This Course Catalog is brought to you for free and open access by the NSU Course Catalogs and Course Descriptions at NSUWorks. It has been accepted for inclusion in Fischler Postgraduate Course Catalogs by an authorized administrator of NSUWorks. For more information, please contact nsuworks@nova.edu.
Policies and programs set forth in this catalog become effective June 1, 1994. Regulations and requirements, including fees, are necessarily subject to change without notice at any time at the discretion of the Nova Southeastern University administration.

The University recognizes that individual programs require differing time limits for the completion of academic studies leading to a degree. Therefore, the time frame is a matter within the discretion of each academic program. All program/center catalogs, bulletins, and handbooks must carry this information.

Nova Southeastern University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097, telephone 404/679-4500) to award bachelor's, master's, educational specialist, and doctoral degrees. Nova Southeastern University admits students of any race, color, sex, age, nondisqualifying handicap, religion or creed, or national or ethnic origin.

Nova Southeastern University is a member of the American Association of Colleges for Teacher Education.

The Speech-Language Pathology Program is accredited by the Educational Standards Board of the American Speech-Language-Hearing Association.
President's Message

Nova Southeastern University is committed to providing an educational environment that encourages students to be the best they can be. Historically, Nova has provided quality education through a diverse array of delivery systems ranging from the traditional to state-of-the-art electronic technologies. Consistent with our mission statement, we prepare students for leadership roles in the professions and provide support for research and community service while maintaining an environment fostering creativity and innovation. We recognize that as Will Rogers once noted, "even if you're on the right track, if you just sit there you'll get run over."

Given our commitment to providing educational opportunities that prepare tomorrow's professionals to serve optimally their professions, clients, and society, it is essential that curricula be designed at each level to effectuate this mission. Tomorrow's professionals must possess not only the traditional attributes—expertise, ethical sensibilities, and commitment to furthering professional and societal values—but also the capacity to utilize contemporary technology, apply and appreciate relevant findings and approaches of other disciplines, and to operate in a culturally diverse milieu.

Nova Southeastern's goal is to maintain and enhance the array of professional schools and concomitant programs required to fulfill its mission. It must support, enhance, and expand existing professional centers and, where appropriate, reorganize University components to facilitate synergy and enhance the education of professionals. We believe that education is not merely a means to an end, but is itself intrinsically valuable. Accordingly, the time spent at Nova Southeastern by students, faculty, and staff should be informative, exciting, and rewarding.

We welcome you in joining in our common mission of creating the best possible educational setting.
NOVA SOUTHEASTERN UNIVERSITY is an independent, nonsectarian, nonprofit university chartered by the state of Florida in 1964. It is located on a 200-acre main campus west of Fort Lauderdale at 3301 College Avenue in Davie, 10 miles inland from the Atlantic Ocean and easily accessible from major highways, including I-75, I-95, I-595, the Sawgrass Expressway, and Florida's Turnpike. Additional locations are in downtown Fort Lauderdale, Coral Springs and Port Everglades. Its 13 centers of study offer campus-based undergraduate and graduate programs leading to degrees in education, law, psychology, oceanography, computer sciences, social sciences, business and public administration, osteopathic medicine, pharmacy, optometry, and allied health. As an acknowledged leader in field-based degree programs, Nova Southeastern offers courses of study leading to the bachelor's, master's, educational specialist, and doctoral degrees in education, in business and public administration, in psychology, in health professions, and in physical, social, and computer sciences.

The Family and School Center is a community resource that provides education and therapeutic services for families and their children. The center comprises three units: the University School, the Ralph J. Baudhuin Oral School, and the Family Center. The University School is a demonstration school serving children from preschool through high school, preparing them in the upper grades for college. The Baudhuin Oral School provides programs for children with specific learning needs, and/or hearing disabilities. The Family Center provides a spectrum of family related programs designed to promote positive interaction between parents and children.

From the beginning, the University has distinguished itself by its innovative outlook, its unique programs that provide both traditional and nontraditional choices in educational programs, and its research in many fields aimed at solving the problems of immediate concern to mankind.

The University's centers and programs share a common mission—to educate students for leadership roles in a variety of professions, such as law, education, psychology, medicine, optometry, pharmacy, and allied health, business and public administration, oceanography, and computer and information science. In the Nova Southeastern University educational continuum, preprofessional training begins as early as the University School, continues through the college level, and culminates in the various centers for professional studies. Through the Nova Southeastern University Educational Plan, students master appropriate skills and disciplines at each academic level, develop a sense of professional ethics and responsibility, and learn to appreciate the role of the professional as a key individual in society.

"The Nova Southeastern Plan" stresses the critical relationship between theory and practice; it reinforces and tests the classroom experience through applied research and community service as integral parts of academic experience. Consistent with its mission, the University extends its resources to provide educational opportunities to working professionals nationwide, with faculty teaching at corporate and other locations across the country. Nova Southeastern also delivers programs through a variety of educational technologies, including telecommunications. Nova Southeastern University is committed to the idea that education should not be timebound or placebound. Through its educational offerings, research projects, and programs of public service, the University encourages the free exchange of ideas and the search for knowledge that is the cornerstone of the academic tradition.

Mission Statement

Nova Southeastern University provides educational programs of distinction from prekindergarten through the doctoral level at times and in locations convenient to students, prepares students for leadership roles in business and the professions, encourages research and community service, and fosters an atmosphere of creativity and innovation utilizing technology where appropriate.
Dean's Message

The speech language program at Nova Southeastern University is a dynamic one emphasizing clinical practice and applied research. The new LaBonte Institute for Hearing, Language, and Speech is a state-of-the-art clinical, teaching, and research facility providing space and resources where students integrate theory with practice. Nova Southeastern University is committed to adult learners, many of whom are seeking degrees in this field as a second career. Flexible course schedules during days, evenings, and summers are designed to be responsive to our students.

As you consider possible graduate programs, feel free to contact our faculty, students, and graduates. They will give you a complete picture of the program's comprehensiveness, quality, and relevancy to practice.

Good luck with your graduate studies and career. Thank you for considering Nova Southeastern University and its Master's Program in Speech-Language Pathology.

The Fischler Center for the Advancement of Education

The Fischler Center for the Advancement of Education is dedicated to the training and continuing support of teachers, administrators, trainers, and others working in education and related helping professions. These practitioners serve as the bridge between the knowledge base in education and the quality of education experienced by their students. The Center hopes to fulfill its commitment to the advancement of education by serving as a resource for practitioners and by supporting them in their self-development.

