PREFACE

This directory of students, graduates, faculty and staff in the Ed.D. Program in Early & Middle Childhood represents our fourth publication of this kind. While we have not been successful in retrieving complete information about everyone, particularly our graduates, the directory will familiarize you with most of your colleagues in the Program.

On page 86 you will find a "Change in Status" form. Please use this form to keep us informed of any changes in name, address, or position.

As you review the positions held by students and graduates, we hope you feel the same sense of pride that we experienced while compiling this directory. You are all very special people.
