## Alone

*Allison Kelrick*

A small girl crawls around the room looking at knees  
A leaf in a forest of redwoods  
Whipped around in a windstorm of frenzied people  
Unable to stay on the ground  
She hears the booming voices of the giants standing tall  
And fears she's all alone  
Until one of the giants sweeps her off her feet  
And throws her into the air  
Gives her a giant squeeze and tells her everything is fine  
Because she is safe and home.
