## Mother

### Author Bio

I aspire to be an influential leader in the United States. I'm not sure how yet, but I would like to help environmental lawyers and environmentally threatening companies meet in the middle to find a way to satisfy both of their interests without destroying our planet.

# **Mother**

LEELA MANSUKHANI

Words do not exist  
To describe the comfort of your presence

No painted scene  
Can outmatch your beauty

You create my endurance  
Through your words

The love you place  
In everything you make  
Is priceless

The purity of your spirit  
Is the heart of my soul

You are my mother

The life you have given me  
I thank you for
