Fearing Loving Love

Perry Uwanawich

To fall in love
One must love Love
The heart afraid
Will not be made
To dance in trance
Of true Romance
A heart behind four walls
Is one that never falls
For fear of falling hard
This heart's always on guard
But deep inside
No one can hide
The lingering longing and aching pain
Resonating through his brain
Which rings in Love's open ears
And rings and rings over again
And through cold and stubborn tears
Refrain he may try
Even 'til he dies
But escape he may not
That which God above hath wrought
