PHYSICAL THERAPY DOCTORAL PROGRAM

A strong need for a doctoral program to encourage the professional growth of physical therapists has been identified. As our health care delivery systems change and our knowledge base broadens, it becomes important for licensed physical therapists to continue their formal studies to assume roles as consultants, educators, researchers, advanced clinicians and health care leaders.

Nova Southeastern University's doctoral program in Physical Therapy addresses these needs in a curriculum which will prepare its students to become leaders of the profession.

PROGRAM OUTCOMES

Graduates of the program will be able to:

- Serve as change agents in organizations
- Negotiate and advocate for patients, self and others for the provision of health care services
- Address health care issues of patients through the life cycle
- Educate patients, students, peers and other health care providers in order to accomplish treatment goals and the goals of the program
- Consult with organizations for the development of health care services
- Contribute to physical therapy practice through clinical research

CURRICULUM OVERVIEW

The Doctor of Science in Physical Therapy (D.Sc.P.T.) degree program requires 90 semester hours beyond the undergraduate professional physical therapy degree. At least 60 semester hours are required beyond the entry level master's degree in physical therapy, or beyond an advanced master's degree (in which the undergraduate or master's degree were in Physical Therapy).

Requirements include satisfactory completion of all courses, seminars, independent study, and research. Course work is divided into required core courses and elective courses. The Committee on Admissions will evaluate courses taken in other fields to determine whether they meet the requirements.

Faculty and students are expected to communicate by computer modem, fax, or telephone when not in the classroom. Students will be able to complete course requirements with minimal on-campus time.

Students have up to seven years to complete the degree requirements. They may take 12 semester hours each term to complete the degree program in 7.5 terms (2.5 years). Students must earn a "B" grade in each course to continue in the doctoral program and to graduate.

COURSE OF STUDY

For students holding master's or entry level master's degree in physical therapy with transferable credits:

	Semester Hours
Required core courses	23
Specialty courses	minimum of 6
Elective courses	9
Project Demonstrating Excellence (PDE)	22

Courses will be conducted in an Institute format and as independent study under faculty supervision. The distance education format enables students to continue their practice as physical therapists while earning the degree.

Graduates will be awarded the D.Sc.P.T. degree upon satisfactory completion of all degree requirements.

ADMISSION R
