Imperfections

Author Note

Yesterday, Today, Tomorrow

I never saw your imperfections.
I never understood your constant questions,
about my love or attraction.
There was never a portion or part or fraction
of me that didn't see
what you meant to me.
I became secure,
Trusting in you unlike anyone else.
And in that you became insecure,
because things weren't as they were.
I never saw it.

I never saw your imperfections.
Because to me you were never under inspection.
I just saw you and I and our direction.
but maybe that was my misconception
That things would be how they were supposed to be
because of our connection.
I never saw it.

I never saw your imperfections.
Because to me you were perfection.
I was in love with everything
and I still am if you are wondering.
With everything that is happening,
I see that I was squandering
I should have given more
I should have kept advancing
But I never saw my imperfections
Because with you, I never questioned.
I never saw it.

I never saw my imperfections.
Because with you I was never in question,
of who I was or what I wanted
my fears were all confronted
I never saw that I was weak
because you made me strong
I never saw that I was angry
because you eased my tone.
I never saw that I was lost
because with you I found
everything I needed
To mask all of my problems.
I never saw it.

I never saw it but now I do.
I see that I can grow for you.
Continue to love and follow through
with the things that I always promised you
Its not enough to sit and wait
because every day is an evolving day
And through grace and faith
Ill keep my place
where I belong
Next to you
I never saw it but now I do
