## **No Fear**

*Shira Katsir*

Fear is a part of life.  
Many people don't like it,  
Some don't understand it,  
And others can't live without it.  
In order to understand it  
One must discover the source.  
Once that source is found, a person can  
Conquer it or go around it.  
To go around it is normal,  
But those who choose to  
Face it  
Truly have no fear.
