## **Mother Nature**

*Leigh Sorkin*

It is a never-ending stream,  
And a bright blue ocean,  
It is the feeling you get by seeing, touching, or feeling it,  
A feeling of such freedom and life,  
It is the stars in a clear summer night sky,  
Or the sound of grasshoppers singing to one another,  
It is the way your body feels when you are lying in an open meadow,  
It is something that has changed,  
And lived longer than any other human on this Earth,  
It is the feeling of having no control,  
It is experienced by all, who dwell on Earth,  
It is Mother Nature.
