The Brightest Star

John Markowicz

You are the brightest star
Yet your image, So melancholy;
Your dark projections impair you

You try too hard
Bring agonizing pain to yourself;
Continually correcting what is perfect.

The stress surpasses your mind
Mentally, Physically, Emotionally,
Agony prevails.

Be calm!
All is well
Your intentions so good, yet
Accept yourself

You close yourself to the opinions of others,
Not hearing the words you are trying to hear
But they are there
In you

Listen, have an open mind
No one is perfect yet you come so close
Realizing you can't be will get you closer

You, so fragile
So sublime
You are the brightest star
