▶ **Illuminating Minds: The Essence of TRUE Teaching**

- ▶ True teaching means to guide and inspire,
- ▶ To kindle flames of curiosity and desire,
- ▶ To unlock minds and hearts with care,
- ▶ And lead learners on a journey rare.
- ▶ It's not just about filling up the head,
- ▶ With facts and figures, textbooks read,
- ▶ But showing how knowledge can be applied,
- ▶ To make a difference, to turn the tide.
- ▶ True teaching is about empathy and patience,
- ▶ Understanding different learning paces,
- ▶ And finding ways to ignite the spark,
- ▶ To help students reach their highest mark.
- ▶ It's about teaching values and life skills,
- ▶ To help students navigate ups and downs and spills,
- ▶ And be resilient, respectful and kind,
- ▶ To themselves, to others, to all humankind.
- ▶ True teaching is a lifelong quest,
- ▶ To serve as a guide, a mentor, a best,
- ▶ And leave a lasting legacy, a positive impact,
- ▶ On generations to come, on lives that matter, in fact.
