Welcome to the sixth annual Summer Institute of the Center for Higher Education. This Institute is being held in Hawaii so that Nova University participants and guests in Hawaii can join with cluster members from across the country in recognition of the multi-cultural nature of the community college and the continuing need for excellent leadership to insure future successes.

The Kuilima-Hyatt Hotel offers a beautiful and serene setting for the learning involving faculty and administrator leadership that will take place here this week. I urge you to enjoy the pleasant surroundings and learn from your colleagues and peers as well as from the professors and presenters.
