The name of our college, The H. Wayne Huizenga College of Business and Entrepreneurship, says it all! H. Wayne Huizenga was one of the world's most successful entrepreneurs. In fact, our country is built on the vision, motivation, and performance of entrepreneurs. An entrepreneurship certificate will give you the core knowledge necessary to realize your entrepreneurial vision. You will cover entrepreneurship and law, venture creation, entrepreneurship finance, entrepreneurship management, and international trade for entrepreneurs. The entrepreneurship certificate will empower you to create your own business that can grow to whatever you want it to be!

Certificate courses may not be taken while completing graduate degree courses. Students may apply appropriate certificate courses toward the completion of a master's degree if financial aid was not used to help pay tuition and other fees; and if the certificate courses are transferred before completion of the certificate. Students cannot transfer certificate courses toward a Master's Degree after the awarding of the certificate. Consult the [Course Catalog](#) for details.

COURSE DESCRIPTIONS

ENT 5940 Entrepreneurship Law (3.00 cr.)

Legal aspects of Entrepreneurship including contract law, intellectual property law, arbitration, mediation, court proceedings, internet law, buy/sell agreements, and partnership agreements with case studies, and a legal feasibility project. Additionally, this course will examine ethical ramifications of Entrepreneurship within the Value Driven Management model.

ENT 5960 Entrepreneurship/Venture Creation (3.00 cr.)

Introduction to Entrepreneurship with an emphasis on the employment process, managing growth, and the legal environment using the case-study method, guest speakers and feasibility plan software.

ENT 5966 Special Topics in Entrepreneurship (3.00 cr.)

An in-depth treatment of a current area of special concern or interest within the field of entrepreneurship/venture creation.

ENT 5985 Lean Entrepreneurship (3.00 cr.)

This course covers the application of Lean management concepts, tools and techniques by entrepreneurs. Elements of a Lean process improvement program are used as a framework for learning the operational and management knowledge and skills required for improving and sustaining the performance of a small or mid-size business. These elements include methods for process management and people management as well as the role of leadership and organizational culture. Students learn and apply Lean management methods to visualize, assess, improve, standardize and continue the improvement of business processes (VAISC method). The material is covered using experiential learning methods such as case studies and hands-on exercises. Exposure to the real life business environment is provided through guest speakers and/or on-site learning experiences. Students apply their learning in a real world setting by conducting a Lean process improvement project within a local organization.

ENT 5990 International Trade for Entrepreneurs (3.00 cr.)

This course provides students with key concepts and skills to identify international opportunities/threats, analyze their impact, formulate appropriate strategies and implement applicable action plans to achieve company goals. The course will help students understand today's competitive global environment, marketing, finance, and policy. The course examines legal, logistical, organizational and cultural issues.

FIN 5970 Entrepreneurship/Finance (3.00 cr.)

Developing the business plan, capital formation, valuation, and financial management using the case-study

Prerequisite Courses

The following prerequisite course may be necessary for certificate completion.

FIN 5008 Business Finance

Not required if previously taken or an equivalent course with a grade of B- has been taken in the past 5 years

Students have two options for satisfying a program prerequisite course:

Complete course(s) offered by the H. Wayne Huizenga College of Business and Entrepreneurship;

Complete a proficiency examination administered by a testing organization that has national recognition, such as CLEP and DANTES. Student's selecting this option must complete the requirements within their first two semesters with HCBE. After the second semester, courses must be completed with HCBE.
