Their House

Rebecca Greenspoon

There is a house that is far away that's special in my heart.
It has a touch of gold inside, a natural place of art.
The magical inhabitants are angels from on high.
Their glowing smiles and great big hugs are meant for those who try.
If you imagine growing up with babbling brooks and streams,
And silver stars to wish upon to grasp your hopes and dreams,
Then you will feel the radiance that sparks my fragile heart
Each and every single time I am in that place of art.
