NOVA SOUTHEASTERN UNIVERSITY

Nova Southeastern University

The LaBonte Institute of NSU is dedicated to the communicatively impaired of all ages, races, and socio-economic backgrounds. It is a private, not for profit institute, providing services and expertise in all areas listed in this brochure. As a teaching/training facility for the Programs in Communication Sciences and Disorders, the Communication Disorders Clinic is on the cutting edge of unique and state-of-the-art diagnostic and clinical services available to all people. The Programs in Communication Sciences and Disorders offer master's and doctoral degrees, and the Communication Disorders Clinic is the clinical teaching component of those programs. The combined clinical expertise of all faculty provides the most comprehensive services available.

*Diagnosis
and
Treatment
of
Speech
and
Language
Problems*

NOVA SOUTHEASTERN UNIVERSITY

DIAGNOSTIC EVALUATIONS

- Voice, laryngeal problems, laryngoscopy, and laryngectomy
- Articulation and phonology
- Language (undeveloped or loss of language due to illness or injury)
- Fluency and stuttering
- Dysphagia (swallowing problem)
- Disorders associated with:
 - Stroke (aphasia)
 - Parkinson's disease
 - Cerebral palsy
 - Cleft palate
 - Head Injury
 - Autism
 - Attention deficits
- Accent reduction
- Augmentative and alternative communication

Evaluations are conducted by or under the supervision of specialized faculty. Approximately two to three hours are required for a diagnostic session. A report is rendered with recommendations for treatment.

Clients in need of therapy are assigned to a specialist and graduate student for sessions as recommended. Private sessions with specialists are available. Support groups for clients and spouses are scheduled as a part of treatment.

Nova Southeastern University's
**Programs in Communication
Sciences and Disorders** offer a
master's degree in speech-language
pathology and doctoral degrees in
audiology and speech-language
pathology.

The Communication Disorders Clinic
offers clinical services to individuals
with hearing, speech, or language
disorders. The various programs and
services are described in detail in
this brochure.

The master's program is accredited
by the Council on Academic
Accreditation of the American
Speech-Language Hearing
Association (ASHA). All faculty
specialists are certified by ASHA and
are licensed in the State of Florida.
