## Senses

*Heather Shulman*

I woke up today  
I saw the sun nestled in the clouds  
The flowers blossoming in the fields  
The grass swallowing the hills

I woke up today  
I heard the cheers of happy children  
The wind flow past my ears  
The music flowing out of the people's hearts

I woke up today  
I felt the warmth of nature's glowing rays  
The comfort of the human touch  
The silk of life's clothing

I woke up today  
I tasted the winter air after a snowstorm  
The liquid sunset  
The nourishment of her fruits

I woke up today  
I woke up