In accomplishing its mission, the Center offers educational programs designed to meet the needs of the practitioner and makes a special commitment to provide educational programs in those geographic areas in which there are few resources for the training and professional support of practitioners.

Because of its commitment to the working professional, the Center offers alternative delivery systems for education that are adaptable to practitioners' work schedules and locations. Center programs reflect and anticipate the needs of practitioners to become more effective in their current positions, to fill emerging roles in the education field, and to be ready to accept changing responsibilities within their own organizations. The Center also aids professional educators in achieving personal goals, including certification requirements.

The Fischler Center for the Advancement of Education offers:

At the master's or educational specialist level—

- M.S. in Child Care Administration
- M.S. in Child and Youth Care Administration
- M.S. in Elder Care Administration
- M.S. in Family Support Studies
- M.S. in Speech-Language Pathology
- The GEM Program, M.S. and Ed.S. for teachers

At the doctoral level—

- Ed.D. in Adult Education
- Ed.D. in Child and Youth Studies
- Ed.D. in Computing and Information Technology
- Ed.D. in Educational Leadership
- Ed.D. in Health Care Education
- Ed.D. in Higher Education
- Ed.D. in Vocational, Technical, Occupational Education

Director's Message

The 1994-1995 academic year marks the eleventh year for Nova Southeastern’s master of science program in speech-language pathology. Our graduates hold responsible positions in public schools, hospitals, and private practices. The comprehensive academic and clinical curriculum is consonant with the University's mission to educate graduates for leadership roles. The success of our graduates within the professional community attests to the success of the program.

If you elect to pursue a graduate degree in speech-language pathology, you are preparing yourself for a profession related to the fields of education, medicine, and psychology. The faculty in speech-language pathology is committed to providing you with a balance between scientifically-based information and clinical application. The graduate program is designed to provide you with the critical thinking skills necessary for the management of individuals with communication disorders. Faculty members are available to assist you with individual program planning for your graduate studies. Contact the graduate program office to request an appointment and interview.

Master's Program in Speech-Language Pathology

Nova Southeastern's master of science degree program in speech-language pathology was designed to provide the necessary course work and clinical experience to obtain Florida certification, Florida licensure, and the Certificate of Clinical Competence awarded by the American Speech-Language-Hearing Association (ASHA). The master's program is approved by the Florida Department of Education and accredited by ASHA's Educational Standards Board.

Nova Southeastern University undergraduate students in any major can elect the speech-language pathology specialty, which satisfies the requirement for the undergraduate minor. The courses required for the specialty also satisfy the requirement for entrance to the Nova Southeastern graduate major in speech-language pathology. Students with a bachelor's degree in any major may be admitted to the speech-language graduate program. These students must complete the prerequisite courses before beginning the graduate sequence.

Courses offered in locations other than the main campus in Fort Lauderdale are the same as on-campus courses. The program operates year-round. Students may enter the program in any given semester; however, limited admissions are available and a rigid timeline is applied to dates for entering.

Program Objectives

A. Academic Objectives

The Master's Program in Speech-Language Pathology (SLP) is designed to prepare students academically to analyze and synthesize a scientific informational base critical to their functioning as professional speech-language pathologists. To satisfy this academic goal, Nova Southeastern graduates must demonstrate a thorough knowledge of the following subgoals:

1. The history and development of the speech-language hearing profession.
2. The requirements for state certification, licensure, and ASHA-CCC.
3. The professional issues and positions held by the profession as represented through the profession's governing body, the ASHA.
4. Past and present state and federal mandates.
5. The code of ethics.
6. The basic information in psychology, sociology, mathematics, general physics, and human anatomy prerequisite to the study of communication disorders.
7. The academic and physiological bases for normal development and use of speech, language, and hearing.
8. The physical bases and processes of the production and perception of speech, language, and hearing.
9. The linguistic and psycholinguistic variables related to normal development and use of speech, language, and hearing.
10. The process of critical evaluation and the utilization of research procedures in speech, language, and hearing.
11. The pathologies, etiologies, and educational, emotional, cognitive, and acoustic correlates of disorders of language, phonology, voice, fluency, and audition.
12. The skills necessary to interact and coexist with other disciplines such as medicine, psychology, learning disabilities, and education.
13. The process for formulating, designing, and implementing investigation in a given area of study or to replicate a study in a given area.
14. Multilingual and multicultural information as it relates to human communication.

B. Clinical Objectives

The speech-language pathology program is designed to prepare students clinically to assimilate and apply the academically required informational base through the clinical practice of speech-language pathology. The subgoals or outcomes necessary to achieve the clinical program goal are as follows:
1. Theoretical principles underlying a procedure, approach, methodology, or practice in the evaluation and management of disorders of speech, language, and hearing.

2. The various types of disorders of communication and how they are manifested, classified, evaluated, and remediated.

3. Instrumentation used to assess and treat disorders of voice, fluency, phonology, language, and audition.

4. The broad range of diagnostic tools and procedures, including audiometry, used formally and informally in the practice of speech-language pathology.

5. The variety of service delivery models, including individual, small group, classroom setting, and facilitative learning.

6. Human behavior, both normal and abnormal, and services available from related professions.

7. The interview process and how to utilize information obtained during interviews.

8. The process for preparing appropriate diagnostic and treatment reports including short- and long-range goals for client management.

9. The process of integrating information through history, observation, and evaluation to formulate a treatment approach.

10. Treatment approaches, methodologies, and procedures applied in the practice of speech-language pathology.

11. Procedures to treat individuals of all ages in the practice of speech pathology.

12. Habilitation/rehabilitation procedures for speech and language problems associated with hearing impairments.

13. The pathologies of the auditory system and assessment of auditory disorders and interpretations of the findings.

14. The process for establishing and managing a case load in a variety of work settings.

15. Techniques to enable students to self-evaluate their clinical skills.

16. Techniques for participating in a variety of interprofessional activities.

17. Obligations to the field to remain current in the practices of speech-language pathology following completion of a master’s degree.

