## Life Is Hard

*Jackie Davis*

"Life is hard" this once was said  
As a teenage girl steps out of bed  
She gets dressed and makes her way to school  
Everyone one thinks that things are cool  
But nobody knew that she was so sad  
Nobody knew her life had gone bad  
Even though she wore a smile  
Her troubles had been around for awhile  
Her boyfriend and she are no longer a pair  
He's with a new girl, she can't help but stare  
She gets another bad grade even though she is smart  
When her parents find out they will tear her apart  
Her friends laugh and giggle as if they didn't know  
About the thoughts in her head that continue to flow  
Always wearing a smile as the days pass on by  
And yet another day, living as a lie
