## Greed

*Jack Bellino*

The influence of others  
Can sometimes make us blind  
How selfish of these people  
To force their way into the mind

They always have to prove a point  
Never do they console  
And when they do it's not for you  
It's only for their control

Let your thoughts be your own  
As you live in a façade  
And while you were led by greed  
Just know I was led by God