18. The process for applying current research findings to the practice of speech-language pathology.

19. The skills necessary to relate effectively to clients, staff, peers, and supervisors.

Admissions

Application Procedure

Application deadlines are January 1 and July 1 annually. Admission decisions will be announced one month following the application deadlines. Students will be notified of the decision by mail. Students enroll in one of three semesters which begin in September, January, or May. The program reserves the right to determine which semester a student may actually enroll. Enrollment is permitted on a space-available basis. An application is considered complete when the following are received:

- Application
- Admission Fee
- Three Letters of Recommendation
- Official final transcripts*
- Personal Interview - call the department to make arrangements
- Submit logs of any observation on clinical clock hours. Logs must be signed by person holding ASHA-CCC. Students who have no hours will complete these at Nova Southeastern.

*For students completing an undergraduate degree an official transcript of courses completed to date AND a statement from a college advisor or other official stating anticipated date of graduation must be submitted. An official FINAL transcript posting the degree conferral date must be received prior to actual enrollment

Admissions are taken according to date all application procedures are completed. Due to the demands for this program, an initial enrollment date may not be assured at the time of admission.

Admissions Process/Requirements

Unconditional - Requires a cumulative GPA of 3.0 on a 4.0 scale from undergraduate record or student hold an earned master's degree.

Applications are reviewed by the Faculty Admissions Committee. The most-qualified students are selected to fill the available openings. Such factors affecting the decisions are:

- GPA/GRE
- Personal Interview
- Letters of recommendation
International Student Admissions

Individuals holding degrees from outside the United States are admitted provisionally. They must submit:

1. An official transcript from the university that conferred the degree and an official course-by-course transcript from World Education Services verifying the bachelor's degree or its equivalent
2. Completed admissions application and fee
3. Three letters of recommendation
4. Logs of any clinical clock hours obtained under the supervision of a speech-language pathologist holding ASHA-CCC
5. An official TOEFL score of 550 (for non-native English speakers)
6. Verification of student visa or residency status

Students must agree to any remedial or tutorial recommendations made by the faculty to assist them in succeeding in the program.

International students who intend to reside in the United States and who are required to obtain an I-20 must be full-time, degree-seeking students and must attend the main campus in Fort Lauderdale, Florida. For further information, contact the International Student Adviser, Nova Southeastern University, 3301 College Avenue, Fort Lauderdale, Florida 33314, or telephone (305) 370-5695. Any exception is made on a case-by-case basis.

Students living outside the United States who apply to the program MUST complete all of the above prior to arriving here. Housing and financial arrangements must be made in advance by the applicant.

PRIVACY OF RECORDS: Once a student is enrolled, any request for information about admission status or any other program concern must be done in person or in writing. A parent, spouse, or friend will not be given any information. (See section on PRIVACY OF RECORDS, page 21.)

Degree Requirements

- **Credits**
  Students holding a B.A. in Speech-Language or Communication Disorders will complete forty-eight credit hours.

  Students holding a B.A. in a field other than Speech-Language will complete nineteen prerequisite credits prior to enrolling for the forty-eight credit-hour sequence.

- **Clock Hours**
  Obtain a minimum of 375 clinical clock hours under supervision of ASHA certified personnel. The first clinical hours are obtained when student is enrolled in clinical lab on the Fort Lauderdale Campus, LaBonte Institute. The remainder of the clinical clock hours are obtained in approved OFF-CAMPUS internship facilities.

- **Personal/Professional Behaviors**
  Demonstrate behavior that indicates reasonable stability, maturity, understanding, and aptitude judged by the faculty as necessary for predicted success as a speech-language pathologist. Recommendation for termination may be made when the behavior of a student is judged to interfere with predicted success and/or when the safety and welfare of clients and others are at stake.

- **Grades**
  Students must maintain a GPA of 3.0 at all times. Implementation of this rule is explained in the student handbook.
Policies Governing Academics

Faculty Student Review Committee (FSRC)

The Program's Faculty Student Review Committee is composed of departmental faculty whose responsibility is to review students' academic and clinical progress on a periodic basis. The purpose of the FSRC is to identify barriers to success in graduate study, make recommendations for assistance to students, and determine the advisability of the student's continuation in the speech-language program.

Probation

Students are placed on probation when one of the following occurs:

- The GPA drops below 3.0 in any given semester.
- A grade of D is earned in any academic course.
- A grade of C is earned in any clinical lab or internship
- The FSRC recommends probation based on inappropriate or unprofessional behavior.
- Violation of the Code of Ethics.

Students placed on probation will receive a contract explaining the terms of the probation and how to get removed from probationary status. All conditions of the probation contract must be met and all deficiencies must be removed prior to taking any more courses. Probations will delay a student's progress toward satisfying degree requirements.

- Students may be placed on and removed from probation only one time during graduate study.

Transfer of Graduate Academic Credit

- Transfer credit must be equivalent to program courses described in this catalog as determined and approved by the speech-language faculty. Approval of transfer credit will be granted only after the student has met with the faculty member responsible for the subject matter to which the transfer applies.
- Only courses completed at regionally accredited universities and colleges, or their foreign equivalents, on the graduate level will be considered for transfer of credit into the master's program.
- No more than nine semester hours of credit may be transferred. Courses for transfer credit must have received a grade of B or higher (4.0 scale).
- Transfer credits must have been earned within six years prior to admission to the program. Credits earned beyond this time limit may be used if updated by examination with a grade of B or higher.
- Students enrolled in the program who wish to take a course at another university must have prior approval by the program director or his designee. Courses taken at another university during the program of study at Nova Southeastern must be taken at an ASHA-ESB accredited program for the transfer credit to be acceptable toward the degree.

Credits earned at Nova Southeastern University are transferable only at the discretion of the receiving school.

Suspension

Upon enrollment in the program, all students are required to join the National Student Speech, Hearing, and Language Association while enrolled in the program and purchase the liability insurance. Membership and insurance must be renewed annually. NSSHLA has a Code of Ethics by which students must abide. Failure to purchase the insurance or violation of the ethics code may result in suspension. It is the student's responsibility to submit proof of insurance to the program.

Termination from the Program

Students who fail to comply with the recommendations of the FSRC in order to be removed from probation will be terminated from the program. Students will be notified by certified mail of their termination.

Appeals Process

When students receive a termination notice, they have the right to petition the departmental faculty requesting reinstatement in the program. A request for reinstatement must be submitted in writing within 30 days of receipt of the certified mail advising the termination. The petition should be addressed to the chair of the Faculty Student Review Committee and should include the student's rationale for being reinstated. The FSRC will review the rationale and render a decision.

