Every time you move
a single shift in posture
movement

light
muscle

Every time a glimpse
a single line appears
branch
outline
shadow

I seem to break
collapse into a state
serene
troubled
shaken
confused

I want to see
some sort of response
answer
justification

you shift
I shift
you Smile
I smile
and the great dance continues

Focus
focus
Focus

I will remain moving
Every time you move
Hoping to move closer and
closer and closer and closer
Beyond that point
