Wander

by Jamie Cohen

the world is filled with wonder
sunlight and warmth
a playground, a promised land,
a field of swaying grass
and I will wander in it
until it grows taller than I

I want to get lost in the tangles
of this world and all it has to give
and let the wind sing me songs
that dance upon my ears

I want to climb to the top
to pull and push with all my might
to reach the peak above the field
and to look around and laugh

to smile upon the world
a smirk, a devilish grin
and to feel the sun around me
I stand with outstretched fingertips

I will repeat the process
every day I start anew
from the tangles of this lawn
to the top of the world

the world is filled with wonder
sunlight and warmth
a playground, a promised land,
a field of swaying grass
and I will wander in it
until I grow taller
