Solo

Author Note

I write because I let myself feel things. You should too.

What am I supposed to do
When I am trying to fill my ears
With the sound of my own voice
To replace the melody in yours
But your cadences and idiosyncrasies permeate
Every syllable.
I can't even write a haiku without it sounding like
You you you you you,
You you you you you you you,
You you you you you.
