M.S. In Criminal Justice

Overview

The M.S. in Criminal Justice trains individuals through an interdisciplinary focus in an online environment. The program prepares students through the core curriculum and allows for specialty training through various concentrations.

This facilitates choice for students and fosters the development of specialized expertise. Students will complete the thirty hour program that includes core courses, specialty concentrations, and electives.

Proudly Offering the Valor Award 20% Scholarship for Law Enforcement, Veterans, Military, and First Responders