The student will be notified by certified mail of the FSRC decision. Students may petition for reinstatement only once. It is the responsibility of the student to communicate the petition request to the chairperson of the FSRC.
Advising and Registration

Advising

Upon admission, students must see an adviser to develop the Plan of Study. Students are responsible for seeing that their Plan of Study is updated. Appointment to revise a Plan of Study must be made with an adviser prior to registration and prior to instituting the change. All changes must be approved by a faculty adviser and recorded on the Plan of Study. Students initiating changes without faculty approval WILL NOT BE ALLOWED TO REGISTER.

Semester Calendar

The Master's program offers three semesters per year operating on a year-round basis. Every course required for the master's degree is offered every semester. Semesters begin in early September, January, and May and run for fourteen weeks. Academic courses are offered primarily in evenings while labs and internships are offered during daytime hours, evenings, and Saturdays.

Registration

Dates for registration are announced each semester. On the Fort Lauderdale campus, registration is conducted in the program offices by the faculty. Off-campus registration is conducted at the site. Tuition and fees are due at the time of registration unless prior arrangements are approved by the Associate Director for Curriculum. Registration will be valid only when signed by a faculty adviser.

Any change in registration must be approved by the Associate Director for Curriculum or his designee.

Time Limitation

A student is allowed five years to complete the degree. Students who interrupt their program must follow procedures for withdrawing and for re-entering the program. Extenuating circumstances for not meeting the time limit will undergo severe faculty scrutiny.

Evaluation of Academic and Clinical Progress

Grading

Factors that are used to calculate the student's final grade in each course will be determined by the instructor of that course. The following grade scale will apply for determining final course grades:

<table>
<thead>
<tr>
<th>Numerical Points</th>
<th>Letter Grade</th>
<th>Grade Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>90 - 100</td>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>80 - 89</td>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>70 - 79</td>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>60 - 69</td>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>0 - 59</td>
<td>F</td>
<td>0.0</td>
</tr>
</tbody>
</table>

• There are no plus or minus grades in this program.

Incompletes

Students achieving a grade of B or better but who, for personal reasons, are unable to complete course work may request that a grade of incomplete be given. The student must request the I grade from the instructor, who will prepare a contract for eliminating the I. The contract must be approved by the Associate Director for Curriculum. Students granted an I in a course must remove it by completing the contract within six months of the final meeting of the course for which the I was given. Failure to remove an incomplete within the prescribed time period will result in a grade of F for the course.

Withdrawals

A. Individual course, clinic, or internships: Students may withdraw from a course, lab, or internship up to the midpoint of a semester without grade penalty by filing a change of registration form with the program office. Instructors must be notified of a student's withdrawal.

B. Program: Students who are faced with temporary personal or professional crises and find that they must withdraw from the program must complete a withdrawal form and submit it to the program office. Failure to file a temporary withdrawal form will jeopardize the completion of degree requirements. Students may reenter the program only once and will be expected to follow all requirements in place at time of reentry.
Attendance Policy

Students are required to attend all classes. Exceptions to this policy will be stipulated by the instructor in the written course requirements. Grades may be affected if the attendance policy is violated. Extenuating circumstances affecting attendance must be documented to the instructor.

Videotaping Policy

Students are videotaped in certain academic classes and clinical labs for teaching-learning purposes. Students must sign an agreement for videotaping.

Financial Information

Tuition and Fees

The following information indicates current fee and tuition schedules. Tuition and fees are subject to change without prior notice. Students are required to pay the tuition in effect at the time of registration. Checks or money orders should be made payable to Nova Southeastern University. Tuition and fees can be charged to MasterCard, VISA, Discover, or American Express accounts, or the students may attach a copy of the financial aid award letter.

Fees

| Application: | A one-time, nonrefundable fee of $40 must accompany the application for admission. |
| Registration: | $50 per registration |
| Late Charge: | $50 per late registration |
| Lab: Students enrolling in clinical classes (SLP 6005, SLP 6100, SLP 6110, SLF 6120, AUD 6100 and AUD 6110) pay a $112 fee per class per enrollment. |
| Change of Registration: | $50 per transaction |
| Out of State Internship Fee: | $500 |
| Degree: A degree application fee of $50 is due at the exit interview when all requirements are met for graduation. |

Tuition

Graduate: Tuition for graduate classes in speech-language pathology is $450 per credit hour. Students who take graduate classes in other departments of Nova Southeastern University pay the tuition rate set by the respective department.

Undergraduate: Tuition for undergraduate prerequisite classes in speech-language pathology is determined by the undergraduate college. Students taking these classes in other departments at Nova Southeastern University pay the tuition rate set by the respective departments. This policy also applies to graduate prerequisite courses.

Deposit Policy

Admissions are taken according to date all application procedures are completed. Due to the demands for this program, an initial enrollment date may not be assured. New students must make a tuition credit deposit of $1,000 to assure an enrollment reservation for the semester in which the first enrollment is assigned.

Deposit Schedule is:
May 1 for Fall
September 1 for Winter
January 1 for Spring

Financial Aid

Nova Southeastern University's Office of Student Financial Aid administers comprehensive federal, state, institutional, and private financial aid programs. The purpose of these programs is to provide monetary assistance to students who can benefit from further education but who cannot do so without such assistance. Students interested in receiving a financial aid packet should contact the Office of Student Financial Aid at (305) 475-7410 or (800) 522-3243. The department offers a limited number of graduate-student assistantships. Apply within the Speech-Language Department.
When to Apply for Financial Aid

It is recommended that students apply for financial aid well in advance of the date the funds will be needed because normal application processing takes 6 to 8 weeks and possibly up to 12 weeks. It is extremely important that students fill out all forms completely and correctly and that they respond promptly to all inquiries in order to prevent delays in processing. Awards are made only for the academic year. Applications are generally available each January for the following academic year. There is a priority deadline of April 1, 1994 for the 1994-95 academic year. Applications received after that date will be considered on a funds-available basis only. Students requesting financial aid for the summer term must complete a separate summer aid application that is generally available after January. The last day to apply for any financial aid for 1994-95 is May 1, 1995.

