NAIA Second Team All-American and NSCAA Honorable Mention All-American, as the Knights finish 9-8-2 and qualify for the District 25 Tournament.

1988 -

- Men's soccer player Richard Carlsson is an NAIA Third Team All-American and NSCAA Honorable Mention All-American, as the Nova University men's soccer team again finishes 13-5-0 and makes its first NAIA National Tournament appearance.
- The women's volleyball team wins their fourth District 25 Championship with a 17-8 mark.

1989 -

- The women's volleyball team records their fifth consecutive District 25 Championship.

1990 -

- Nova University joins with seven other NAIA schools (Flagler College, Webber College, St. Thomas University, Embry-Riddle Aeronautical University, Palm Beach Atlantic College, Warner Southern College and Florida Memorial College) to form the FIAC (Florida Intercollegiate Athletic Conference).
- Jonas Westher is named an NAIA First Team All-American as he helped the men's soccer team win their first-ever FIAC championship, earning a berth in the District 25 Tournament for the sixth straight year.

NSU ATHLETICS HISTORY CONTINUED...

FARQUHAR COLLEGE OF ARTS AND SCIENCES DIVISION OF MATH, SCIENCE AND TECHNOLOGY

What is an ATC?

The Certified Athletic Trainer (ATC) is a highly educated and skilled professional who specializes in health care for those engaged in physical activity. Athletic trainers are vital to the prevention, treatment and rehabilitation of athletic injuries. The athletic trainer works closely with physicians, coaches and other medical and allied health personnel to help provide the highest quality of health care to athletes in clinics, high schools, colleges, universities and professional sports teams.

The Academic Program

Nova Southeastern University's Farquhar College of Arts and Sciences offers a compelling undergraduate curriculum in athletic training. The dedicated faculty and staff members become excellent role models for athletic training students, while providing athletic training service to an NCAA Division II athletics program. The athletic training major, established in 2003, is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), effective March 2007. Athletic training students will graduate with a bachelor of science degree in athletic training and will be eligible to sit for the Board of Certification (BOC) examination. This dynamic athletic training curriculum balances class instruction and clinical experience. NSU incorporates the intimacy of a small college education with the resources of the largest private university in the Southeast. In this dynamic, state-of-the-art program, qualified students earning a bachelor of science degree in athletic training may continue into a professional degree program for physician assistants, occupational therapy or physical therapy.

Clinical Experience

Athletic training students will work closely with certified athletic trainers to gain clinical experience with Nova Southeastern University athletics, sports clinics, high schools and professional sports venues in South Florida. These hands-on clinical opportunities apply and refine skills learned in the classroom. Other medical professionals, such as physicians, physician assistants and physical therapists from Nova Southeastern University's Health Professions Division are also involved in this academic clinical experience.

Admission

To enter the athletic training program, you must first be admitted to Nova Southeastern University in good standing and register for Introduction to Athletic Training (ATTR 1100) during the fall semester. This course will guide you through the application process and appropriate deadlines. [Swann, Elizabeth] Also check out our website at <http://undergrad.nova.edu/MST/athletic/index.cfm> for more information.

ATHLETIC FACILITIES

UNIVERSITY CENTER ARENA "THE SHARK TANK"

Nova Southeastern's newest construction project, the University Center, was completed in July of 2006. The revolutionary 300,000 square-foot, multi-use facility serves as a central hub for the NSU student community. The main arena, which seats 4,500, is the home for NSU's intercollegiate athletic program, and will host all of NSU's volleyball and men's and women's basketball home games. With one main game court, the arena also has two practice/game-ready courts on the upper level. The arena also has the state-of-the-art capabilities to host concerts, lectures, special events and more for NSU and the surrounding community.

The main arena features 5,500 seats, each with a seat back. The main court provides for over 1,200 permanent chair-back seats, while the upper level has over 4,000 seats. The upper level houses the world's largest automated telescopic seating system, which adds over 2,000 chair-back seats on either side when extended. The main arena also features 66 cushioned club seats overlooking the court, just outside of the donor/booster room. Shark Club members and guest enjoy the comforts of a catered suite and a unique baseline view of the court.

ATHLETIC TRAINING/HYDROWORX POOL

- ♦ 2,500 square-foot athletic training suite
- ♦ Totally equipped with state-of-the-art electrical modalities for treatment and rehabilitation
- ♦ three offices for athletic training staff and a totally equipped physician's examination room
- ♦ hydro-therapy area that includes a state-of-the-art HydroWorx 2000 aquatic rehabilitation pool, the only one in the tri-county area

SPORT SPECIFIC LOCKER ROOMS

- ♦ Individual lockers
- ♦ Spacious shower and restroom facility
- ♦ Key-card access to locker rooms
- ♦ Pool-side access from locker rooms

OTHER AMENITIES

Two-court multipurpose Rec Plex gym for basketball, volleyball and special events; Three multipurpose studios to house yoga, pilates, spinning classes and more; Three indoor racquetball courts (one convertible squash court); Outdoor Swimming Pool (heated for the winter months); Indoor two-story rock climbing wall; Personal training and massage therapy; Individual saunas for women and men

TEAM LOUNGE

- ♦ Private meeting area for teams and student-athletes
- ♦ Quiet place to study or complete homework
- ♦ Great place to relax or hang-out before or after practice

NSU SOCCER COMPLEX

The NSU Soccer Complex consists of one practice fields and one game field. The game field is home for both the men's and women's soccer teams. Both fields come equipped with lights that allow for night practices and games. The game field features state-of-the-art grandstand seating with a capacity of 1,000 spectators. The stadium style seating is the newest addition to the complex, which was built prior to the 2000 season. The U.S. Women's National Soccer Team as well as several MLS teams, including the Miami Fusion have used NSU's complex as their training site.

