WELCOME

The 1975 Summer Institute is a milestone in the growth and development of the Program. This Institute will be attended by many members of the first graduating class of ninety-one participants. I would hope that participants will seek out our new graduates and learn from their experiences in the Program. The names of the first group of graduates are listed in this bulletin.

The theme of this Institute is Innovation in Higher Education: The Birth of Ideas. Our expectations are that participants attending the Institute will assist in generating and stimulating ideas for use in the Program.

We hope to improve the practicum and MARP process through the infusion of these ideas in the months ahead. The National Cluster Task Forces have been given the goal of providing ideas and directions for future research.

This Institute has been designed to facilitate a national sharing of ideas. I hope that each of us attending will find the opportunity to grow and use wisely the wealth of talent present from our nation's community colleges and universities. Take this opportunity to learn from your peers, as well as from your professors.

John A. Scigliano
Program Director

IMPORTANT NOTICES

In addition to this program, you should have other information sheets. These sheets are included in the registration material that you received at the time of registration in the cluster suite:

(1) National Cluster Assignments: A complete listing of national cluster assignments is included in your registration material. The cluster coordinator will also post this information in the cluster suite.

(2) A Map of the Diplomat Hotel has been included in the registration material. Copies of the map will be posted in each cluster suite and at the registration desk.

(3) Concurrent Presentations Chairperson: Since not all of these persons had been identified at the time this program was printed, chairpersons are listed on a separate sheet.

CLUSTER VISITS: Cluster visits are encouraged but visits have not been scheduled.

LOCATION OF SESSIONS: All sessions of the Summer Institute will be held in various meeting rooms of the Diplomat Hotel. The designated meeting room for each session follows its listing in this program.

DOTS: There are several activities available in each time frame. For your convenience, we have accented these activities with a dot.

LUNCH N' LEARN: Attendance at this session is possible only if you made a reservation by mail. Persons holding reservations may pick up their tickets at the registration desk.

TICKETS FOR COCKTAIL PARTY: There is one reception (cocktail party) scheduled during the Institute. The event is scheduled for Friday, August 1, from 6:00 p.m. to 7:30 p.m. The reception is provided at no cost and with the compliments of NOVA UNIVERSITY. Tickets are included in the registration material. You may obtain tickets for spouses at the registration desk.

OFFICE: The registration desk will be open on the Mezzanine each day from 8:30 a.m. to 5:00 p.m. Sunday hours will be 1:00 to 4:00 p.m.