General Eligibility Requirements
In order to participate in the financial aid programs, a student generally must:

1. Be a U.S. citizen, permanent resident, or in the United States for other than a temporary purpose and be able to provide proof of such;
2. Be accepted for enrollment in an eligible degree seeking program at Nova Southeastern University;
3. Be making satisfactory progress in his/her course of study;
4. Not be in default of or owe a refund for any financial aid received previously;
5. Sign a Statement of Educational Certification; and
6. Be registered with Selective Service if required to do so by federal law.

Student Insurance

All students are required to purchase liability insurance for the entire time spent in the speech-language program, including prerequisite courses. A current copy of the insurance premium must be on file in order to register for courses. Insurance forms may be obtained from the adviser and program office.

Payment Policy

Full payment is due at the time of registration but no later than the start of classes. Failure to pay by the due date may result in cancellation of registration. This policy has been established and approved by the Nova Southeastern University president and the Nova Southeastern Board of Trustees.

Any exceptions must be approved by the vice-president for finance. Only exceptional circumstances will be considered when altering general policy.

Refund Policy

Fees other than tuition are not refundable. Students who wish to receive a refund of tuition must follow the withdrawal procedure described in this manual. Unless withdrawal procedures have been completed within the stated deadline, students are assumed to be active participants and are responsible for tuition payments that apply to their signed registration forms whether or not an initial payment has been submitted. In the case of a refund, the following schedule applies:

- For 100 percent refund, withdrawal procedures must be completed prior to the first class session;
- For 75 percent refund, withdrawal procedures must be completed before the second class session, regardless of class attendance;
- For 50 percent refund, withdrawal procedures must be completed before the third class session, regardless of class attendance.

After the third class session, no tuition will be refunded, regardless of class attendance.

In addition, Florida law provides that students have three working days from the date of signing an enrollment contract or financial agreement with the University to request a cancellation of the contract in writing and receive a full refund of any tuition and registration fees paid. Further a student shall receive a full refund of tuition and registration fees paid by the student prior to the commencement of instruction if the student submits a written request to the institution within three working days of the payment.

TOTAL CREDITS REQUIRED (ACADEMIC, LABS, AND INTERNSHIPS) 48

(courses in parenthesis are elective and are not included in the total hours required)

*NOTE: Faculty will recommend to students the number of clock hours required in a given clinic and/or in repeating a clinical lab or internship. Students must register to repeat a lab.

SLP 6100 Clinical Methods is required of all students who are eligible to accrue clock hours; they are scheduled according to previous clinical experience. Students must also complete two off-campus clinical internships, SLP 6110 (nonschool placement) and SLP 6120 (K-12 placement).

SLP 6101 Clinical Lab is available only on the main campus in Fort Lauderdale. Students must enroll in clinical lab at the time it is scheduled on the Plan of Study.

Internships are available in locations throughout Florida. Out of state placements may be arranged by the Internship Coordinator. Upon successful completion of clinical lab, students are recommended by the faculty for internships. Placements are made by the faculty. The length of internship is determined by the faculty. (See fee schedule)

To fulfill the above clinical requirements, it may become necessary to interrupt your full-time employment.

Summary of Facts About the Speech-Language Graduate Program

Accreditation

1. American Speech-Language-Hearing Association
   - Program accredited by the Educational Standards Board in December 1990
   - Graduates meet all requirements for individual certification (CCC-Sp)
2. Florida Department of Education program approval granted in 1985
3. State of Florida registration/licensure
   - Graduates meet all requirements for individual registration/licensure

Time and Residency Requirement

- May be completed in five to eight semesters
- All students complete a residency in an intensive clinical practicum at the Communication Disorders Clinic (CDC) in Fort Lauderdale.
- Degree must be completed in five years

Advising and Registration

Registration for classes is held about one month before the beginning of the term. Exact dates will be announced each semester. The student is responsible for meeting with an adviser each semester to determine his or her schedule prior to registration. Failure to attend this meeting may result in delayed registration.

Clinical Practicums

- The Communication Disorders Clinic carries a census of more than 100 clients of all ages presenting a wide variety of disorders. The CDC is located in the Ralph J. Baudhuin School with satellite services at both campuses of the University School and the Family Center.
- Approximately 50 off-campus sites are contracted for use for the off-campus internships. These facilities represent the spectrum of services offered in the profession.

Faculty

- Primary faculty includes 14 full-time equivalent (FTE), 4 doctoral-level, and 10 master’s-level positions, all holding appropriate certificates of clinical competence and having many years of academic and clinical experience.

You will find in this document all the information needed to be enrolled as a graduate student in speech-language pathology either as a degree-seeking student or as a special student seeking recertification or updated information. Please feel free to use our toll-free number to call us to discuss your particular professional and academic needs.

Facilities

Bernice and Jack LaBonte Institute for Hearing, Language, and Speech is made up of two divisions—the Communication Disorders Clinic and the Program for Graduate Studies in Speech-Language Pathology. The Communication Disorders Clinic provides a continuum of exemplary diagnostic and therapeutic services for clients of all ages—infants through adulthood and includes a child and adult and geriatric suite. Clients representing all types of hearing, language, and speech disorders receive service at the Clinic. The Program for Graduate Studies in Speech-Language Pathology is a department within the Fischler Center for the Advancement of Education. Students in this program are involved in an intensive academic curriculum designed to provide the background information necessary for a clinical career. The rigorous, supervised clinical experience that the students receive in The Communication Disorders Clinic brings the academic instruction to life. Graduates of the program carry this quality, clinical service across Florida and the nation and in other countries.

The Institute is a 7,000-square-foot facility containing clinic rooms, observation rooms, offices, classrooms, and a student study room with lockers and computers. Each room and office is equipped for video/audio recording and transmission.
Graduation Procedures

Documents Required

- Degree application
- ASHA application for membership and certification
- NESPA score*
- Florida application for licensure

Procedure

- Make an appointment with the curriculum coordinator for an exit interview no less than one month prior to graduation.
- File with the coordinator a copy of the degree application, ASHA application, NESPA score*, and application for Florida licensure.

Outline of the Standards for the Certificates of Clinical Competence

I. Degree: Applicants for either certificate must hold a master's or doctoral degree. Effective January 1, 1994, all graduate course work and the clinical practicum required in the professional area for which the certificate is sought must have been initiated and completed at an institution whose program was accredited by the ESB in the area for which the certificate is sought.

