## Witness

*Juan A. Miranda*

Witness a power that strikes more fear in the heart,  
more chaos in the mind,  
than a falling bomb.  
Burned and decaying flesh is but child's play  
when compared to hatred flowing through a man's veins.  
The stench of sulfur slowly fades,  
the sight of destruction lingers,  
but what truly horrifies,  
is that this man, engulfed in hate,  
can find peace at night and wake up the next day,  
absolutely apathetic,  
and ready to direct his hatred once again.
