That Warmth

Author Bio

Woman of many trades: seamstress, hairdresser, writer, entrepreneur, boutique owner, tutor, and more.
Nothing short of Superhuman!

That Warmth

That Warmth

In winter—when the heater is off

That Warmth

In the theater—without a jacket

That Warmth

Deep down below—where mama said no one must go

That Warmth

You'd never know it was cold around you

That Warmth

Waking up one day with a funny feeling

Giggles let out as the skin is caressed

Thinking of the ways to ease That Warmth

Thinking of that place to go to ease That Warmth

Thinking about what mama would say if she knew about That Warmth

Thinking of the person you want to ease That Warmth

Thinking of the smoothness of our skins when we feed into That Warmth