II. Academic Course Work: 75 semester hours (s.h.)
   A. Basic science course work (27 s.h.):
      • 6 s.h. in biological/physical sciences and mathematics
      • 6 s.h. in behavioral and/or social sciences
      • 15 s.h. in basic human communication processes, to include the anatomic and physiologic bases, the physical and psychophysical bases, and the linguistic and psycho-linguistic aspects.
   B. Professional course work (36 s.h.): 30 of the 36 s.h. in courses for which graduate credit was received; 21 of the 30 s.h. must be in the professional area for which the certificate is sought.

   CCC-SLP
   • 30 s.h. in speech-language pathology
     - 6 in speech disorders*
     - 6 in language disorders*
   • 6 s.h. in audiology
     - 3 in hearing disorders and hearing evaluation*
     - 3 in habilitative/rehabilitative procedures*

   CCC-A
   • 30 s.h. in audiology
     - 6 in hearing disorders and hearing evaluation*
     - 6 in habilitative/rehabilitative procedures*
   • 6 s.h. in speech-language pathology, not associated with hearing impairment
     - 3 in speech disorders*
     - 3 in language disorders*

III. Supervised Clinical Observation and Clinical Practicum: 375 clock hours (c.h.)
   A. Clinical observation (25 c.h.) prior to beginning initial clinical practicum
   B. Clinical practicum (350 c.h. total)
      • 250 c.h. at the graduate level in the area in which the certificate is sought
      • 50 c.h. in each of three types of clinical settings.

   CCC-SLP
   • 20 c.h. in each of the following 8 categories:
     1. Evaluation: speech disorders in children
     2. Evaluation: speech disorders in adults
     3. Evaluation: language disorders in children
     4. Evaluation: language disorders in adults
     5. Treatment: speech disorders in children
     6. Treatment: speech disorders in adults
     7. Treatment: language disorders in children
     8. Treatment: language disorders in adults
      • Up to 20 c.h. in the major professional area may be in related disorders.
      • 35 c.h. in audiology
        - 15 in evaluation/screening
        - 15 in habilitation/rehabilitation

IV. National Examinations in Speech-Language Pathology and Audiology

V. The Clinical Fellowship

* Academic credit for clinical practicum may not be used to satisfy these minimum requirements. However, a maximum of 6 s.h. for the practicum may be applied to the 36 s.h. minimum professional course work.
** "Speech" disorders include disorders of articulation, voice, and fluency.
*** "Treatment" for hearing disorders refers to clinical management and counseling, including auditory training, speech reading, and speech and language services for those with a hearing impairment.

The Code of Student Conduct and Academic Responsibility

Purpose: This code seeks to promote high standards of academic integrity by setting forth the responsibilities of students as members of the University community. Abiding by the code ensures a climate wherein all members of the University community can exercise their rights of membership.

Nova Southeastern University Statement of Academic Rights and Responsibilities

Nova Southeastern University, as a community of women and men, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to assure all students an equal opportunity to fulfill their intellectual potential through pursuit of the highest standards of academic excellence.

Certain rights and obligations flow from membership in any academic community committed to such goals:

• The rights of personal and intellectual freedom, which are fundamental to the idea of a university;
• A scrupulous respect for the equal rights and dignity of others; and
• Dedication to the scholarly and educational purposes of the University and participation in promoting and assuring the academic quality and credibility of the institution.

Students are responsible for obtaining, learning, and observing the established University and center policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution as well as those of Broward County and the State of Florida. All members of the community should inform the appropriate official of any violation of conduct regulations.

A. Academic Standards

The University expects its students to manifest a commitment to academic integrity through rigid observance of standards for academic honesty. The academic honesty standards include:

1. Original Work. Assignments such as course preparations, exams, texts, projects, term papers, practicums, etc., must be the original work of the student.

Original work may include the thoughts and words of another author, but if that is the case, those ideas or words must be indicated in a manner consistent with a University-recognized form and style manual. Work is not original that has been submitted previously by the author or by anyone else for academic credit. Work is not original that has been copied or partially copied from any other source, including another student, unless such copying is acknowledged by the person submitting the work for the credit at the time the work is being submitted or unless copying, sharing, or joint authorship is an express part of the assignment. Exams and tests are original work when no unauthorized aid is given, received, or used prior to or during the course of the examination.

2. Referencing the Works of Another Author. All academic work submitted for credit or as partial fulfillment of course requirements must adhere to each center's specific accepted reference manuals and rules of documentation. Standards of scholarship require that proper acknowledgement be given by the writer when the thoughts and words of another author are used. Students must acquire a style manual approved by their center and become familiar with accepted scholarly and editorial practice in their program. Students' work must comport with the adopted citation manual for their particular center.

At Nova Southeastern University, it is plagiarism to represent another person's work, words, or ideas as one's own without use of a center-recognized method of citation. Deviating from center standards (A)(1) or (A)(2) is considered plagiarism at Nova Southeastern University.

3. Tendering of Information. All academic work must be the original work of the student. Giving or allowing one's work to be copied, giving out exam questions or answers, or releasing or selling term papers is prohibited.
4. Acts Prohibited. Students should avoid any impropriety, or the appearance thereof, in taking examinations or completing work in pursuance of their educational goals.

Violations of academic responsibility include, but are not limited to:

- Plagiarism;
- Any form of cheating;
- Conspiracy to commit academic dishonesty;
- Misrepresentation;
- Bribery in an attempt to gain an academic advantage;
- Forging or altering documents or credentials; and
- Knowingly furnishing false information to the institution.

5. Additional Matters of Ethical Concern. Where circumstances are such as to place students in positions of power over University personnel, inside or outside the institution, students should avoid any reasonable suspicion that they have used that power for personal benefit or in a capricious manner.

B. Conduct Standards

1. Students should not interfere with the rights, safety, or health of members of the University community nor interfere with other students’ right to learn. Students are expected to abide by all University, center, and program rules and regulations and all local, state, and federal laws. Violations of conduct standards include, but are not limited to:

- Theft;
- Vandalism;
- Disruptive behavior;
- Possession or use of firearms, fireworks, explosives, or other dangerous substances or items;
- Possession, transfer, sale, or use of illicit drugs;
- Appearance in class or on campus under the apparent influence of alcohol or illicit drugs or chemicals;
- Violations of housing regulations;
- Any act or conspiracy to commit an act which is harassing or abusive or which invades an individual’s right to privacy, including, but not limited to, sexual harassment and abuse against members of a particular racial, ethnic, religious, or cultural group;
- Threats of or actual damage to property or physical harm to others;
- Nova Southeastern University prohibits any activity that may be construed as hazing. “Hazing” is defined as: any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of a university; and
- Failure to pay tuition and fees in a timely manner.