The Orange Bowl Committee has entered into an agreement to use the NSU Soccer Complex as its official training site for one of its participants, which began with the 2003 FedEx Orange Bowl.

NSU BASEBALL COMPLEX

The NSU Baseball Complex is considered by many to be one of the finest baseball facilities in South Florida. This fully lit complex features an immaculate playing field with two outdoor batting cages.

Prior to the 2001 season, NSU added grandstand seating that accommodates 500 people and a fully functional press box.

The Baseball Complex is the site of The Frontier Independent Baseball League's annual player combine and tryouts.

A.D. GRIFFIN SPORTS COMPLEX

The AD Griffin Sports Complex is home to the NSU Softball team. This complex features two practice fields and one game field. All fields are equipped with lights that allow for night practice and games.

The main game field overlooks NSU's Health Professions Building. Located in the middle of the three fields is the press box area.

The AD Griffin Sports Complex was named in honor of Mr. A.D. Griffin, Sr.

MIAMI DOLPHINS TRAINING FACILITY

The Miami Dolphins Training Facility is located on the Nova Southeastern University main campus. Bow string trusses and a profile reminiscent of classic athletic facilities define this state of the art training facility of the Miami Dolphins football team, which includes one of the largest weight rooms in the NFL, training rooms, locker rooms, a therapy swimming pool, a cold plunge pool and whirlpools, numerous administrative offices, and a practice field. It also has a bleacher building, which can accommodate 2,000 spectators. The 56,000 square foot facility is frequently used as a prototype for other professional football teams.

SECOND NSU ATHLETICS HALL OF FAME CLASS ENSHRINED AT GALA UNIVERSITY CENTER EVENT

Claude Love, Sherri (Griffin) Waddell, Sherard Hernandez and Thomas Rongen Headline the Class of 2008

Fort Lauderdale, Fla. (Sept. 25, 2008) - The NSU Athletics Hall of Fame Class of 2008 was enshrined in a gala ceremony on Thursday, September 25th, 2008 in the University Center Arena at Nova Southeastern University.

The invitation-only event featured the induction of three former student-athletes and one former head coach. Former NSU student-athletes Claude Love (Baseball), Sherard Hernandez (Men's Basketball), and Sherri Waddell (Softball and Volleyball) joined former NSU head soccer coach Thomas Rongen in the second-ever NSU Athletics Hall of Fame Class.

Tony Segreto, NBC6 News Anchor, was the master of ceremonies at the event, which drew over 200 attendees. The evening kicked off with a cocktail hour in the club room, overlooking the UC Arena basketball/volleyball court. Dinner followed on the north auxiliary court.

Members of the inaugural Hall of Fame Class bestowed each 2008 inductee with a Hall of Fame jacket, ring, and plaque to commemorate their enshrinement.

"The Class of 2008 helped to establish the tradition of NSU Athletics and the high level of athletic achievement that continues today" said Michael Mominey, NSU Director of Athletics. "They exemplified the commitment, drive and character that are necessary to succeed on the field of play and in life. We welcome the new class into the Hall of Fame."

The NSU Athletics Hall of Fame Committee is represented by:

Michael Mominey (NSU Director of Athletics), Robert Prior (Former Associate Director of Communications and External Ops.), Dr. Mark Cavanaugh (Associate Professor of Social and Behavioral Sciences and Faculty Athletic Representative), Giuseppe DePaulo (Head Coach, Men's Soccer), John Gartin (Head Coach, Women's Rowing), Kim Carbo (Manager of Marketing & Special Events), Ramon Flores (AT&T-Area Director, Regulatory & External Affairs), Lynne Cawley (Director of Alumni Affairs, Osteopathic Medicine), Dr. Gay Holliday (Associate Dean of Student Affairs), Joe Pineda (Assistant Dean of External Affairs, H. Wayne Huizenga School of Business & Entrepreneurship), Tony Segreto (NBC 6 News Anchor), Nancy Olson (Executive Director, Florida Marlins Community Foundation), Anthony Bruno (Owner, Anthony's Runway 84)

CHAMPS/LIFE SKILLS PROGRAM

The mission of the NCAA is to maintain intercollegiate athletics as an integral part of the campus educational program and the athlete as an integral part of the student body. With this in mind, the CHAMPS/Life Skills Program was created to support the student development initiatives of its member institutions and to enhance the quality of the student-athlete experience within the university setting.

The NSU CHAMPS/Life Skills Program strives to:

Support efforts of every student-athlete toward intellectual development and graduation.

Use athletics as preparation for success in life.

Meet the changing needs of student-athletes.

Promote respect for diversity among student-athletes.

Assist student-athletes in building positive self-esteem.

Encourage the development of leadership skills.

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC)

In accordance with NCAA policy, the NSU Department of Intercollegiate Athletics has a Student-Athlete Advisor Committee. The Nova Southeastern University Student-Athlete Advisory Committee (NSU-SAAC) is made up of one member from each athletic team and one alternate. The purpose of this committee is to streamline and promote communication between the student-athlete and the athletic department administration, to encourage more student-athlete involvement within the campus community and to design and implement programs which will encourage academic achievement, health promotion, social responsibility, and general awareness.

COMPLIANCE

Compliance with NCAA rules is of utmost importance to Nova Southeastern University and its athletics department. Nova Southeastern University is responsible for the actions of its coaches, student-athletes, faculty and staff, alumni, donors, boosters and friends. As such, please take a few moments to familiarize yourself with these important items concerning NCAA rules and always remember to **ASK BEFORE YOU ACT.**
