SERVICE HANDBOOK

INTRODUCTION

NSU Shepard Broad College of Law's mission is to ensure that students develop the knowledge, skills, and values that are at the heart of becoming trusted, highly adept, professional lawyers who are respected for serving clients, their communities, and justice. NSU Law is committed to instilling an ethic of pro bono service, community engagement, and public service in its graduates, and it is our hope that by giving back to the community, our graduates will develop a lifelong commitment to using their education and skills to contribute to the public good.

SERVICE REQUIREMENT

Requirement

Each J.D. candidate entering NSU Law in fall 2018 and thereafter is required to perform a minimum of thirty (30) hours of qualifying service as a requirement for graduation. Eligible service options include both pro bono (legal) and community (nonlegal) related placements. Students may not receive payment nor academic credit for their service. Students are required to complete the minimum of thirty hours (30) hours of qualifying service prior to the start of their final semester.

Additional Service Recognition – Pro Bono Honor Program

Additionally, all law students are encouraged to participate in NSU Law's Pro Bono Honor Program. NSU Law's Pro Bono Honor Program is a voluntary program that provides recognition to students who have completed a minimum of fifty (50) hours of pro bono service to the community while enrolled in law school. Students are recognized in three levels of distinction:

- Bronze – 50 to 124 hours;
- Silver – 125 to 299 hours; and
- Gold – 300+ hours.

The Pro Bono Honor Program students are recognized for their commitment to pro bono with an awards certificate, by wearing a gold cord at graduation, and being recognized at an honors program. Any pro bono (legal) service hours earned under NSU Law's Mandatory Service Graduation Requirement may be credited towards meeting the recognition level for the voluntary Pro Bono Honor Program.

QUALIFYING SERVICE

Pro Bono

Pro bono (legal) comes from the Latin term *pro bono publico* which means 'for the public good'. Pro Bono work is done in the public sector, on a volunteer basis, to provide legal assistance to low-income and/or underrepresented individuals and communities.

Legal pro bono service at NSU Law is defined as:

1. Legal or law-related in nature;
2. Unpaid, not part of the clinic/field placement program required hours, or receiving a stipend;
3. With a non-profit organization, governmental agency, or licensed attorney doing pro bono work on behalf of the disenfranchised and/or under-represented and that is approved by the Director of Public Interest Programs prior to the beginning of any work;
4. Under the supervision of a licensed attorney including a member of the law school faculty/staff; and
5. Designed in some way to directly or indirectly address the legal needs of low income clients, the traditionally under-represented groups, or organizations devoted to universal issues such as the preservation of the environment and the elimination of all forms of discrimination.

1. Legal or law-related in nature

Work for an organization, program, or individual that as a substantial part of its activities delivers legal services or performs other law-related work is considered legal pro bono work.

2. Unpaid, not part of the clinic/field placement program required hours, or receiving a stipend

Students can receive legal pro bono credit for time spent working at a legal organization as long as they are not receiving credit for participation in the clinic/field placement program, receiving a stipend, or getting paid. Students who complete hours above and beyond the time required for the clinic/field placement commitment can use those hours towards the Mandatory Service Graduation Requirement and/or the Pro Bono Honor Program in the same semester so long as the placement would otherwise qualify for pro bono service and their supervising faculty member certifies those hours are eligible. To submit hours above and beyond the clinic/field placement program commitment students will need to complete the Service Timesheet, ask their Faculty Director to sign and certify to the pro bono hours, and submit the form along with the Evaluation Form to the Public Interest Programs. Please note, it is up to each individual clinic's faculty director to determine if pro bono credit is available to students enrolled in that clinic each semester. Students may also receive pro bono credit for hours spent at a judicial placement.

3. With a non-profit organization, governmental agency, or licensed attorney doing pro bono work on behalf of the disenfranchised and/or under-represented and that is approved by the Director of Public Interest Programs prior to the beginning of any work;

Work in a private law firm, even if unpaid, will not qualify unless the work is performed exclusively on behalf of an indigent client or a public interest organization and is represented on a pro bono basis by the licensed attorney. Prior approval by the Director of Public Interest is necessary before working with a private attorney on a pro bono case. Students must fill out the Service Project Request Form for pre-approval, see Appendix.

4. Under the supervision of a licensed attorney or a member of the law school faculty/staff

All students' work must be supervised by a licensed attorney at the legal non-profit organization, governmental agency, law firm, or law school.