C. Supplementary Standards

Students are expected to comply with the legal and ethical standards of this institution and those of their chosen field of study, including the code of ethics for computer usage. The University and each center or program may prescribe additional standards for student conduct as would comport with the letter and spirit of this code.

D. Violations

Any violation(s) of any of the academic standards, conduct standards, or supplemental standards may result in a complaint being filed against a student to enforce the Code of Student Conduct and Academic Responsibility. Deans or directors may, in their discretion, immediately suspend students pending a hearing on charges of academic conduct or supplemental standard violations. Any student found guilty of a violation of the academic, conduct, or supplemental standards will be subject to disciplinary action, including expulsion from the University.
Student Code of Computer Ethics

Student users of Nova Southeastern University's computer systems are subject to all applicable federal, state, and international computer laws. A copy of the Florida Computer Crimes Act and referenced Florida State Statutes may be examined online or in a student's academic program office.

Nova Southeastern University provides computer systems with access to hardware, software, and networks to enhance academic experience. Ethical conduct by students in the use of this technology is the same as in all other areas of University life and it is of equal importance. All students are expected to abide by the Nova Southeastern University Code of Student Conduct and Academic Responsibility.

For more detailed information on Nova Southeastern's Student Code of Computer Ethics, please consult the Speech-Language Pathology Student Handbook.

Drug-Free Schools and Campuses

In order to comply with the Drug-Free Schools and Communities Act (Pub. L. No. 101-226, Title 34 C.F.R., part 86), Nova Southeastern University has adopted the following policy for all workplace, school, campus, and field-based programs.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and the abuse of alcohol are prohibited in and on Nova Southeastern University owned or controlled property and as a part of any of its activities. No Nova Southeastern University employee or student is to report to work or school while under the influence of illicit drugs or alcohol.

For more detailed information on this policy, please consult the Speech-Language Pathology Student Handbook.

Privacy of Records

Nova Southeastern University maintains a system of records that includes application forms, letters of recommendation, admission test scores, and transcripts of students' previous academic records and performance while in residence. These records are available for review by present and former students upon written request to the registrar's office. However, the registrar will not release transcripts of students' academic records until all their accounts, both academic and nonacademic, have been paid.

The law limits access by and disclosure to a third party. Such access is given only upon consent of the student or if required by law, except for the following information, which may be released as directory information:

a) student's name; b) dates of attendance; c) degree and awards received. Requests for such information must be submitted in writing to the registrar. The University reserves the right to refuse the above information if the reason for the request is not considered to be a sufficient need to know.

Any student or parent not wishing to have this information disclosed should notify the Office of the University Registrar in writing prior to September 1 of the relevant school year.

A person does not have the right of access to educational records until he or she has been admitted to and has actually begun attending Nova Southeastern University. There is no prohibition from disclosing such information to the parents of students who are listed on their parents' federal income tax forms.

Parents or eligible students will be provided a hearing by the University if they wish to challenge the content of the record. If they are still not satisfied, the parents or eligible students may add explanatory or rebuttal matter to the record.

If the students or parents are denied access to a hearing or if the records are alleged to have been illegally disclosed to a third party, the students or parents may file a complaint with the U.S. Department of Education.

Reservation of Power

Nova Southeastern reserves the right to amend, modify, add to, or delete its rules, policies, and procedures affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the University and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in the judgment of the administration such changes are required in the exercise of its educational responsibility.

Grievances

When questions about procedures, decisions, or judgments occur, counseling is available for discussion and resolution of differences. Students may also have recourse to more formal avenues of appeal and redress. Grievance procedures are explained in the Master's Program in Speech-Language Pathology Student Handbook.
Policies Governing Student Relations

General

Nova Southeastern University has established specific policies, procedures, and guidelines defining its relationship with its students. The term "student" defines the student, or parents of the student if the student qualifies as a dependent under the provisions of the Internal Revenue Code.

Institutional and Academic Information

NSU and its academic schools and centers periodically publish bulletins or catalogs describing the University and its programs. These bulletins are available to enrolled and prospective students through the various admissions offices associated with academic units or from the Office of the University Registrar. Each academic unit, group of units, and/or the registrar's office maintains at least one full-time employee to assist students in obtaining information.

Veterans' Benefits

All programs described in this catalog are approved for the training of veterans and other eligible persons by the Bureau of State Approval for Veterans' Training, Florida Department of Veterans' Affairs. Eligible veterans and veterans' dependents should contact the Office of the University Registrar, 3301 College Avenue, Fort Lauderdale, Florida 33314, telephone (305) 370-5685.

Housing

Located on the main campus is the Nova Southeastern Residential Living Complex. A new, 304-bed residence hall is available for undergraduate students. Also available is a multitude of one- and two-bedroom apartments in four buildings for graduate students. Housing is available year-round. Leases include utilities, cable television, and central air conditioning. Rates will be furnished on request from the Office of Residential Life, Nova Southeastern University, 3301 College Avenue, Fort Lauderdale, Florida 33314.

Nondiscrimination

NSU fully subscribes to and practices a policy of nondiscrimination in admissions and enrollment. No applicant or enrolled student shall be discriminated against because of race, color, sex, age, non-disqualifying handicap, religion or creed, or national or ethnic origin. The University registrar is designated as the policy coordinator to assure compliance with all federal, state, and local laws and regulations relative to nondiscrimination.

Learning Resources

Library Resources

The Albert and Birdie EINSTEIN LIBRARY, located in the Parker Building, houses the University's major collection of books and journals. Its more than 138,000 volume equivalents can be searched through the library's computer catalogue, considerably more sophisticated than the traditional card catalog. Also, more than 35 specialized indexes in CD-ROM format are available, as is dial-up access to the on-line catalog.

The Einstein Library is equipped to perform on-line literature searches using DIALOG information databases, and reference librarians will assist students in structuring searches.

The library is a member of SEFLIN AND FLIN, cooperative library networks that speed access to materials from other institutions throughout Florida. The Einstein Library has also been named a cooperating library of the Foundation Center in New York, giving students access to a special collection for grants and foundation research.

