- Dissertation

Program Format
Sixty-credit-hour programs
Four-year programs

Delivery Models
Doctoral students at the SBE can choose from two different instruction formats:

Weeklong Format
Courses convene three times per year at the east campus in Fort Lauderdale.

Weekend Format
Courses convene once per month for nine months at national off-campus sites or at the east campus in Fort Lauderdale.

Seminars and workshops, such as research methods, are held at various times and locations throughout the year.
Doctor of Public Administration

Like the D.B.A. Program, the Doctor of Public Administration (D.P.A.) Program prepares academicians and business professionals to assume increased responsibility in our multisecteded economy. The D.P.A. Program also prepares academicians to pursue scholarly research at colleges and universities throughout the world. This program, however, pays particular attention to the needs of public sector administrators and managers. It thus focuses on the unique opportunities and needs of nonprofit and city, state, and national government agencies.

Component One: Common Core (30 cr.)
- Administrative Theory and Practice
- Organizational Behavior/Personnel Management
- Information and Decision Sciences
- Economic Analysis
- Operations Management
- Business and Public Policy Seminar
- Professional Studies Workshop
- Strategic Decision Making

- Financial Decision Making in Government
- Constitutional/Administrative Law and Ethics

Component Three: Competencies (0 cr.)
- Online Communications and Internet Competency
- Orientation
- Comprehensive Exam I
- Comprehensive Exam II
- Publication Requirement

Component Four: Research (dissertation-related courses-18 cr.)
- Applied Research Development
- Research Techniques
- Research Methods
- Readings in Public Administration
- Dissertation

Doctor of International Business Administration

The doctorate in International Business Administration curriculum prepares business and government leaders, as well as management consultants, to engage in planning and decision making in the international business realm. Traditional strategic management concerns of business are treated from the perspective of the multinational corporation. The curriculum also explores both foreign and domestic corporate challenges, as well as business opportunities in the international arena.
Component One: Common Core (22 cr.)
- Information and Decision Sciences
- Operations Management
- Business and Public Policy Seminar
- Professional Studies Workshop
- International Business and Finance
- Strategic Decision Making

Component Two: Specialty Courses (20 cr.)
- International Management
- International Marketing
- International Finance and Banking
- Comparative Government and Economic Systems
- International Legal Framework

Component Three: Competencies (0 cr.)
- Online Communications and Internet Competency
- Orientation
- Comprehensive Exam I
- Comprehensive Exam II
- Publication Requirement

Component Four: Research (dissertation-related courses 18 cr.)
- Applied Research Development
- Research Techniques
- Research Methods
- Readings in International Business
- Dissertation
Admission Requirements

The goal of the admission process is to identify candidates who exhibit high potential for success in the business and educational environments. Applicants are evaluated on the basis of demonstrated academic achievement as evidenced by their graduate GPA in the form of official graduate transcripts, their score on the Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE), and their professional experience as described in the application. Call the number below to receive an application and full disclosure of admission requirements.

Please send me an application form and additional information on the following doctoral program:

☐ D.B.A.  ☐ D.P.A.  ☐ D.I.B.A.

**School of Business and Entrepreneurship**

Nova Southeastern University’s School of Business and Entrepreneurship (SBE) delivers programs both on and off campus, throughout Florida, the United States, and in several foreign countries. The educational emphasis of the SBE professional doctoral degree programs is on strategic planning and management decision making and problem solving. The curricula are carefully balanced to ensure the depth and rigor associated with doctoral education across professional fields. Graduates have become recognized leaders in business, industry, government, and education.
