Life is Gray

Author Bio

Re'Nyqua started out as a reader, stuffing her nose in every book possible and falling in love with stories, until one day she decided to write her own story. The story still has not ended and she plans on writing until she has nothing left to say. Though, she dreams of having her name across the front cover a published book, nothing is more important than inspiring readers and writers through her stories.

My morals:
A joke.
Under pressure:
I choke.
On social media:
I'm woke.
But in real life:

I probably misspoke.

So don't quote
what I say,
life tests me
every day.

Or maybe it's God
pushing me
to the best
because
my suffering follows
three days
of rest
before I must
rise to
the test.

But really
life is
less black
less white,
and more gray.
Finally, I'm realizing
that it's okay.