Through the Off-Campus Library Services Office (OCLS), students off campus have access to books, journal articles, Educational Resources Information Center (ERIC) documents, interlibrary loans, database searches, and reference librarians specializing in services to remote student locations.

Students may request materials 24 hours a day, using mail, phone, FAX, or home computer. To contact OCLS by phone call (800) 541-6682 (automated attendant—enter number for "General Student Services" or (305) 475-7388.

The entire microfiche collection of ERIC, more than 300,000 documents, is available to students during the same extended hours that the library is open. The OCLS also houses a microfiche collection of students' practicums and major applied research projects from the Fischler Center for the Advancement of Education of Nova Southeastern University.
The UNIVERSITY SCHOOL MEDIA CENTER has an integrated collection of print and nonprint materials designed to provide curriculum enrichment resources for students from preschool through high school.

The William Springer RICHARDSON LIBRARY, at the Oceanographic Center at Port Everglades, houses a specialized collection of books and periodicals related to research in physical, biological, and chemical oceanography.

The LAW LIBRARY is in the Leo Goodwin, Sr., Hall. The library collection, now more than 254,000 volumes and volume equivalents, contains the standard materials required for legal study and research: English, American, and state periodicals, treatises, and looseleaf services. In addition, the library includes extensive materials in the areas of taxation, land use planning, and international law. It is one of the few collections designated as a depository for United Nations documents. It is also designated as a depository for state and federal documents.

Computing Facilities

The University's Computer Center provides data processing facilities and services for meeting the instructional, research, and administrative needs of the University. The central site is located on campus in the Mailman-Hollywood Building.

Center for Media and Technology

Consisting of a TV studio equipped to video-record in color, a well-equipped audio studio, and a graphics room, the center provides media production services for students and faculty. The video recording facilities of the studio are used regularly as a means of enriching student learning.

Textbooks

The Nova Southeastern bookstore (Nova Books) is located on the main campus in the Rosenthal Student Center and carries all the required books for courses at Nova Southeastern University. Students located throughout the United States and Canada can order their texts via telephone (800) 509-2665 or (305) 476-4750; or FAX (305) 476-4759.

The provisions set forth in this document are not to be regarded as an irrevocable contract between the student and Nova Southeastern University. Regulations and requirements, including tuition and fees, are necessarily subject to change without notice at any time at the discretion of the administration. The University further reserves the right to require a student to withdraw at any time, as well as the right to impose probation on any student whose conduct is unsatisfactory. Any admission on the basis of false statements or documents is void upon discovery of the fraud, and the student is not entitled to any credit for work that he or she may have done at the University. Upon dismissal or suspension from the University for cause, there will be no refund of tuition or fees. The balance due Nova Southeastern University will be considered receivable and will be collected.

A transcript of a student's academic record cannot be released until all of his or her accounts, academic and nonacademic, are paid.

Any Nova Southeastern University student has the right to inspect and review his or her educational record. The policy of the University is not to disclose personally identifiable information contained in a student's educational record without prior written consent from the student, except to University officials, to officials of another school in which the student seeks enrollment, to authorized representatives of federal or state agencies, to accrediting organizations, to parents of dependent students, under judicial order, to parties in a health or safety emergency, or when verifying graduation with a particular degree.

A student also has the right to petition Nova Southeastern University to amend or correct any part of his or her educational record that he or she believes to be inaccurate, misleading, or in violation of the privacy or other rights of students. If the University decides it will not amend or correct a student's record, the student has a right to a hearing to present evidence that the record is inaccurate, misleading, or in violation of the privacy or other rights of students.

If these rights are violated, a student may file a complaint with the Department of Education. A student may obtain a copy of the Educational Privacy Act policy by requesting it in writing from the Office of the University Registrar, Nova Southeastern University, Parker Building, 3301 College Avenue, Fort Lauderdale, Florida 33314. A schedule of fees and a listing of the types and locations of educational records are contained in this policy.

Nova Southeastern University does not discriminate on the basis of handicap, sex, race, religion, or national or ethnic origin in admission, access, or employment for any of its programs and activities. The University registrar and director of human resources have been designated as student and employee coordinators, respectively, to assure compliance with the provisions of the applicable laws and regulations relative to nondiscrimination.

The school is authorized under federal law to enroll nonimmigrant alien students.

The Nova Southeastern University general policies on student relations are on file in the Office of the University Registrar.

Nova Southeastern University programs are approved for the training of veterans and other eligible persons by the Bureau of State Approval for Veterans' Training, Florida Department of Veterans' Affairs. Eligible veterans and veterans' dependents should contact the Office of the University Registrar, 3301 College Avenue, Fort Lauderdale, Florida 33314, telephone (305) 370-5685.

Application and Admissions Packet

The following materials may be torn out of the catalog and used by those who wish to apply for admission to the Master's Program in Speech-Language Pathology. Included here are:

- A graduate admissions application
- Two transcript request and transmittal forms
- Three recommendation forms
Dear Applicant:

Admission forms for the speech-language program have been perforated for easy separation. Please use the following check list to assure that you have submitted or requested the required documents. Applications are reviewed only when all documents are received.

- Graduate Admission Forms with a $40 application fee made payable to Nova Southeastern University. Complete all information front and back, and sign the back of the application form, and mail it directly to the address listed on the form.

- Transcript Request and Transcript Transmittal Forms, to be sent to your undergraduate and graduate degree-conferring institutions and to any institution from which you have received credits. All must be sent to the speech-language program at Nova Southeastern.

- Recommendation Forms, to be distributed to three persons who can comment on your academic and professional ability to be successful in graduate study (former professors, colleagues, supervisors, and the like).

- A photocopy of your teaching certificate (if certified in Florida).

In addition to the requirements, resident alien students are required to submit a copy of their alien registration card.

All of the above should be sent to:

Associate Director
Speech-Language Program
Nova Southeastern University
3375 SW 75th Avenue
Fort Lauderdale, Florida 33314

Your application review will be delayed if any of the above items are not on file. Completed applications are reviewed in January and July and admission decisions are granted in February and August. Competition for admission to this program is intense. Only the most highly qualified students are accepted. Apply early and at least eight to twelve months ahead of expected enrollment.

Sincerely,

Thelma Albritton, M.Ed.
