This Program Overview is brought to you for free and open access by the NSU Course Catalogs and Course Descriptions at NSUWorks. It has been accepted for inclusion in College of Engineering and Computing Course Catalogs by an authorized administrator of NSUWorks. For more information, please contact nsuworks@nova.edu.

Computer Science

MASTER OF SCIENCE

NOVA SOUTHEASTERN
UNIVERSITY

NSU
Florida

Program Features

- 10 courses | 30 credit hours
- Concentrations include software engineering, data science, computer systems, information assurance and cybersecurity, and real-world computing.
- The security concentration is recognized by the U.S. National Security Agency and the Department of Homeland Security.
- Students receive quality instruction from CEC faculty members—all of whom hold Ph.D. degrees and are experts in their respective fields of research/application.

Program Formats

- Fort Lauderdale/Davie Campus
- Online

Program Highlights

- Full-time students can earn the degree in 12–14 months.
- Working professionals can earn the degree in 16–24 months.

Career Opportunities

- artificial intelligence engineer
- data scientist
- software engineer
- systems software developer
- user interface designer/developer

M.S. in Computer Science

The Computer Science program at the College of Engineering and Computing (CEC) is designed to give students a thorough knowledge of the field and to provide an enduring foundation for future professional growth. The program blends theory and practice into a learning experience that develops skills applicable to complex real-world problems.

Students take five core courses covering the theory of programming languages, the design and analysis of algorithms, operating systems, database management systems, and software engineering. Three or more courses are then taken in one of the following concentrations of the student's choosing: software engineering, computer systems, data science, information assurance and cybersecurity, and real-world computing. Students taking the no concentration option will need to take five elective courses. For students taking a concentration option, remaining courses are electives drawn from computer science course offerings.

Admissions Requirements

- online application (apply.nova.edu)
- \$50 application fee (nonrefundable)
- an earned bachelor's degree with a GPA of at least 2.5 from a regionally accredited institution and with an appropriate major
- sealed official transcripts from all institutions attended
- a résumé

International students should visit cec.nova.edu/admissions for additional requirements.

Computer Science

MASTER OF SCIENCE

Curriculum | Total Credits: 30

PREREQUISITE COURSES

Applicants who do not have adequate academic backgrounds may be required to take one or more of the following 500-level graduate courses during the first two terms of the program. (Courses are 3 credits each.)

CISC 500	Java Programming Language
CISC 501	Assembly Language and Architecture
CISC 502	Mathematics in Computing
CISC 503	Data Structures and Algorithms

The Master of Science in Computer Science has five concentration options, along with a no concentration option. Students must complete 30 credits. Core courses, concentrations, and electives are listed below. Students who opt to do a thesis will replace two of the elective courses with these credits. Plans for the thesis option must be made with and approved by the program office.

DEGREE PROGRAM COURSES

Core Courses (five courses, 3 credits each)

CISC 610	Programming Languages
CISC 615	Design and Analysis of Algorithms
CISC 640	Operating Systems
CISC 660	Database Management Systems
CISC 680	Software Engineering

Software Engineering Concentration (three courses, 3 credits each)

CISC 682	Software Requirements Engineering
CISC 684	Software Testing and Verification
CISC 683	Object-Oriented Design

OR

CISC 685	Interaction Design
----------	--------------------

Computer Systems Concentration (three courses, 3 credits each)

CISC 647	Computer Architecture
CISC 650	Computer Networks
CISC 665	Distributed Systems

Data Science Concentration (four courses, 3 credits each)

CISC 662	Data Mining and Knowledge Discovery in Databases
CISC 664	Information Retrieval and Web Search Engine Technology
CISC 672	Data Visualization
MMIS 671	Fundamentals of Analytics and Business Intelligence

Information Assurance and Cybersecurity Concentration (four courses, 3 credits each)

Students select four of the six listed courses.

ISEC 600	Secure Computer Systems
ISEC 615	Fundamentals of Security Technologies
ISEC 620	Applied Cryptography
ISEC 640	Database Security
ISEC 650	Computer and Network Forensics
ISEC 660	Advanced Network Security

Real-World Computing Concentration (four courses, 3 credits each)

CISC 665	Distributed Systems
CISC 670	Artificial Intelligence
CISC 681	Computer Graphics
CISC 668	Mobile Application Development

No Concentration Option (five courses, 3 credits each)

Select a mix of courses from Concentrations and/or Electives.

Electives (3 credits each)

Any course in the concentrations aforementioned is also an elective course in the program. Additionally, any offerings of CISC 631—Theory of Computation or CISC 690—Special Topics in Computer Science, will count as electives.

This publication should not be viewed as a substitution for official program requirements and outcomes. A student is responsible for meeting the curriculum and program requirements in the *Graduate Student Catalog* that are in effect when the student enters the program.

Nova Southeastern University admits students of any race, color, sexual orientation, gender, gender identity, military service, veteran status, and national or ethnic origin. ■ Nova Southeastern University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate's, baccalaureate, master's, educational specialist, doctorate, and professional degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Nova Southeastern University. 08-055-18_01PGA