5. Designed in some way to directly or indirectly address the legal needs of low income clients, the traditionally under-represented groups, or organizations devoted to universal issues such as the preservation of the environment and the elimination of all forms of discrimination.

Community Service

Community (nonlegal) service at NSU Law is defined as active participation in service addressing the needs of the community through face-to-face and/or hands on volunteering that addresses a specific social need with a nonprofit organization.

*****Note:** Time spent commuting to and from a placement site does not qualify for service. However, time spent in training at a placement site may be counted toward the service, as long as it does not exceed twenty percent (20%) of the hours spent at that particular placement. For example, if a student spends ten (10) hours working at a particular organization the student will only be given credit for two (2) hours of time spent in training.

SERVICE PLACEMENT APPROVAL

The Appendix section lists all pre-approved pro bono (legal) placements where students may complete hours for the Mandatory Service Graduation Requirement or the Pro Bono Honor Program. Individual availability to earn hours at these placements will vary each semester, but no additional approval is needed. Additionally, one-time opportunities for service will be posted in Symplicity under the Events Tab. A student may satisfy the requirement threshold by completing thirty (30) hours at a single placement site OR by combining different projects at multiple placement sites.

In addition to participating at pre-approved placement sites and/or one-time opportunities for service advertised, students are encouraged to investigate and submit for approval opportunities which meet their own interests. Students must submit the Project Request Form and the opportunity must be approved by the Director of Public Interest Programs prior to the student beginning the work in order for that service to count toward either the Mandatory Service Graduation Requirement or the Pro Bono Honor Program. This includes work for a private attorney doing pro bono work, any non-profit organization, or any governmental agency not listed in the Appendix section.

HOW TO PARTICIPATE

To participate, students must:

1. Review and secure a position with an approved placement see Appendix, or complete the Service Project Request Form and receive approval from the Director of Public Interest Programs prior to the start of the project; and
2. Complete and turn in the Service Timesheet and Evaluation Form no later than the semester after completing the service (unless the semester will be the student's final semester).

REPORTING HOURS

Students must submit all completed forms and substantiating documentation regarding the completion of their service hours no later than the semester after completing the service, unless it is the student's final semester. Students are required to complete the minimum thirty (30) hours of qualifying service and submit all required forms **prior to the start of their final semester** at the College of Law. All forms should be submitted to the Public Interest Program. Students should also keep a copy of all submitted forms for their own record.

STUDENT RESPONSIBILITIES / CONDUCT AT PLACEMENT

If a pro bono opportunity has accepted the student's offer of volunteer services, the student must fulfill their obligation. The student is expected to perform all assigned tasks in a professional and competent manner. That includes, but is not limited to: dressing in an appropriate manner; meeting assigned deadlines; showing up to work on time; keeping the supervisor informed of whereabouts and progress of assignment(s); producing a quality work product; and treating all individuals with courtesy and respect. In addition, while working for a legal organization, you are bound by the Florida Rules of Professional Conduct, or by those in the state in which you are serving.

Students may not give legal advice, make formal appearances in court, or otherwise engage in the practice of law. Students should take all possible precautions to avoid the unauthorized practice of law and ensure that it is known at all times that they are law students, and not licensed attorneys. Students should not disclose information they learn about regarding a case or a client. Florida's Rules of Professional Conduct expressly states that a lawyer and those working for the lawyer may not reveal information relating to representation of a client unless the client consents or the disclosure is otherwise permitted. This confidentiality includes not disclosing or discussing the legal research and drafting a student might be performing for a client. Additionally, students may not subsequently use any material drafted for a client without first obtaining consent. The risks to you and the attorney of revealing confidential information of a client are great. An attorney violating this Disciplinary Rule risks revocation of their license to practice law. A law student violating this rule risks not being licensed. For Florida's complete Rules of Professional Conduct please visit: <https://www.floridabar.org/rules/rtrfb/>.

Furthermore, students should not be working or providing services to more than one non-profit organization, governmental agency, or licensed attorney doing pro bono work at the same time, unless disclosure is given to both parties in writing, and consent is given by both parties in writing.

QUESTIONS

If you have any questions, please contact Jennifer Gordon, Esq., Director of Public Interest Programs, at Office Line: 954-262-6153, Direct Line: 954-262-6126, or email: jgordon@nova.edu.
