Where Are You? by Danielle Motola

**When your problems get the best of you
and make you feel completely defeated?**

When you fall and can't pick yourself up?

When you fail and think you can't ever succeed?

Where exactly are you?

You're in life.

**A place that has its ups and downs,
one that has difficult obstacles to overcome.**

**A place that has distinct paths to take,
but the question is which is the right one for you?**

**You can't give up,
keep on trying.**

**Don't lose faith,
because someday you'll find the way.**

Where are you?

Where? Where? Where?

Life is the answer.
